4. EXECUTIVE OFFICE REPORTS

4.1 Extension of the Due Date and Discount Date for 2020-2021 - First Rates Levy

Date: 26 August 2020

Author: Kirsty Johnson, Coordinator Revenue Services; Jodi Marchant, Chief Financial Officer

Responsible Officer: Ian Church, Chief Executive Officer

Purpose:

The purpose of this report is to seek Council's approval to extend the discount date and the due date for payment of the first levy of the 2020-2021 financial year rates due to a delay in property owners receiving their rates notices due to interruptions in mail processing times related to COVID-19.

Officer's Recommendation:

THAT under Section 130(7) and (8) of the *Local Government Regulation 2012*, Council changes the discount date and the due date for payment for the current rating period to 25 September 2020.

Executive Summary

The rate notices for the first levy of the 2020-2021 financial year were issued on 12 August with a due date of 11 September. The majority of rate notices were received during the week beginning 24 August, leaving only a two-week period until the due date.

To provide adequate time for rate payers to take advantage of the discount period and to save on administrative costs provided to assist rate payers regarding the extension of payment due date and allowing discount, it is recommended that Council for the first rates levy of the 2020-21 financial year amend the discount date and due date to 25 September 2020. The amended date will apply to all property owners.

Finance and Resource Implications

Extension of the rates discount by two weeks will see a short delay in the projected cash inflows from the rate levy. This will be a minimal impact and can be safely managed in consideration of Council's current and projected cash balances.

Proposal

Overview

Section 130 of the *Local Government Regulation 2012* deals with the discount for prompt payment of rates and charges. While the original discount date was set as part of the budget adoption resolutions, under Section 130(7) Council may by resolution change the discount period to end on a later day. If Council does this, then under Section 130(8) Council must also, by resolution, change the due date for payment to a later day that is no earlier than the new discount day.

The rate notices for the first levy of the 2020-2021 financial year were issued on 12 August 2020 with a due date of 11 September 2020. The majority of rate notices were received by property owners during the week beginning 24 August 2020, leaving only a two-week period until the due date. Council's printing company has confirmed that rate notices were lodged with Australia Post on 12 August 2020. However, due to the current COVID-19 pandemic there has been a delay in postal deliveries Australia wide and this has caused the delay of the delivery of the rate notices.

To provide adequate time for rate payers to take advantage of the discount period and to save on administrative costs provided to assist rate payers regarding the extension of payment due date and allowing discount, it is recommended that Council for the first rates levy of the 2020-21 financial year amend the discount date and due date to 25 September 2020. The amended date will apply to all property owners.

Legal Implications

In accordance with Section 130 (7) of the *Local Government Regulation 2012* Council is required to pass a resolution to change the discount period to end on a later day.

Policy Implications

Section 130 of the *Local Government Regulation 2012* deals with the discount for prompt payment of rates and charges. While the original discount date was set as part of the budget adoption resolutions, under Section 130(7) Council may by resolution change the discount period to end on a later day. If Council does this, then under Section 130(8) Council must also, by resolution, change the due date for payment to a later day that is no earlier than the new discount day.
