CARRIED 7/0

4.0 DECLARATION OF ANY PRESCRIBED CONFLICTS OF INTERESTS/DECLARABLE CONFLICTS OF INTEREST BY COUNCILLORS

4.1 Declaration of Prescribed Conflict of Interest on any Item of Business

Pursuant to Chapter 5B, Part 2 of the *Local Government Act 2009*, a councillor who has a prescribed conflict of interest in an issue to be considered at a meeting of a local government, or any of its committees must:

- (a) inform the meeting of the prescribed conflict of interest in the matter, including the following about the interest
 - i. if it arises because of a gift, loan or contract, the value of the gift, loan or contract
 - ii. if it arises because of an application or submission, the subject of the application or submission
 - iii. the name of any entity other than the councillor that has an interest in the matter
 - iv. the nature of the councillor's relationship with the entity that has an interest in a matter
 - v. details of the councillor's and any other entity's interest in the matter; and
- (b) leave the meeting room, including any area set aside for the public, and stay out of the meeting room while the matter is being discussed and voted on unless the subject councillor has written notice from the Minister to participate in the matter.

4.2 Declaration of Declarable Conflict of Interest on any Item of Business

Pursuant to Chapter 5B, Part 3 of the *Local Government Act 2009*, a councillor who has a declarable conflict of interest in a matter to be considered at a meeting of the local government or any of its committees must inform the meeting about the personal interest in the matter, including the following particulars about the interests:

- (a) the nature of the interests
- (b) if it arises because of the councillor's relationship with a related party:
 - i. the name of the related party to the councillor
 - ii. the nature of the relationship of the related party to the councillor
 - iii. the nature of the related party's interest in the matter
- (c) if it arises because of a gift or loan from another person to the councillor or a related party:
 - i. the name of the other person
 - ii. the nature of the relationship of the other person to the councillor or related party
 - iii. the nature of the other person's interest in the matter
 - iv. the value of the gift or loan and the date the gift or loan was made.
- (d) how the councillor intends to handle the matter i.e. leave the meeting or proposes to stay in a meeting.

No Prescribed or Declarable Conflicts of Interest were declared by Councillors.

Apologies: Cr Janice Holstein, Adrian Nolan, Jim Hill, Russell Tattam, Tracy Vellacott, Lisette New-Sippel Meeting opened: 1.32pm

	Agenda Item	Discussion/Actions	Action By
1.	Open Day – Postponed	The Open Day has been postponed until 18 September due to the COVID 19 lockdown. Ticket holders have been notified and contacted regarding the change of date. All social media has been updated.	
2.	Donations	With regards to the offers of donations from John Winter, John Beckett and Louise Flewellen it was decided that these people should be asked to provide the items to Lisette. Members of the Committee will the review the items and make recommendations as to whether the QTM should accept them.	
		Clive Barton mentioned that there was a complete set of books at the QTM that are not displayed, and these could be given to the Library. Annette is to make enquiries with the Library as to whether they would be interested in the scrapbook collection. Annette advised the Committee that the Library has its own processes with regards to acquiring and deaccessioning items and the Committee should be aware that in time the Library may decide to cull the items.	
		With regards to the offer by Bernie Clifton to donate artwork to the QTM, the Committee was unsure whether Mr Clifton would be advertising his work in the QTM. As Mr Clifton's work is similar to Rob Clarke's, which is currently displayed in the QTM, concerns were raised whether Mr Clarke was also advertising and whether there was any arrangement with Mr Clarke. It is considered that there should be consistency.	
		Chayne is to clarify whether there is an arrangement with Mr Clark, and contact Mr Clifton to clarify whether it is his intention to advertise in the QTM, and if so, whether he is proposing to pay to advertise. The Committee will again consider his request and whether to negotiate a price for advertising.	

3.	Social Media	Chayne advised that she has been posting more regularly – every second day. Chayne requested ideas and content for posts.
		The Mayor suggested short videos of 'local champions' and transport identities and suggested Alice Johnson could assist with this. Cr Cook suggested trucking personalities could record their memories, and Cr Wilson suggested interviewing people just after they have visited the QTM. It was suggested this could be done at the Open Day.
		The Mayor raised that the rescheduling of the QTM Open Day only appeared on the Council's Facebook page on 9 July 2021. Chayne explained that arrangements were made to cancel/update social and print media, but unfortunately the information did not appear on the Council's site until 9 July.
		Chayne advised that Facebook advertising is used to promote the QTM.
4.	Statistics & Financials	 Chayne provided statistics for Facebook and Instagram for June 2021. QTM Paid Promotion (\$25) - 4 June - 309 Link Clicks / 4780 reach Military Display Paid Promotion (\$70) - 11 June - 889 Link Clicks / 12612 reach QTM Open Day Event Paid Promotion (\$61.12 - paused) - 21 June 46 Link Clicks / 3157 reach
		Graham McVean asked whether statistics are kept regarding the percentage of visitors from outside the region. Chayne advised that most visitors are from out of region.
5.	General Business	 Graham McVean stated that it was important that the display changes regularly to attract visitors. He noted that many visitors are looking for an interactive experience. He mentioned a Holocaust museum in Chicago that has a display using holograms of survivors telling their stories. Graham suggested grants or sponsorship could be used to fund something similar at the QTM.
		 Chayne stated that there needs to be forward planning of displays so publicity around new exhibitions can be scheduled.
		 Clive Barton asked about John Schollick joining the Committee. The Mayor suggested that as there was already a large number of people on the Committee, John Schollick would be welcome to volunteer at the QTM. The Committee could also approach him if his expertise is needed.
		 Chayne noted that the Triple M breakfast show will be broadcast from the region in early August and that the QTM is on their itinerary.
		 Graham McVean mentioned that they are looking to do another hall of fame event early in 2023.
		 Annette mentioned that she is working on a draft Terms of Reference and Collection Policy for the Committee. The Collections Policy is largely

		established. These draft documents will be provided to the Committee for input prior to being presented to Council for adoption.	
		Noah mentioned that social media posts could include photographs with information and history of the item.	
	Next Meeting	Thursday, 21 October 2021 at 4pm	
6.	Next Meeting	Lockyer Valley Regional Council Chambers.	
7.	Meeting Closed	2.26pm	

8.2 Receipt of the Minutes of the Lake Apex Community Advisory Committee

Meeting - 28 July 2021

Date: 10 August 2021

Author: Sara Rozynski, Personal Assistant to the Group Manager Infrastructure

Responsible Officer: John Keen, Acting Group Manager Infrastructure

Officer's Recommendation:

THAT the unconfirmed minutes of the Lake Apex Community Advisory Committee meeting held on 28 July 2021, as attached, be received and noted.

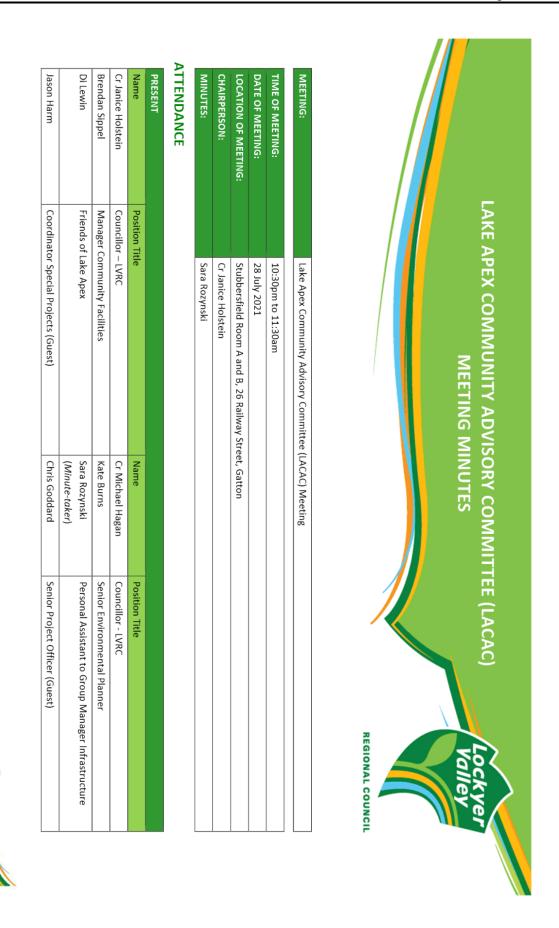

RESOLUTION

THAT Council receive and note the unconfirmed minutes of the Lake Apex Community Advisory Committee meeting held on 28 July 2021, as attached to these minutes.

10.0 EXECUTIVE OFFICE REPORTS

10.1 Summary of Council Actual Financial Performance vs Budget - 31 July 2021

Date: 11 August 2021

Author: Dee Stewart, Senior Financial Accountant
Responsible Officer: Ian Church, Chief Executive Officer

Purpose:

The purpose of this report is to provide Council with an update of Council's financial performance against budget for the financial year to 31 July 2021.

Officer's Recommendation:

THAT Council receive and note the Interim Summary of Council Actual Financial Performance versus Budget to 31 July 2021.

RESOLUTION

THAT Council receive and note the Interim Summary of Council Actual Financial Performance versus Budget to 31 July 2021, as attached to these minutes.

Moved By: Cr Wilson Seconded By: Cr Cook

Resolution Number: 20-24/0389

CARRIED 7/0

Executive Summary

In accordance with Section 204 of the *Local Government Regulation 2012*, a financial report summarising the progress of Council's actual performance against budget is to be presented to Council. This report provides an interim summary of Council's financial performance against budget for the financial year to 31 July 2021.

At 31 July 2021, revenues are slightly over target and expenditures are slightly under target. Any variations are a result of timing differences and at this stage of the financial year are not of concern. Adjustments to the budget for timing issues will commence from August.

The amounts shown in the report relating to the Statement of Financial Position are subject to change as end of year processes are finalised and the 2020-21 audit completed.

Proposal

Overview

Monthly reporting of Council's financial performance is a legislative requirement and reinforces sound financial management practices throughout the organisation. The following report provides a summary of Council's financial performance against budget to 31 July 2021.

Operating Revenue - Year to date target \$0.55 million actual \$0.79 million or 144.72%

At 31 July 2021, overall operating revenue for the year to date is slightly above target.

Fees and Charges over budget by \$0.19 million

The favourable variances in fees and charges relates predominately to higher than expected income from development fees \$0.09 million and higher than expected income from plumbing and building fees.

Operating Expenditure - Year to date target \$5.57 million Actual \$5.45 million or 97.84%

At 31 July 2021, overall operating expenditure for the year is under budget by \$0.12 million with variations a result of timing differences and at this stage of the financial year are not of concern.

Capital Revenue – Year to date target \$0.53 million Actual \$0.53 million or 100.00%

Capital Project Expenditure – Year to date target \$0.62 million Actual \$0.41 million or 67.19%

At 31 July 2021, Council has expended \$0.41 million on its capital works program with a further \$4.09 million in committed costs for works currently in progress. The later than usual budget adoption has slightly delayed the capital works expenditure, and work is required over the coming month to revise the timing of budget to align to the program of works to be delivered. Upon completion of the 2020-21 audit process, a report will be presented to Council to amend the 2021-22 Budget to include requested carry-forward balances for capital work in progress at 30 June. This will increase the capital budget for the year.

The main expenditure is \$0.41 million within Infrastructure Group with a significant amount being capital expenditure on the renewal and upgrade of roads.

Additional detail is provided in the capital works program within the attachment.

Statement of Financial Position

The Statement of Financial Position provides information on the breakdown of Council's assets and liabilities at a point in time. At 31 July 2021, Council had \$38.65 million in current assets compared to \$17.52 million in current liabilities with a ratio of 2.21:1. This means that for every dollar of current liability, there is \$2.21 in assets to cover it.

The opening balances for the year will change as the 2020-21 audit is finalised in the middle of September.

Statement of Cash Flows

The Statement of Cash Flows provides information on the amount of cash coming in and going out. As at 31 July 2021, there has been a net cash outflow of \$1.74 million with \$2.32 million outflow from operating activities; and a net cash inflow of \$0.58 million from investing activities including capital revenue and expenditure.

The Statement of Cash Flows is important as it shows the real movement in Council's cash balances, as opposed to the accounting movements shown in the Statement of Income and Expenditure. To maintain adequate working capital, it is estimated that Council needs around \$11.00 million cash at any one time. As at 31 July, Council's cash balance was \$32.61 million. Unexpended grant funds which is restricted to be spent in accordance with the terms of the grant is at \$4.94 million.

Option 1

THAT Council receive and note the Summary of Council Actual Financial Performance versus Budget to 31 July 2021.

Or

Option 2

THAT Council do not receive the Summary of Council Actual Financial Performance versus Budget to 31 July 2021.

Previous Council Resolutions

Nil

Critical Dates

Nil

Strategic Implications

Corporate Plan

Leadership and Council

Outcome:

- 5.1 Undertake robust and accountable financial, resource and infrastructure planning and management to ensure affordable and sustainable outcomes for our community.
 - 5.7 Compliant with relevant legislation

Finance and Resource

Monitoring of budgets and actuals will remain important if Council is to achieve the financial results adopted as part of the 2021-22 Budget, with any variations or anomalies to be investigated and action taken as appropriate. Financial impacts in relation to economic impacts because of the COVID-19 health pandemic will be monitored and reported to Council as information becomes available.

It is anticipated that 2020-21 carry-over works will be presented to Council through the formal budget review process, to be prepared at the end of the September quarter to take into consideration any significant variances and to reset Council's long term financial forecast to reflect the 2021 actual result. This report will be presented to Council in October 2021.

Legislation and Policy

In accordance with section 204 of the *Local Government Regulation 2012*, a financial report summarising the progress of Council's actual performance against budgeted performance is to be provided to Council.

10.2 Black Summer Bushfire Recovery Grants Program

Author: Jodi Marchant, Chief Financial Officer **Responsible Officer:** Ian Church, Chief Executive Officer

Purpose:

The purpose of this report is to seek Council's endorsement of the list of projects submitted towards the Black Summer Bushfire Recovery (BSBR) grant program.

Officer's Recommendation:

THAT Council endorse the application for the following projects to be submitted under the Black Summer Bushfire Recovery Grants Program –

- Bushfire Resilience and Protection Investment Program
- Our Community Resilience Program
- Rural Safer Places Upgrades
- Bushfire Resilient Integrated Land Management

RESOLUTION

THAT Council endorse applications for the following projects being submitted under the Black Summer Bushfire Recovery Grants Program:

- Bushfire Resilience and Protection Investment Program
- Our Community Resilience Program
- Rural Safer Places Upgrades
- Bushfire Resilient Integrated Land Management

Moved By: Cr Hagan Seconded By: Cr Wilson

Resolution Number: 20-24/0390

CARRIED 7/0

Executive Summary

The Australian Government has committed \$276 million under the BSBR grant program to support communities impacted by the 2019-20 bushfires.

Lockyer Valley has been allocated \$4.5 million within a 'funding envelope'. A funding envelope is an indicative allotment, Council could receive more or less funding depending on the quality of their submissions.

An application with four projects is proposed to be submitted by Council for this funding, with an overview of the proposed projects included within this agenda.

Proposal

Lockyer Valley has been allocated \$4.5 million within a 'funding envelope' under the Australian Governments BSBR grant program.

The objectives of the grant opportunity are to:

- Support recovery and resilience of communities impacted by the 2019-20 bushfires, and
- Build stronger communities by supporting social, economic and built environment recovery.

The intended outcomes of the grant opportunity are to:

- Empower local communities to address bushfire recovery priorities, including through creation of jobs, sustainable infrastructure and community investment targeted at the specific needs of the community, and
- Rebuild and grow the economy of the local communities impacted by the bushfires.

Council's Grants Officer discussed concepts with the administering entity of BSBR, who provided the following:

- You cannot use the grant for repair or replacement of existing infrastructure where there is no demonstrated significant increase in benefit to the community.
- Environmental focused projects are ineligible, they have been funded under other Federal grants.

In assessment of the funding opportunity and interpretation of the guidelines, Officers conducted an across Council consultation and present the below list of nominated priority projects for submission under the funding stream:

Project	Description	Estimated
		Project Cost
Bushfire Resilience and Protection Investment Program	A schedule of works has been prepared that will future proof and increase resilience of infrastructure leading to and within the bushfire affected area. The program of works will see improvements to the unsealed local road network such as gravelling and improvements to drainage structures. Once works are completed the built infrastructure will allow safer access and egress for the community to and from known areas of concern.	\$5,000,000
Our Community Resilience Program	Through the employment of a consultant, the resilience program aims to build on the work already being undertaken in the disaster management space, this includes building cooperative networks and fostering collaborative approaches that strengthen community resilience. The resilience program will also undertake work on the local disaster management plan which will align key strategic plans across all levels of government and identify principles and priority areas to guide the focus of resilience activities.	\$310,000
Rural Safer Places Upgrades	This project focuses on upgrading community infrastructure in particular community halls which are used as evacuations centres and emergency accommodation during and after disaster events. Works completed will bring the halls up to a	\$1,500,000

Project	Description	Estimated
		Project Cost
	compliant and appropriate operational level which will create	
	further resilience in future disaster events.	
Bushfire resilient Integrated land management	A key focus for this project will be to reduce the risk of catastrophic bushfires by applying preventative land management actions on specific Council owned parcels. This will be conducted through a cycle of cultural burns working with first nations people, which will demonstrate the benefits to other landholders in the region. In conjunction with this program, a Nature Based Recreation and Tourism plan will be developed supporting Council's strategic goals and the economic recovery of the region following the bushfires.	\$680,000

Options

Council to endorse the list of projects towards the Black Summer Bushfire Recovery Grants Program.

Previous Council Resolutions

N/A

Critical Dates:

The application submission is due to the funding body on 2 September 2021.

Strategic Implications

Corporate Plan

LOCKYER COMMUNITY

1.1 Council optimises the use of its open spaces and facilities by improving access to and the quality of the facilities for individuals and groups for cultural, recreational and community activities.

LOCKYER PLANNED

4.2 Provision of fit-for-purpose infrastructure which meets the current and future needs of the region.

Finance and Resource

Applicants for this funding are not expected to make a financial contribution towards the eligible project costs. All projects have been submitted as 100% funding requests totalling \$7,490,000. There is no financial contribution identified towards the projects by Council, however the use of internal resources will be required to deliver the projects should they be successful. Not all internal resource allocations required to deliver the projects are eligible to be funded by the grant program and are defined within the guidelines.

There is the possibility that the funding body will decide to fund a reduced percentage of the requested project costs. All projects are scalable depending on the amount of funding provided. Alternatively, Council are able to make a decision to fund the difference.

11.0 PEOPLE & BUSINESS PERFORMANCE REPORTS

11.1 Application for Lease Renewal of Term Lease 0/236372 being Lot 178 on CP

CC1773

Author: Julie Lyons, Property Officer

Responsible Officer: Craig Drew, Acting Group Manager People & Business Performance

Purpose:

IJ & MJ Thorne Pty Ltd currently lease land described as Lot 178 on CP CC1773 under TL 0/236372 for agricultural purposes. The Department of Resources has received an application for renewal of the lease from the Lessee. The purpose of this Report is for Council to consider this request and advise any views or requirements which should be considered in assessing the application.

Officer's Recommendation:

THAT with respect to the email correspondence dated 22 July 2021 from the Department of Resources in respect of an Application for Renewal of Term Lease 0/236372 over Lot 178 on CP CC1773, Council resolves to advise the Department of Resources Council has no objection to the Renewal of Term Lease 0/236372.

RESOLUTION

THAT with respect to the email correspondence dated 22 July 2021 from the Department of Resources in respect of an Application for Renewal of Term Lease 0/236372 over Lot 178 on CP CC1773, Council resolve to advise the Department of Resources Council has no objection to the Renewal of Term Lease 0/236372.

Moved By: Cr Hagan Seconded By: Cr Qualischefski

Resolution Number: 20-24/0391

CARRIED 7/0

Executive Summary

The Department of Resources (**Department**) has received an Application for Renewal of Term Lease 0/23.6372 from the Lessee. The purpose of this Report is for Council to provide its views and/or requirements in relation to this application.

Proposal

Term Lease 0/236372 covers Lot 178 on CP CC1773 which is situated at 29 Lockrose Road, Lockrose (Land) and Land details are:

Area 3.2217 Ha

Tenure State Lands Lease

Zoning Open Space and Reserves

TLPI 2020 applies

Yes

An Aerial Plan showing the Land is Attachment 1 to this Report.

The Lessee has leased the Land for agricultural purposes since 4 December 2012 and the lease is due to expire on 3 December 2022.

Council has been requested to advise of any views and requirements the Department should consider when assessing the Application. The factors to consider are set out in Section 159 of the *Land Act 1994* and relevantly to Council, include:

- 1. whether conversion to freehold will adversely affect the public interest;
- 2. whether the land is needed for environmental or nature conservation purposes;
- 3. the condition of the leased land:
- 4. the extent to which the lease land suffers from, or is at risk of, land degradation;
- 5. whether the land has a more appropriate use from a land planning perspective;
- 6. whether the land is needed for a public purpose.

Options

Option 1 Council doesn't object to the renewal of Term Lease 0/236372

Option 2 Council objects to the renewal of Term Lease 0/236372 and provides reasons

Previous Council Resolutions

Nil

Critical Dates

Council is to provide its views by close of business on 19 August 2021.

If no reply is received by the due date it will be considered Council has no objections or requirements in relation to this matter.

Strategic Implications

Corporate Plan

Lockyer Leadership and Council

5.7 Compliant with relevant legislation

Legislation and Policy

If the application for the renewal of the lease is approved, it is likely to continue on the same conditions. The current lease conditions include an indemnity in favour of Council for any claims relating to the Lessee's use and occupation of the land except to the extent the claim arises as a result of the negligence of Council.

Consultation

Internal Consultation

11.2 Future Management of Lot 501 on RP 893659 and Lot 607 on RP 894961

Author: Julie Lyons, Property Officer

Responsible Officer: Craig Drew, Acting Group Manager People & Business Performance

Purpose:

The purpose of this Report is to inform Council of the risks associated with the maintenance of land situated at Victor Court, Plainland and identify options to manage these risks and inform future land management actions.

Officer's Recommendation:

THAT Council resolve to delegate authority to the Chief Executive Officer to engage an appropriately qualified environmental consultant to establish site conditions and undertake contamination testing on Lot 501 on RP893659 and Lot 607 on RP894961 to inform future land management actions.

RESOLUTION

THAT Council resolve to delegate authority to the Chief Executive Officer to engage an appropriately qualified environmental consultant to establish site conditions and undertake contamination testing on Lot 501 on RP893659 and Lot 607 on RP894961 to inform future land management actions.

Moved By: Cr Cook Seconded By: Cr Hagan

Resolution Number: 20-24/0392

CARRIED 7/0

Executive Summary

The purpose of this Report is to inform Council of the risks associated with the maintenance of land situated at Victor Court, Plainland described as Lot 501 on RP 893659 and Lot 607 on RP 894961 (Land) and identify options to manage these risks and inform future land management actions.

Proposal

On 31 August 2020 Council received a complaint about the Land being overgrown and requesting it be mowed. At that time, it was not considered that slashing was a practical option and the prospect of a controlled burn was discussed at the Lockyer Valley Bushfire Subcommittee Meeting on 1 October 2020. Council and the Rural Fire Service (RFS) agreed to conduct a joint inspection which occurred on 8 October 2020. At this time, the RFS officer advised that he would organise a controlled burn and advise of an appropriate date for this to occur. It was also agreed that consultation would occur with local residents prior to the burn being undertaken and a Council officer would be present during the burn.

Follow ups occurred with RFS who advised that the burn had been postponed due to wet weather. In January 2021, when Council officers again followed up with RFS they were advised that the burn would not be

proceeding. At this time there were a number of internal organisational changes within the RFS and it was thought that the RFS had adopted a different approach to organising and conducting controlled burns.

When this matter was raised at the Lockyer Valley Bushfire Sub Committee Meeting on 5 May 2021, the Queensland Fire and Emergency Services (QFES) advised they had undertaken a further inspection of the Land and due to the presence of an old cattle dip, QFES has flagged the Land as a no go zone due to the chemical and smoke risk and advised they will not conduct a controlled burn on the Land. QFES advised Council to look at other mechanical mitigation strategies to reduce the fuel load on the Land.

The Mayor also requested this matter be brought to Council's attention at a future Council Meeting. In light of the concerns raised by QFES, further investigation into the historical use of the Land has been conducted and the findings are set out below.

The Land details are:

Total Area 6727.53 m²

Tenure Freehold as Trustee (for town planning purposes for the

inhabitants of the Laidley Shire from time to time)

Zoning Rural Residential Flood Risk Investigation Area

High Hazard

Medium Hazard

Low Hazard

Investigation Area

Contaminated Land

TLPI 2020 applies

Yes

An Aerial Plan showing the Land is **Attachment 1** to this Report.

The Land is listed on the Environmental Management Register (EMR) due to it being the subject of a livestock dip or spray race which is a Notifiable Activity or Hazardous Contaminant.

Investigations show the Land was capped in 1996 by Sunwest Properties to manage contamination when developing the surrounding land for a rural residential subdivision. The Land was then transferred to Laidley

Shire Council for Council to take over the long term maintenance and to hold in trust for town planning purposes for the inhabitants of the Laidley Shire from time to time.

The capping is now nearly 30 years old and it is unknown whether the capping remains effective. Also, as the Land has been capped but not remediated, any disturbance of the topography could increase the risk of contamination to surrounding land.

To better understand the contamination risk and make an informed decision on future land management actions, it is recommended that Council engage an appropriately qualified environmental consultant to establish site conditions and undertake contamination testing. The consultant would also be able to give advice on managing overgrown vegetation once they have tested the soil and looked at the site. Approximate costs to establish site conditions (around 15 testing points) and to provide a basic testing result report would be \$7,000.00 to \$10,000.00. The basic testing result report will determine if the capping remains effective or whether there is need for further contamination investigation of the Land.

It is also an option for Council to seek quotes to fully remediate the Land with a view to selling it for its highest and best use, likely being residential purposes, in future. This would remove any ongoing maintenance costs and enable some of the remediation costs to be recovered.

Options

Option 1	Engage an environmental consultant to establish site conditions, undertake contamination
	testing and provide a basic testing result report

Option 2 Seek quotes to fully remediate the Land and remove it from the Environmental Management Register

Option 3 Take no action

Strategic Implications

Corporate Plan

Lockyer Leadership and Council 5.7 – Compliant with relevant legislation

Finance and Resource

The costs associated with Option 1 are estimated to be in the range of \$7000-\$10,000. This expense could be managed within existing budget allocations to the Governance and Property team for property management.

Legislation and Policy

Council has competing statutory obligations to manage the Land and to prevent any contamination occurring to adjoining land.

Risk Management

Possible risks identified include:

- disturbance to the surface of the land increases the potential for contaminants to spread to adjoining land; and
- fire risk due to the Land being overgrown.

Consultation

Portfolio Councillor Consultation

Mayor Milligan and Councillor Holstein have attended the Lockyer Valley Bushfire Subcommittee Meetings where this matter has been discussed. This report is being presented in accordance with the direction provided by Mayor Milligan at the 5 May 2021 meeting.

11.3 Request for disposal of Lot 900 on SP 297197 to adjoining landowner

Author: Julie Lyons, Property Officer

Responsible Officer: Craig Drew, Acting Group Manager People & Business Performance

Purpose:

The purpose of this Report is to enable Council to consider a request by an adjoining landowner to purchase Lot 900 on SP 297197 situated at Warrego Highway, Hatton Vale and meet Council's statutory obligations for disposal of the land.

Officer's Recommendation:

THAT Council resolves to apply the exception in Section 236(1)(c)(iv) to disposal of the land described as Lot 900 on SP297197 to an adjoining landowner,

And further;

THAT Council resolves to delegate authority to the Chief Executive Officer to do all things necessary to negotiate terms and effect the disposal of the land to an adjoining owner.

RESOLUTION

THAT Council resolve to apply the exception in Section 236(1)(c)(iv) to disposal of land described as Lot 900 on SP297197 to an adjoining landowner.

And further;

THAT Council resolve to delegate authority to the Chief Executive Officer to do all things necessary to negotiate terms and effect the disposal of the land to an adjoining owner.

Moved By: Cr Wilson Seconded By: Cr Vela

Resolution Number: 20-24/0393

CARRIED 7/0

Executive Summary

The purpose of this Report is to enable Council to consider a request by an adjoining landowner to purchase Lot 900 on SP 297197 situated at Warrego Highway, Hatton Vale (**Land**) and meet Council's statutory obligations for disposal of the land.

Proposal

On 31 May 2021 email correspondence was received from the owners of Lot 12 on SP 297197 (adjoining landowners) advising Council that members of the public have been riding quad bikes within the Land and have removed part of the fence to gain access. They are concerned that this is disturbing the wildlife on the Land, noting that they have observed many frog species and turtles enjoying the wetland and wallabies and kangaroos grazing the Land. They have also indicated that since the quad bike riding they have found crushed turtle shells on the Land and noted less wildlife.

The adjoining landowners advised they maintain the Land in order to allow the flow of water from the drainage easement on their land. They are concerned that in the warmer months the Land could become a bush fire hazard if the quad bike riding continues and have advised they will not continue to upkeep the area if the quad bike riding continues. They have also advised the quad bike riding is causing erosion and damaging the soil and vegetation on the Land.

The adjoining landowners have proposed the following options to address their concerns:

- 1. Council sells the Land to them.
- 2. Council leases the Land to them and they will reinstate the northern boundary fence, repair all other boundary fences and upkeep the area for the term of the lease.
- 3. Council reinstate the removed fence along the northern boundary and the adjoining landowners continue the upkeep of the area to ensure the water flow continues.
- 4. Council reinstates the fence and upkeeps the area on a regular basis.

The Land details are:

Area 6599m²
Tenure Freehold

Zoning Rural Residential

Flood Risk Nil

High Hazard

Medium Hazard

Low Hazard

Investigation Area

TLPI 2020 applies

No

An aerial plan showing the Land is **Attachment 1** to this Report.

Investigations show the Land was transferred to Council in 2018 for park purposes when the surrounding area was being developed by QM Properties. Consultation with internal stakeholders indicates that the Land is not required for park purposes and serves more as a drainage path.

Before disposing of the Land to the adjoining landowners Council is required to contact the other owners of adjoining land to see if they have any interest in purchasing the Land. If there is other interest Council may need to consider a tender process.

Options

Option 1 Sale of the Land to an adjoining landowner.

Option 2 Lease of the Land to an adjoining landowner.

Option 3 Council reinstate the removed fence along the northern boundary and the adjoining

landowners continue the upkeep of the area to ensure the water flow continues.

Option 4 Council reinstates the fence and upkeeps the area on a regular basis.

As the Land is surplus to Council needs, Option 1 is recommended subject to Council registering a drainage easement over the Land prior to sale. This will enable an adjoining owner to have control and responsibility for the Land (subject to the terms of the easement) and prevent future unlawful access from occurring.

Previous Council Resolutions

This matter has not previously been considered by Council.

Strategic Implications

Corporate Plan

Lockyer Leadership and Council

5.7 Compliant with relevant legislation

Finance and Resource

Option 1 will enable Council to obtain revenue and transfer primary responsibility for the management and maintenance of the Land to an adjoining owner.

Council will be responsible for the costs involved with registering a drainage easement and covenants over the Land prior to sale. These costs are expected to be approximately \$600 to cover Titles registration fees, based on the easement and covenants covering the whole lot and survey costs not being incurred. There will be no preparation costs as the Property Officer will attend to this internally.

A market valuation will be required to be obtained by Council at an approximate cost of \$1,500.00 to meet the requirement for the purchase price to be equal to or more than the market value of the Land. This will only be obtained once the new drainage easement in favour of Council has been registered.

Legislation and Policy

If Council adopts Options 1 or 2, it must resolve to apply the exception from tendering in Section 236(1)(c)(iv) Local Government Regulation 2012 before disposing of the land to an adjoining landowner. Council may only dispose land to an adjoining landowner if there is not another person who owns other adjoining land who wishes to acquire the land. The sale price must also be equal to, or more than, the market value of the Land.

As the Land does accept overland flow from drainage easements over the adjoining Land, if Council resolves to adopt Option 1, it is proposed that a drainage easement would be registered over the Land before it is sold.

This will impact the market value of the Land but does protect the current use of the Land for drainage purposes without increased risk to Council.

There is a noise covenant over the adjoining owner's land to manage road traffic noise which restricts building any habitable dwelling within the covenant area. It is proposed that a similar covenant would also be registered over the Land prior to it being sold. Additionally, the sale is proposed to be made subject to a condition that requires the Land to either be amalgamated with the adjoining owner's land or be subject to a new covenant that requires both lots to remain in the same ownership at all times.

Risk Management

Key Corporate Risk Code and Category: LCL1 Legal Compliance and Liability

Key Corporate Risk Descriptor: Compliance management – regulatory or contract compliance,

litigation, liability and prosecution

Consultation

Internal Consultation

The following teams have been consulted in the preparation of this report:

- ✓ Growth and Policy
- ✓ Development Assessment
- ✓ Community Wellbeing
- ✓ Finance
- ✓ Community Facilities
- ✓ Technical Services

All internal stakeholders consulted in the preparation of this report consider the sale of the Land to the adjoining landowner to be a good outcome. Council has previously slashed the Land and a sale would remove responsibility for ongoing maintenance, subject to the easement terms.

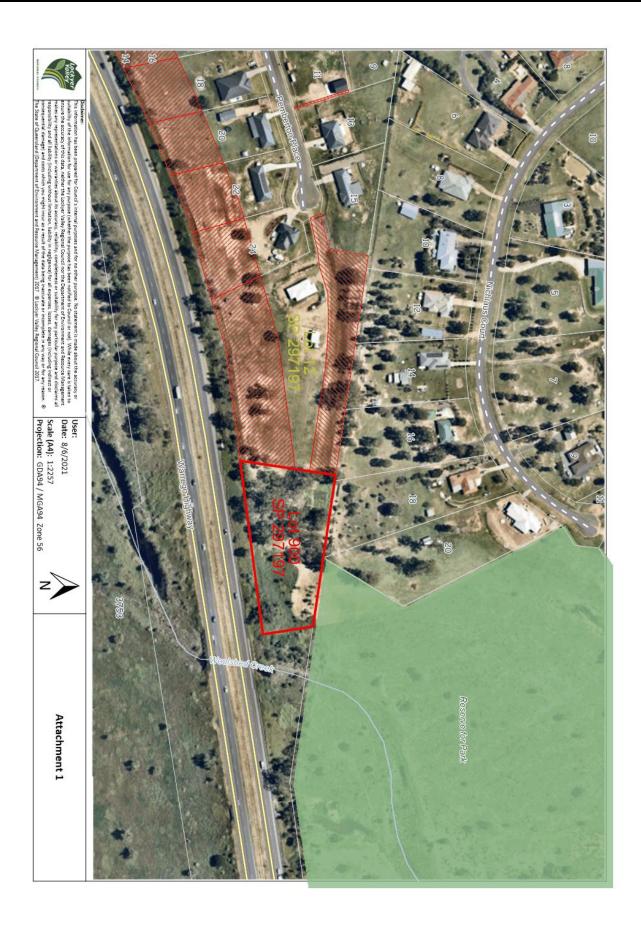

There are no environmental conditions over the Land, although the area is known to have soils with dispersive and erosive characteristics, therefore disturbing and exposing soil would cause erosion and damage to vegetation.

There has been some tree planting on the Land in the past and the Land does contain some mature blue gums. However, there is no intention for the Land to be maintained by Council for conservation purposes as it is considered to be too small and isolated to serve any significant conservation benefit.

There are no planning reasons for Council to retain the Land. However, it is recommended that the stormwater easements and noise covenants in place for the wider development should be extended over the Land. These can be prepared internally and should be put in place prior to any sale occurring. It is also recommended that the Land be required to be amalgamated with the adjoining owner's land.

12.0 COMMUNITY & REGIONAL PROSPERITY REPORTS

12.1 Australia Day Awards Policy and Selection Committee Terms of Reference

Author: Annette Doherty, Manager Community Activation

Responsible Officer: Amanda Pugh, Group Manager Community & Regional Prosperity

Purpose:

This report presents the Australia Day Awards Policy and Terms of Reference for the Australia Day Awards Selection Committee for Council's adoption.

Officer's Recommendation:

THAT Council adopt the Australia Day Awards Policy and the Australia Day Awards Selection Committee Terms of Reference, as attached.

RESOLUTION

THAT Council adopt the Australia Day Awards Policy and the Australia Day Awards Selection Committee Terms of Reference, as attached to these minutes.

Moved By: Cr Qualischefski Seconded By: Cr Hagan

Resolution Number: 20-24/0394

CARRIED 7/0

Executive Summary

Following a review of the Australia Day awards categories, an Australia Day Awards Policy and Terms of Reference for the Australia Day Awards Selection Committee have been prepared for Council's adoption.

Proposal

The Australia Day Awards recognise the achievements of community members. The recipients of these awards are presented with medallions and/or certificates at a ceremony as part of the Australia Day celebrations on 26 January.

Australia Day Awards Policy

A review of the award categories for the Lockyer Valley Australia Day Awards has recently been undertaken resulting in a reduction from nine to seven award categories. The seven awards categories are:

- Citizen of the Year Nominees must reside in the region and be aged 31 years or older.
- Young Citizen of the Year Nominees must reside in the region and be aged 30 years or younger.

- **Senior Sportsperson of the Year** Nominees must be aged 18 years or older, but need not reside in the region.
- Junior Sportsperson of the Year Nominees must reside in the region and be aged 17 years or younger.
- Event of the Year This may include arts and cultural events, festivals and sporting events.
- **Community Organisation of the Year** This may include arts and cultural organisations, sporting organisations and charitable organisations based in the region.
- **Mayoral Award** This award is given entirely at the discretion of the Mayor and is not reliant on a nomination being made.

Two award categories have been removed being the Arts and Cultural Award and the Volunteer of the Year Award. It was considered that those that would nominate for these categories should be encouraged to nominate for the Citizen of the Year or Event of the Year (if an arts and cultural event).

Changes have been made to the Senior Sportspersons award, with the minimum age for this category being lowered to 18 years of age, and it no longer being a requirement for these nominees to be a resident of the Lockyer Valley Region. However, those nominees who do not currently reside in the region must have spent a significant amount of time participating in junior sport in the region.

An Australia Day Awards Policy has been prepared to reflect the new award categories and is attached to this report.

Australia Day Awards Selection Committee Terms of Reference

The process for selecting award recipients was amended in 2021 with an Australia Day Awards Committee ('the Committee') being appointed comprising the Mayor (as Chair), the Deputy Mayor, the Community Portfolio Councillor, the Community Activation Officer, and the Managers of the Lockyer and Laidley Community Centres.

The Committee was established in response to amendments to the *Local Government Regulation 2012* which meant Council could no longer close a meeting for the purpose of deciding the Australia Day Awards.

Terms of Reference were prepared and adopted for the Committee, however they only applied for the 2021 Australia Day Awards.

An updated version of the Terms of Reference which will apply to future awards has been prepared and is attached to this report. These Terms of Reference are very similar to those used for the 2021 awards, except for the addition of the following section:

4.4 Consideration of Nominations

If the Committee deems there to be a more appropriate category than that proposed in a nomination, the Committee may consider the nomination under the more appropriate category.

If a nominee does not receive an award, but the Committee considers them to be commendable, the Committee may decide that the nomination is to be carried forward and considered for the next year's awards.

Options

1. Council adopts the Australia Day Awards Policy and the Australia Day Awards Selection Committee Terms of Reference as attached.

- 2. Council adopts the Australia Day Awards Policy and the Australia Day Awards Selection Committee Terms of Reference, but with changes.
- 3. Council does not adopt the Australia Day Awards Policy and the Australia Day Awards Selection Committee Terms of Reference.

Previous Council Resolutions

At the Ordinary Meeting on 16 December 2020, Council resolved to establish an Australia Day Awards Committee to decide the recipients of the 2021 Australia Day Awards comprising of the Mayor (Chair), the Deputy Mayor, the Community Portfolio Councillor and the Community Activation Officer, and to invite the Managers of the Laidley Community Centre and Gatton Community Centre to be members of the Committee. (Resolution 20-24/0211)

Critical Dates

As the nomination period for the Australia Day Awards usually closes in November, it is considered advantageous to be able to open for nominations as soon as possible.

Strategic Implications

Corporate Plan

Lockyer Community - 1.5 Events and activities that bring together and support greater connectivity in the community.

Finance and Resource

There are no financial or resource implications outside those included in the current budget.

Legislation and Policy

This report proposes a new Australia Day Awards Policy and Australia Day Awards Selection Committee Terms of Reference.

Risk Management

Environment and Community (EC1) - Environment and the community, including sustainable development, social and community wellbeing, community relationships, public health, recreation, regional profile and identity

Consultation

Councillor Consultation

The award categories, and the criteria for each of these categories, have been discussed with Councillors.

Internal Consultation

This matter has been discussed with Council's Community Activation Officer, and Coordinator Governance and Property.

Award Categories

Awards may be bestowed for the following categories.

Category	Criteria
Citizen of the Year	Recognises the outstanding contribution, achievement and/or leadership by an
	individual over the preceding year or over numerous years, providing a positive role
	model for others.
	Nominees must reside in the Lockyer Valley region and be aged over 31 years or older
	on 26 January.
Young Citizen of the	Recognises contribution, achievement and/or leadership by an individual over the
Year	preceding year or over numerous years, providing a positive role model for others.
	Nominees must reside in the Lockyer Valley region and be aged 30 years or younger
	on 26 January.
Senior Sportsperson of	Recognises an individual for their sporting achievements during the preceding year.
the Year	Nominees need not reside in the Lockyer Valley region. Nominees who do not
	currently reside in the Lockyer Valley region must have spent a significant amount of
	time in junior sport in the region.
	Nominees must be aged 18 years or older on 26 January.
Junior Sportsperson of	Recognises an individual for their sporting achievements during the preceding year
the Year	and their contribution towards the sporting achievements of the region.
	Nominees must reside in the Lockyer Valley region and be aged 17 years or younger
	on 26 January.
Event of the Year	Recognises an outstanding event held within our region during the preceding year,
	with a demonstrated contribution to the wellbeing of the community. This may
	include arts and cultural events, festivals and sporting events.
Community	Recognises a community organisation that has made an outstanding contribution to
Organisation of the	our community. Community organisation may include arts and cultural organisations,
Year	sporting organisations and charitable organisations.
	The organisation must be based in the Lockyer Valley region.
Mayoral Award	Recognises an outstanding contribution to the Lockyer Valley region in any field. This
	award is given entirely at the discretion of the Mayor and is not reliant on a
	nomination being made.

Nomination Requirements

Nominations must be submitted on Council's electronic nomination form (hardcopy forms are available on request).

Nominations must include details of the nominee's achievements and how they meet the category criteria. The contact details of the nominee must be provided.

An individual or group can be nominated for more than one award category.

Only nominations received prior to the close of the nomination period will be considered.

In the event no nominations are received for a category, Council reserves the right to extend the nomination period.

Group: Community and Regional Prosperity
Unit: Community Activation
Approved: Ordinary Meeting (Resolution Number XX-XX/XXXX)
Date Approved: XX/XX/2021
ECM: 37XXXX

Effective Date: 00/00/2021 Version: 1 Review Date: 00/00/2024 Superseded/Revoked: NA

Page 2 of 3

Following the close of the nomination period, all nominees will be advised in writing that they have been nominated for an award and invited to attend the Australia Day Awards ceremony.

Selection of Award Recipients

Except for the Mayor Awards, the award recipients will be determined by the Australia Day Awards Selection Committee ('the Committee').

All nominations received by the closing date will be considered by the Committee.

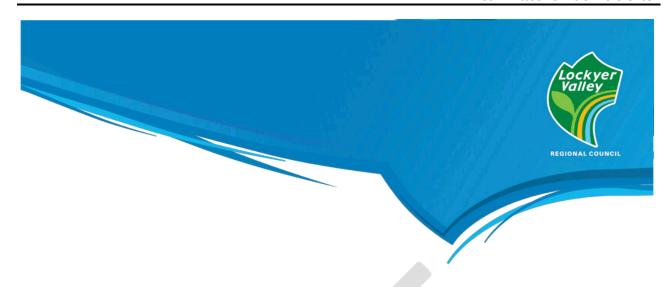

If a nominee does not receive an award, but the Committee considers them to be commendable, the Committee may decide that the nomination is to be carried forward and considered for the next year's awards.

The Committee's decision is final and no correspondence will be entered into about their decision.

6.	Review

1. Purpose

The Australia Day Awards Selection Committee ('the Committee') assesses nominations for Australia Day Awards and determines the recipients of the Australia Day Awards granted by the Lockyer Valley Regional Council.

2. Membership

The Committee will comprise:

- The Mayor (Chairperson)
- Deputy Mayor
- · Community Portfolio Councillor
- Community Activation Officer or Delegate
- · Manager Laidley Community Centre or Delegate
- Manager Lockyer Community Centre or Delegate

3. Role of Members

Each Committee member is to ensure they are fully prepared for all meetings. As a part of this preparation, members are encouraged to engage Councillors not on the Committee to be fully informed of all nominations in preparing for the meeting.

4. Meetings

4.1 Frequency

The meeting frequency of the Australia Day Awards Committee shall be determined by the Committee, but the Committee must meet at least once prior to each Australia Day Awards ceremony to consider nominations and decide award recipients.

4.2 Quorum and Attendance

A quorum will be recognised when four or more members are in attendance. Meeting times and venues can be changed to suit the members (subject to appropriate notice) and encourage maximum attendance. Meeting times and venues will be determined by the Chairperson.

Meetings of the Committee shall not be open to the public, and all proceedings and records of the Committee shall be confidential.

4.3 Guests

Committee members may elect to invite suitable persons to attend Committee meetings to assist in providing advice and relevant information. Prior approval from the Chairperson is required. Guests do not carry any voting rights.

4.4 Consideration of Nominations

If the Committee deems there to be a more appropriate category than that proposed in a nomination, the Committee may consider the nomination under the more appropriate category.

If a nominee does not receive an award, but the Committee considers them to be commendable, the Committee may decide that the nomination is to be carried forward and considered for the next year's awards.

Group: Community and Prosperity

Unit: Community Activation

Approved: Ordinary Meeting (Resolution Number 20-24/XXXXX)

ECM: XXXXXXX

Date Approved: XX/XX/2021

Page 1 of 2

4.5 Voting

It is intended that deliberations will be conducted, and award winners determined by consensus of the

Deliberations requiring a vote shall be put to the members present at the meeting. A decision is considered carried after voting achieves a majority result. In the event where there is not a majority result, then the Chairperson shall have the deciding vote.

4.5

Members of the Committee are expected to attend meetings unless a delegate is able to be nominated (as per section 2 of the Terms of Reference) due to the member being unavailable.

4.6 **Committee Agenda Papers**

Committee members will be provided with information in relation to the nominations received for the deliberations prior to the meeting.

4.7 Media

The Mayor is the official spokesperson for media releases where the matter is of a political, controversial or sensitive nature. Committee members are not to represent the Committee to the media without prior approval of the Mayor.

Confidentiality and Conflicts of Interest 5.

Matters discussed at Committee meetings are confidential.

In the event of a conflict of interest arising for any member of the Committee, the member will disclose the interest and clearly state the nature of the interest at the meeting before the matter is considered. Any member who discloses a conflict of interest in a matter, must leave the meeting and not participate in any discussion relating to that award category.

6. Review

These terms of reference will be reviewed at least every three years.

Effective Date: XX/XX/2021 Version: 1 ECM: XXXXXX

12.2 Invitation to Sponsor the 2022 Colours of the Lockyer Event

Author: Annette Doherty, Manager Community Activation

Responsible Officer: Amanda Pugh, Group Manager Community & Regional Prosperity

Purpose:

The purpose of this report is to seek Council's decision in relation to an invitation to be a major sponsor of the 2022 Colours of the Lockyer event.

Officer's Recommendation:

THAT Council declines the invitation from Spirit of the Valley Inc. to sponsor the 2022 Colours of the Lockyer Event.

RESOLUTION

THAT Council decline the invitation from Spirit of the Valley Inc. to sponsor the 2022 Colours of the Lockyer Event.

Moved By: Cr Wilson Seconded By: Cr Qualischefski

Resolution Number: 20-24/0395

CARRIED 7/0

Executive Summary

Since 2018 Spirit of the Valley Events has run the Colours of the Lockyer event, an arts and culture festival showcasing life in Lockyer Valley. Spirit of the Valley Events has invited Council to be a major sponsor for the 2022 Colours of the Lockyer event at a cost of \$4,000.

Proposal

Spirit of the Valley Events has invited Council to be a major sponsor of the 2022 Colours of the Lockyer event. The major sponsor package is \$4000. As a major sponsor, Council would receive promotions benefits including mentions on posters, digital media, social media, radio and signage, and a complimentary stall at the event.

Spirit of the Valley Events advises that the funds would be used to employ local professionals and entertainers, promote the region through an extensive media campaign, and address COVID requirements.

Seed Funding Arrangement

The initial proposal for a Colours of the Lockyer event was presented by Spirit of the Valley Events at a Councillors workshop in December 2017. They requested seed funding from Council over three years. At its ordinary meeting on 13 December 2017, Council endorsed the proposal and approved the provision of seed funding for three years commencing 2018. The following funding has been provided:

2018 \$5500
2019 \$4000
2020 Event not held due to COVID
2021 \$3000

Spirit of the Valley acknowledges that the funding received from Council to date was intended as seed funding with the intention of the event being self-sufficient by 2022. They advise that COVID has impacted on their eligibility for funding from other sources. The impacts of COVID have meant they are unable to show growth and are less likely to be able to attract new sponsors. They advise that after 2022 they will meet the criteria for other funding opportunities and will have more of their own funds to contribute toward the cost of the event.

Community Grants and Assistance Policy 2020

Organisations based in the Lockyer Valley region can seek support (in-kind or cash) for events being held in the region under Category 4 – Event Assistance of the Community Grants and Assistance Policy 2020. The criteria for funding under this category include:

- Previous funding and assistance received from Council; and
- Budgetary allocations.

As the three year seed funding arrangement has ended, provision was not made in the 2021/22 budget for the 2022 Colours of the Lockyer event. It is therefore recommended that Council decline the invitation to sponsor the 2022 Colours of the Lockyer event.

There are other options available for funding (subject to submission and approval of an application) including:

- RADF grants available for artists and workshops held as part of the event;
- Minor community grant grants of up to \$1000; and
- Major community grants grants of between \$1000 and \$4000. The next round of the Major community Grants Program will be opening on 1 September 2021.

Details regarding other funding opportunities will be provided to Spirit of the Valley Events.

Options

- 1. Council declines the request for sponsorship based on there being no provision made for the event in the 2021/22 budget, and the three year seed funding arrangement having ended.
- 2. Council agrees to sponsor the event and provides an amount of \$4,000.
- 3. Council agrees to sponsor the event, but for an amount other than \$4,000.

Previous Council Resolutions

At the Ordinary Meeting held on 13 December 2017, Council endorsed the Colours of the Lockyer event proposal and approved the provision of seed funding for three years commencing in 2018.

Critical Dates

Spirit of the Valley Events is proposing to hold the Colours of the Lockyer event in March 2022.

Strategic Implications

Corporate Plan

Lockyer Community 1.5 – Events and activities that bring together and support greater connectivity in the community

12.3 Lockyer Valley Equine Precinct Business Case

Author: Jason Harm, Coordinator Special Projects

Responsible Officer: Amanda Pugh, Group Manager Community & Regional Prosperity

Purpose:

The purpose of this report is to have Council endorse the Lockyer Valley Equine Precinct Business Case prepared by COHA Group.

Officer's Recommendation:

THAT Council endorses the Lockyer Valley Equine Precinct Business Case prepared by COHA Group and adopts the list of recommendations outlined in the business case;

And further;

THAT Council prioritises the development a Heads of Agreement between key stakeholders to enable to project to proceed with support by industry to apply for government funding;

And further;

THAT Council commences discussions on the recommended governance and business model in the Business Case regarding Council's and the Lockyer Valley Race Club's land assets;

And further;

THAT Council investigates funding opportunities for Stages 1a and 1b.

RESOLUTION

Executive Summary

The COHA Group was engaged by Council on behalf of the Lockyer Valley Equine Collaborative to complete a detailed business case for the Lockyer Valley Equine Precinct. The Business Case has now been completed and is presented for Council's endorsement. The Business Case has been provided to Councillors under separate cover.

The Lockyer Valley Equine Precinct is a long-term vision; 20 years and beyond. The Business Case demonstrates that the facility can be financially sustainable from year 1 and can meet the growing demand of equine industries while providing a significant economic boost to our local economy and community.

Proposal

The Lockyer Valley Equine Precinct Business Case was prepared to analyse the feasibility of the proposed redevelopment of the Lockyer Valley Turf Club, and support applications for funding to realise the vision of the Masterplan for the Equine Precinct. The proposed multi-use facility for equine purpose will provide world class equine facilities to cater for the future growth of the equestrian sector and racing industry in South East Queensland. The proposed redevelopment will provide significant economic growth opportunities for the Lockyer Valley and the wider community. The development is planned over three or more stages and involves the activation of Council land for the broader benefit of the whole community and enabling linkages between our equestrian, racing and farming communities while providing an additional green space in Gatton.

The objectives of the business case were to:

- Assess the financial feasibility of the redevelopment;
- Undertake a geotechnical analysis of the site for suitability for the development;
- Complete broad stakeholder engagement;
- Identify market trends;
- Identify the economic, social, community and environmental benefits;
- Identify funding options;
- Propose a governance structure and business model for operating the facility; and
- Consider staging and timing by priority.

The information used for the Business Case has been validated through members of the Collaborative who have provided expert commentary and acted as a conduit for communication on behalf of each sector they represent, i.e. Council, the Lockyer Valley Turf Club, Equestrian Queensland, Ipswich and West Moreton RDA, Racing Queensland, and University of Queensland School of Veterinary Science.

There was significant community consultation undertaken in relation to the proposed redevelopment by Ethos Urban. This engagement process found a high level of support for the project, though some concerns were raised regarding the cost of the facility and funding sources.

To commence the project, initial capital funding will be required for at least Stage 1a, but preferably Stages 1a and 1b. Initial capital funding of approximately \$29.5 million will be required for Stage 1a and \$11.5 million for Stage 1b, with future stages projected to cost \$70.3 million. However, the Business Case found that the

redevelopment is projected to be profitable from year one and by year ten generate \$6.5 million in revenue and an operating surplus (pre depreciation) of \$0.8 million.

There are a projected 77 jobs in the construction phase of Stage 1a, which will provide a significant uplift to the local economy in the RDA Ipswich West Moreton region.

The Business Case provides 20 recommendations to enable the project to proceed to the next stages, with three of these being identified as short-term actions:

- 1. Key stakeholders to enter into a Heads of Agreement to finalise and develop governance structure and progress other matters. The Business Case proposes a new entity be established once funding had been secured for at least Stage 1a of the development. The governance and business model would effectively minimise risk and enable the facility to operate under one controlling entity.
- 2. Develop a funding strategy and advocacy plan, including exploring funding opportunities of the 2032 Olympic and Paralympic games.
- 3. Engage an independent Project Manager for design and construct stages.

Following endorsement of the Business Case the main objective will be to leverage off the successful 2032 Brisbane Olympic announcement and align to Racing Queensland's and Equestrian Queensland's future strategic growth plans.

Options

- 1. Council endorses the Business Case and adopts the recommendations.
- 2. Council endorses the Business Case and adopts the recommendations in part.
- 3. Council does not endorse the Business Case and takes no further roles in the redevelopment of the Lockyer Valley Turf club.

Previous Council Resolutions

Council endorsed the masterplan concept design for the Lockyer Valley Equine Precinct on 20 May 2020. (Resolution 20-24/0046)

Critical Dates

There are no critical dates.

Strategic Implications

Corporate Plan

Lockyer Business 2.1 - Encourage opportunities for the Lockyer Valley to drive economic and community outcomes.

Finance and Resources

Council has contributed \$35,000 to the Equine Collaborative which has contributed to the masterplan and business case. Council also provides staff resources to support the Equine Collaborative.

Legislation and Policy

There are no legislative or policy implications.

Risk Management

Environment and Community (EC1) - Environment and the community, including sustainable development, social and community wellbeing, community relationships, public health, recreation, regional profile and identity

Political (P1) - Intergovernmental relations/relations with other key stakeholders

Consultation

Portfolio Councillor Consultation

Portfolio Councillor Consultation has been through Cr Cook as Chair of the Equine Collaborative and Councillor workshops.

Internal Consultation

Internal consultation has been undertaken with Council's Senior Community Activation Officer, the Senior Economic Development Officer, the Senior Projects Engineer, the Coordinator Policy and Growth, the Senior Finance Accountant and the Coordinator Governance and Property.

Community Engagement

External consultation was conducted by Urban Ethos through their engagement plan as part of the business case which included attending the race day at Lockyer Valley Turf Club and having a stand at the Brenda Whitman Classic event held in Gatton.

12.4 Request for Road and Park Naming - Plainland Crossing

Author: Tammie Davidson, Assistant Planning Officer

Responsible Officer: Amanda Pugh, Group Manager Community & Regional Prosperity

Purpose:

The purpose of this report is to seek Council's approval of proposed names for new roads and park, and extension to existing road within the residential subdivision, Plainland Crossing (Park in Stage 4A, Roads within Stages 9D-15) located at Plainland.

Officer's Recommendation:

THAT Council approve the following park and road names as shown on detailed plan BRSS3620-PX2-60-2, Sheet 1 of 3 dated 13/07/2021

- Road 1 as Daintree Street
- Road 2 as Yarra Street
- Road 3 as Boomi Street
- Road 4 as Goulburn Street
- Road 5 as Maranoa Way
- Road 6 as Stanley Street
- Road 7 as Merivale Court
- Road 8 as Severn Street
- Road 9 as Darling Circuit
- Park 1 as Edgerton Park
- Road Extension 1 as Paroo Street

RESOLUTION

THAT Council approve the following park and road names as shown on detailed plan BRSS3620-PX2-60-2, Sheet 1 of 3 dated 13/07/2021:

- Road 1 as Daintree Street
- Road 2 as Yarra Street
- Road 3 as Boomi Street
- Road 4 as Goulburn Street
- Road 5 as Maranoa Way
- Road 6 as Stanley Street
- Road 7 as Merivale Court
- Road 8 as Severn Street
- Road 9 as Darling Circuit
- Park 1 as Edgerton Park
- Road Extension 1 as Paroo Street

Moved By: Cr Vela Seconded By: Cr Holstein

Resolution Number: 20-24/0397

CARRIED 7/0

Executive Summary

This report refers to a request made by LandPartners on behalf of the developer of a Residential subdivision located within Plainland Crossing Stages 4A and 9D-15 at Plainland.

Council is responsible for assigning an official name to every gazetted road that is used to access properties. Council accepts requests from the public to name roads. All requests are considered in accordance with Council's Naming of Roads, Park, Landmarks & Facilities Policy and ASNZ Standard 4819:2011.

Proposal

The request to name nine (9) new roads, a continuation of one (1) road and one (1) park was received on 25 June 2021. The applicant is requesting on behalf of the developers to name nine (9) new roads, a continuation of one (1) road and one (1) park.

The applicant has provided three preferences to name each proposed new road. The theme of the adjoining road names of the Plainland Crossing Estate is Australian river names and this has been continued in the newly proposed road names. Some of the preferences provided by the applicant are not considered suitable. A search of roads and streets within the Lockyer Valley Regional Council area has been undertaken to ensure the preferences are not pre-existing. Comments have been provided against each of the applicant's preferences in the table below with the recommended road name identified.

The applicant has provided one name for the proposed park. The park is to be named for a historic landowner where the estate is located and being developed. Additionally, it has been named such, as the existing Edgerton Drive will intersect the park through the finalisation of the development.

Options

Proposed Road 1			
Applicant's Preference	Council Officer Comments		
1. Daintree Street	No other instances of this name in the Lockyer Valley. Name is recommended.		
2. Pioneer Street	Existing instance of this name in the Lockyer Valley. Duplication of names is not permitted.		
3. Connors Street	Existing instance of this name in the Lockyer Valley. Duplication of names is not permitted.		
Proposed Road 2	Proposed Road 2

Strategic Implications

Corporate Plan

Lockyer Planned

Finance and Resource

There are no financial or resource implications as a result of this decision.

Legislation and Policy

The suggested names provide a clear identification for the roads and do not contravene the Australian standard. Where there is a conflict with Council's Naming of Roads, Parks, Landmarks and facilities Policy, alternate name preferences will be utilised.

Risk Management

NIL. Council Officers have researched the preferences provided by the applicant and have made recommendations that meet Council's policy.

Consultation

Internal Consultation

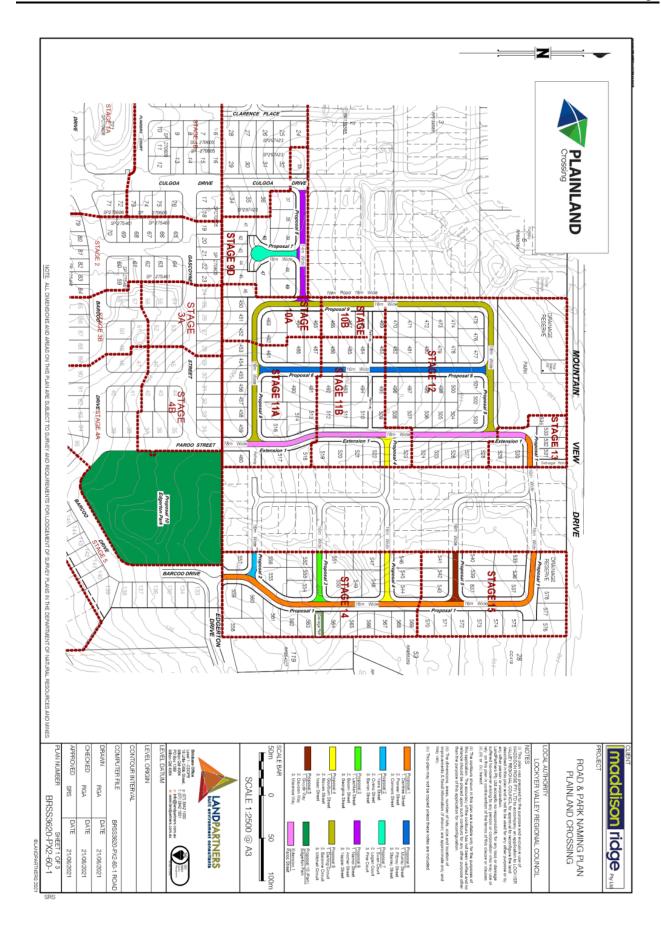

Consultation was undertaken with Manager, Community Facilities on 12 July with regard to the naming of the park. No issues with the name were raised.

External Consultation

Council will notify the applicant of the outcome of their request for road naming.

12.5 Request for reduction in Infrastructure Charges for Development Approval

for Material Change of Use for Bulk Retail, Refreshment Service, Shop and Advertising Device (MC2019/0072.03) at 4404 Warrego Highway, Plainland

Author: Miriam Sharp, Planning Officer

Responsible Officer: Amanda Pugh, Group Manager Community & Regional Prosperity

Purpose:

The purpose of this report is to consider a request for a reduction in Infrastructure Charges for a Development Approval for Material Change of Use for Bulk Retail, Refreshment Service and Advertising Device (MC2019/0072.03) at 4404 Warrego Highway, Plainland.

Officer's Recommendation:

THAT the applicant's request for a \$88,096.40 reduction in the infrastructure charges applicable for Bulk Retail, Refreshment Service and Advertising Device (MC2019/0072.03) at 4404 Warrego Highway, Plainland as set out in their letter of 27 July 2021 be refused.

RESOLUTION

THAT the applicant's request for a reduction of \$88,096.40 in the infrastructure charges applicable for Bulk Retail, Refreshment Service and Advertising Device (MC2019/0072.03) at 4404 Warrego Highway, Plainland, as set out in their letter of 27 July 2021 be refused.

Moved By: Cr Hagan Seconded By: Cr Vela

Resolution Number: 20-24/0398

CARRIED 7/0

Executive Summary

The purpose of this report is to consider a request for a reduction in Infrastructure Charges for a Development Approval for Material Change of Use for Bulk Retail, Refreshment Service and Advertising Device (MC2019/0072.30) at 4404 Warrego Highway, Plainland.

The applicant, De Luca Corporation, is seeking a reduction in Infrastructure Charges in accordance with Council's (now superseded) Development Incentives – Infrastructure Charges Policy.

Proposal

Background

Original approval

Council approved an application for a Development Permit for Material Change of Use for Bulk Retail, Refreshment Service, Shop and Advertising Device at 4404 Warrego Highway, Plainland at the Ordinary Meeting held 15 July 2020. This development is currently occupied by Bunnings.

This approval was accompanied by an Infrastructure Charges Notice (ICN) to a total of \$555,073.90. This figure included a component for the trunk stormwater infrastructure network, however a trunk stormwater network is not included in the Local Government Infrastructure Plan for this area. Therefore, as this charge is not applicable, a Minor Change to Approval was made to amend the ICN to remove this component from the charges. The amended ICN was issued on 19 April 2021 to the total of \$352,385.60.

It is noted that the applicant for the original application (Mecone) previously made a request for a reduction in the Infrastructure Charges (ICs). This request was presented to Council on 22 January 2020. Council resolved at the time to refuse the request, but to authorise the Chief Executive Officer to negotiate an Infrastructure Agreement for the payment of the full charges over a maximum period of three (3) years. Neither the applicant for the original application nor the current applicant (De Luca Corporation) availed themselves of this opportunity.

Request for reduction of Infrastructure Charges

A letter dated 27 July 2021 has been received from the developer of the Bunnings at Plainland requesting a \$88,096.40 reduction in the applicable infrastructure charges. A copy of the request is contained in the attachment to this report. It is noted that the applicant intended to avail themselves of the discount that was previously available under Council's now superseded Development Incentives – Infrastructure Charges Policy, however by not paying the infrastructure charges prior to the use commencing they did not meet all of the criteria to be eligible for the reduction.

At the time the approval was given, the Development Incentives – Infrastructure Charges Policy was in effect. Under the policy the applicant was able to apply for a reduction in the charges of 25% in recognition of the COVID pandemic subject to meeting certain eligibility criteria. The criteria include that the ICs are paid in full prior to commencement of use.

The development opened on 10 June 2021. However, the ICs were not paid at the time of commencement of use. Instead of providing the applicant at the time of payment with a payment notice with the discount applied, the full charges are required to be paid upfront and the discount is then provided as a refund. The applicant states that there was "a lack of clarity and somewhat conflicting interpretation of Council's policy on the eligibility and procedural requirements on how to apply for the discount'. This meant that the ICs weren't paid by the time the development commenced. The applicant notes that 'there was every intention by De Luca to pay the issued charges in a timely manner'.

Having met all other criteria of the policy prior to commencement, the applicant is requesting that Council apply the discount retrospectively. The applicant states that "De Luca Corporation has invested significantly within the Lockyer Valley region, specifically Plainland, with Bunnings Warehouse being a catalytic development for the area. We have to date secured and settled further sites in Plainland for future development totalling nearly \$30M. These developments will not only generate significant employment throughout the local and broader community, but also bring significant assets to the Lockyer Valley as a whole and further recurrent income streams. I ask you review this in the positive spirit we have taken to the area and our dealing with LVRC which to date have been excellent". As the request is a departure from the policy and therefore outside of the delegations to staff, the request is presented to Council for decision.

The applicant demonstrated that they were aware that the infrastructure charges were required to be paid prior to the use commencing. Council officers provided advice to the applicant confirming that an infrastructure agreement was not required in order to pay the infrastructure charges unless they wished to take advantage of the opportunity to stage the payment. The applicant indicated their intention to pay the infrastructure charges in full. Based on the applicant's submitted request, Council officers have been unable to identify any compelling

grounds to support the requested reduction. Further, although complex in certain circumstances, the principal of paying the infrastructure charges prior to the commencement of use is a well-established and consistent requirement across jurisdictions.

Infrastructure Charges payable

The following charges apply:

ICs as per ICN issued 19 April 2021	\$352,385.60
Discount as per Incentives Policy of 25%	\$88,096.40
Payable amount after discount	\$264,289.20

Options

Option 1 Council agrees to apply the discount as requested.

Option 2 Council refuses the request to apply the discount.

Previous Council Resolutions

A request for the reduction in Infrastructure Charges for the development was presented to Council on 22 January 2020. Council resolved unanimously to refuse the request, but to authorise the Chief Executive Officer to negotiate an Infrastructure Agreement for the payment of the full charges over a maximum period of three (3) years (Resolution Number 16-20/1634).

The application for the Development Permit for Material Change of Use for Bulk Retail, Refreshment Service, Shop and Advertising Device was presented to Council on 15 July 2020. Council resolved to approve the development subject to conditions in accordance with the officer's recommendation (Resolution Number 20-24/0092).

Critical Dates

Not applicable.

Strategic Implications

Corporate Plan

Corporate Plan Theme

Lockyer Planned

Outcome

4.3 A development assessment process that delivers quality development that is consistent with legislation, best practice and community expectations.

Finance and Resource

The financial implications are that Council will forego \$88,096.40 in contributions to the trunk infrastructure network, which is a cost burden to the community.

Legislation and Policy

The request is referred to Council for determination as the reduction does not accord with Council's Adopted Infrastructure Charges Resolution. It is also noted that Council's Development Incentives – Infrastructure Charges Policy is no longer applicable to development proposals approved after 17 June 2021.

1 MC2019.0072.03 Deluca Letter to LVRC for ICN Discount 2 Pages

27 July 2021

Attn: Kim Calio Manager Planning, Policy & Community Wellbeing Lockyer Valley Regional Council 26 Railway Street GATTON QLD 4343

Dear Kim,

RE: Bunnings Warehouse Development Plainland - Infrastructure Charges Discount

Further to our recent discussions, I am formally writing to seek your assistance in obtaining Council approval for the application of the discount infrastructure charges rate, provided for under Lockyer Valley Regional Council's Development Incentive Infrastructure Charges Policy and applicable to our Bunnings Warehouse development in Plainland (MC2019/0072.03).

As you are aware, De Luca Corporation (Deluca) completed the development located at 4404 Warrego Hwy, Plainland in June 2021 and part of the completion phase involved specific DA conditions to be complied with, prior to the commencement of use.

On 27 May 2021, for transparency and in good faith, De Luca Corporation provided to Lockyer Valley Regional Council (LVRC) a tabulated schedule of the specific conditions which were yet to be complied with. One of the outstanding conditions highlighted was the payment of council Infrastructure charges.

Lockyer Valley Regional Council issued an Infrastructure Charges Notice (ICN) on 9 June 2021 for the full amount with **no discount** applied and it should be noted, there was **every** intention by Deluca to pay the issued charges in a timely manner. There was however some confusion on the ICN provided by LVRC as it included the full amount and not the discounted amount.

A lack of clarity and somewhat conflicting interpretation of Council's policy on the eligibility & procedural requirements on how to apply for the discount infrastructure charges rate were the underlying causes that prevented the payment of the ICN by Deluca. Further advice was sought from LVRC by De Luca Corporation on this matter.

It was subsequently made apparent to Deluca, that the eligibility criteria under the Development Incentives Infrastructure Charges Policy had not been met due to the Infrastructure Charges not being paid prior to the commencement of use and the following excerpt of the policy was provided by LVRC as further advice:

Ground Floor, 61 Park Rd Milton, QLD 4064 | PO Box 1514 Milton, 4064 | www.deluca.com.au P (07) 3369 1000 | F (07) 3369 2333 | QBCC 62822 | ABN 80 055 193 514 | ACN 055 193 514

This policy only applies to infrastructure charges payable to Lockyer Valley Regional Council for material change of use development where:

- 1. a development permit for material change of use is issued prior to and including 17 June 2021;
- the development has commenced within two years from the date that the development permit took effect;
- all conditions of the relevant development permit have been satisfied prior to the commencement of the use;
- 4. the payment of infrastructure charges has been made, in full, prior to the commencement of the use;
- the development is not subject to an infrastructure agreement for the supply of infrastructure or the payment of infrastructure charges, other than in relation to Clause 2 of the Discounted Amount section of this policy; and
- the development has not been subject to compliance or enforcement action for a development offence under Chapter 5 of the *Planning Act 2016* for which the relevant development permit remedies the offence.

The discount will be applied, on request, as a refund upon demonstration of satisfaction of criteria 1-6 above.

As we were not involved in the original application for this project, we were unaware, until the above-mentioned advice was received, that the discount to the infrastructure charges would be applied by way of a **refund** upon satisfaction of the eligibility criteria 1-6 being demonstrated. If this were known at the time, payment would have made immediately on the full infrastructure charges notice accordingly. It should also be noted at the time of receiving further advice from LVRC, 5 out of 6 of the provided criteria had been satisfied, except for the payment of infrastructure charges.

As there is now an apparent departure from the Infrastructure Charges Policy, our understanding is that a Council decision will be required for the discount to be applied despite not meeting the policy criteria. We therefore would like to put forward the above-mentioned context and reasoning as to why this departure occurred and seek dispensation from Council in this regard.

As you know De Luca Corporation has invested significantly within the Lockyer Valley region, specifically Plainland, with Bunnings Warehouse being a catalytic development for the area. We have to date secured and settled further sites in Plainland for future development totalling near \$30M. These developments will not only generate significant employment throughout the local and broader community, but also bring significant assets to the Lockyer Valley as a whole and further recurrent income streams. It is critical for the success of De Luca's development strategy for the region that an agreement to the ICN discount rate being applied is reached swiftly and I ask you review this in the positive spirit we have taken to the area and our dealing with LVRC which to date have been excellent.

Fyou would like to discuss the matter further, please do not hesitate to contact me at any time on O411 703 5XO otherwise I look forward to hearing from Council soon, on the required decision.

Yours Faithfully,

Nic De Luca Managing Director De Luca Corporation

Ground Floor, 61 Park Rd Milton, QLD 4064 | PO Box 1514 Milton, 4064 | www.deluca.com.au P (07) 3369 1000 | F (07) 3369 2333 | QBCC 62822 | ABN 80 055 193 514 | ACN 055 193 514

13.0 INFRASTRUCTURE REPORTS

13.1 Revision of the Lake Apex Community Advisory Committee Terms of

Reference

Author: Brendan Sippel, Manager Community Facilities **Responsible Officer:** John Keen, Acting Group Manager Infrastructure

Purpose:

The purpose of this report is to present to Council the revised Terms of Reference for the Lake Apex Community Advisory Committee for adoption.

Officer's Recommendation:

THAT Council adopt the revised Lake Apex Community Advisory Committee Terms of Reference which amends the membership of the committee to include the addition of one (1) representative from the Gatton Village Markets.

And further;

THAT one (1) representative from each future community group that utilise the Lake Apex parklands on a regular basis to be invited to the Lake Apex Community Advisory Committee meetings without the adoption of further Council resolutions.

RESOLUTION

THAT Council adopt the revised Lake Apex Community Advisory Committee Terms of Reference, as attached to these minutes, which amends the membership of the Committee to include the addition of one (1) representative from the Gatton Village Markets.

And further;

THAT one (1) representative from each future community group that utilise the Lake Apex parklands on a regular basis be invited to the Lake Apex Community Advisory Committee meetings without the adoption of further Council resolutions.

Moved By: Cr Holstein Seconded By: Cr Hagan

Resolution Number: 20-24/0399

CARRIED 7/0

Executive Summary

The Lake Apex Community Advisory Committee (LACAC) has been established to provide an opportunity for promoting and guiding the protection, enhancement and future sustainability of the entire Lake Apex-Lake Freeman precent through a partnership between the community and Council.

The Terms of Reference provides guidelines on how the Committee will be governed to achieve the Committee's purpose. The Terms of Reference have been amended to include all affiliated community groups and to update the terminology and policies mentioned throughout.

Proposal

The Lake Apex Community and Advisory Committee was formed in 2009 to provide an opportunity for promoting and guiding the protection, enhancement and future sustainability of the entire Lake Apex-Lake Freeman precent through a partnership between the community and Council.

Key functions of the group are:

- Monitoring the implementation of the Lake Apex Master Plan as a cooperative venture between Council and the broader community;
- Reporting to Council and the wider community on the development and implementation of the Lake Apex Master Plan and the state of the Lake Apex-Lake Freeman wetlands.

Membership of the group in 2019, when the previous review was undertaken, consisted of the following parties and representatives:

Position	Representative
Lockyer Valley Regional Council - Councillors	2
Friends of Lake Apex	1
Lockyer Chamber of Commerce and Industry	1
Lights on the Hill Trucking Memorial Inc	1
Gatton and District Historical Society Inc	1
2 nd Light Horse Lockyer Troop Inc	1
Gatton parkrun	1
Non-affiliated community member	1
Total	9
LVRC Manager Parks, Gardens and Cemeteries (observer)	
LVRC Environmental Planning Officers (observer)	
LVRC Executive Manager Infrastructure Works and Services (observer)	
LVRC officer to provide secretarial support (observer)	

Table 1: Current members

The Terms of Reference have been amended to include the Gatton Village Markets, a monthly user of the Lake Apex parklands, updated Council officers titles and updated information were required. Membership changes include the following:

Position	Representative
Lockyer Valley Regional Council - Councillors	2
Friends of Lake Apex	1
Lockyer Chamber of Commerce and Industry	1
Lights on the Hill Trucking Memorial Inc	1
Gatton and District Historical Society Inc	1
2 nd Light Horse Lockyer Troop Inc	1
Gatton parkrun	1
Gatton Village Markets	1
Non-affiliated community member	1

Total	10
LVRC Manager Community Facilities (observer)	
LVRC Manager Planning, Policy and Community Wellbeing (observer)	
LVRC Group Manager Infrastructure (observer)	
LVRC officer to provide secretarial support (observer)	

Table 2: Proposed members

The Committee also reserves the rights to invite via Council officers one (1) representative from community groups that may utilise the parklands on a regular basis at a future date, without further adoptions of amendments to the Terms of Reference, albeit additional changes to this will need to be considered by Council.

Options

- Council resolves to endorse the amended Terms of Reference to include a Gatton Village Markets
 representative and one (1) member from each future community group that utilise the parklands on a
 regular basis.
- 2. Council resolves not to endorse the amended Terms of Reference.

Previous Council Resolutions

The current Terms of Reference were adopted by Council on 11 March 2019 under resolution 16-20/1292, to include a representative from all affiliated community groups.

THAT Council adopt the revised Terms of Reference for the Lake Apex Community Advisory Committee, as attached to these Minutes, with the inclusion of a representative from each of the Skate Park users and Dog Off-Leash area users.

Moved By: Cr Cook Seconded By: Cr Vela

CARRIED 7/0

Strategic Implications

Corporate Plan

Lockyer Community; 1.2 – Council optimises the use of its open spaces and facilities by improving access to and the quality of the facilities for individuals and groups for cultural, recreational and community activities.

Finance and Resource

There are no financial implications associate with this report.

Legislation and Policy

There are no policy implications associated with this report.

Risk Management

There are minimal risked associated with not including all affiliated community groups of Lake Apex and Lake Freeman in the Terms of Reference.

Consultation

Portfolio Councillor Consultation

Councillor J Holstein along with Councillor M Hagan, who both attend the LACAC meetings have been consulted when making the amendments.

Internal Consultation

Business Performance Unit staff have been consulted on the development of the new Terms of Reference.

External Consultation

The current LACAC members have been consulted and agree to the addition of one (1) representative from the Gatton Village Markets group and further additions to the representatives, such as including a new community group that utilise the Lake Apex Parklands does not need to be adopted by Council.

Community Engagement

On adoption of the Terms of Reference, the Gatton Village Markets group will be contacted and one (1) representative will be invited to future LACAC meetings. All existing LACAC members will also be advised of the new Terms of Reference.

As future community stakeholders become regular users of the Precinct, the Committee agree to invite one (1) member of the community group to attend meetings.

3. Role of Members

It is incumbent on each member to ensure they are fully prepared for all meetings.

All representatives of the Lake Apex Community Advisory Committee will:

- · Comply with these Terms of Reference; and
- · Declare any real or perceived conflicts of interest at the commencement of each meeting; and
- May be required to leave the meeting for any discussions in which they may have a real or perceived conflict of interest.

4. Meetings

4.1 Frequency

Meetings will be held every three (3) months with the date and time of subsequent meetings to be confirmed at the conclusion of each meeting.

4.2 Quorum and Attendance

A minimum of five (5) members are required to form a quorum made up of not less than two (2) appointed LVRC councillors and three (3) of the appointed Lake Apex Community Advisory Committee members.

Group: Infrastructure
Unit: Community Facilities
Approved: Ordinary Meeting (Resolution Number 20-24/XXXXX)
Date Approved: XX/08/2021

Effective Date: XX/08/2021 Version: 3.0

ECM: XXXXXX

Page 1 of 3

Page 1 of 3

4.3 Chairperson

The Chair of the Lake Apex Community Advisory Committee shall be a Lockyer Valley Regional Councillor whose portfolio includes Infrastructure. If this Councillor is not in attendance, the duties of chair will fall to the another Councillor who is a member of the Lake Apex Community Advisory Committee or who is attending as a delegated representative of the Chair.

4.4 Guests

The Lake Apex Community Advisory Committee may call upon experts from time to time to assist them to carry out the functions of the committee. The Committee may appoint working groups (whose members may include Committee members and/or other individuals considered by the Committee to have relevant expertise) to provide relevant advice. Such working groups shall be appointed with specific terms of reference and for defined periods.

Council reserves the right to use other mechanisms for community engagement especially when existing memberships are not adequately represented by Lake Apex Community Advisory Committee membership.

4.5 Authority

The Lake Apex Community Advisory Committee is an advisory group and does not have the authority to direct Council or Council staff or authorise purchasing or payments.

The Committee can make representations and recommendations to Council.

Minor procedural decisions or recommendations to Council shall be decided by consensus*. Where consensus cannot be reached no decision shall be recorded however a general record of the discussion should be noted.

*Consensus is here defined as general, but not necessarily unanimous, agreement among members of the group

4.5 Delegates

Members of the Committee are expected to attend unless a delegate is able to be nominated (as per section 2 of the Terms of Reference) due to the lack of availability of the member.

4.6 Agenda

The agenda, including any associated material will be made available for members via email prior to the scheduled meeting.

4.7 Meeting Procedures

A Council officer will take a record of the issues, actions and responsibilities arising from each Lake Apex Community Advisory Committee meeting. The members will be invited to comment on the record at the following meeting to ensure accuracy.

Council will provide secretarial support to the Lake Apex Community Advisory Committee.

Refer to the *Lockyer Valley Regional Council Code of Meeting Practice* for further meeting procedure information.

4.8 Meeting Minutes

Accurate Minutes will be kept of each meeting of the Lake Apex Community Advisory Committee.

Minutes from the meetings will be made available as soon as possible after each meeting. The minutes of the meeting shall be submitted to committee members for ratification at the next subsequent meeting of the committee.

Group: Infrastructure Effective Date: XX/08/2021
Unit: Community Facilities Version: 3.0
Approved: Ordinary Meeting (Resolution Number 20-24/XXXXX) ECM: XXXXXXX
Date Approved: XX/08/2021

Page 2 of 3

Page **2** of 3

Extracts from the minutes may be communicated to all staff and relevant stakeholders as appropriate.

The Minutes of meetings of the Lake Apex Community Advisory Committee will be provided to the:

- · Lockyer Valley Regional Council, and;
- · All representatives of the Community Advisory Committee

5. Remuneration

Community representation on the Lake Apex Community Advisory Committee is on a voluntary basis and is not eligible for any form of remuneration or reimbursement of expenses, unless previously authorised by the Group Manager Infrastructure.

6. Code of Conduct

Lake Apex Community Advisory Committee members will abide by the *Lockyer Valley Regional Council Employees Code of Conduct*. A copy will be provided to all members prior to their first meeting.

7. Review

Council may, at any time after consultation with the Lake Apex Community Advisory Committee, vary these Terms of Reference. The Lake Apex Community Advisory Committee may recommend to Council variations to the Terms of Reference which Council will consider.

The Terms of Reference will be reviewed on an annual basis.

DISASTER MANAGEMENT

PROJECT UPDATES

Local Disaster Management Group

The Local Disaster Management Group meeting scheduled for 30 June 2021 has been rescheduled to 25 August 2021. A consultant has been engaged to undertake a disaster risk assessment using the Queensland Emergency Risk Management Framework (QERMF). The project is in Phase One exploring the hazard scenarios to understand the potential risks. Consultation with LDMG and stakeholders will commence shortly.

The Local Disaster Management Plan (LDMP) has been reviewed with minor machinery of government changes. A major review of the LDMP will be undertaken once the outputs from the QERMF project are available.

Training

Council's corporate disaster incident management software Guardian is being transitioned to the Guardian IMS system which improves functionality and usability. System support staff will be available during disaster operations to assist staff in the use of the system. A training and exercise program has been developed for 2021 and will include online training and training videos. Red Cross Psychological First Aid training has been programmed to be delivered by Red Cross on 30 September 2021. This training aims to give participants understanding of the principles of psychological first aid and how and when to provide psychological first aid following the impacts of disasters.

Flood Classifications

Flood Classifications project is awaiting the flood modelling projects outputs to allow assessment of minor, moderate and major levels at river height gauge locations within the region.

Disaster Preparedness

Disaster Management on the Council website has been updated to include 'Preparing for Disasters – People with Disabilities' information and resources. Hard copies of the Person-Centred Emergency Preparedness (C-PEP) Workbook are now available to people with disability and service providers to assist with development of individual plans for people with disability.

Seasonal preparedness activities have commenced with training and exercises programmed for frontline and disaster coordination staff and the Local Disaster Management Group.

COMMUNITY DEVELOPMENT OFFICER - BUSHFIRE RECOVERY & RESILIENCE (CDO)

Bushfire Recovery & Resilience Community Grant Program

The Category C – Community Development Officer Bushfire Recovery and Resilience program funding is available through the open "Bushfire Recovery & Resilience Community Grant Program" to assist the Lockyer Valley Region with its social and human recovery, following the 2019 Bushfires and COVID-19. Applications will be assessed against eligibility criteria. Grant funding will be available until the funding is exhausted or 30 June 2022.

Funding will assist community led projects specifically to support building community resilience, capacity and bushfire recovery projects.

St Vincent de Paul – Bushfire Funding

Funding is still available through St Vincent de Paul for bushfire impacted property owners. This funding has been recently promoted through community Facebook pages. July has seen three more property owners successfully access this funding mainly for the clearing of dead trees which are causing a safety risk on their properties. The application process for this funding is relatively simple and has been efficient in delivering the funding in a timely manner.

Bushfire Risk Information Mailout

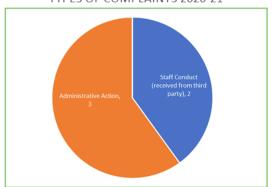

Collaboration between QFES and Bushfire Recovery and Resilience Officer to disseminate bushfire safety information and Prepare, Act, Survive guides to locations within Lockyer Valley to high risk locations. Information will be posted to property owners within these high-risk locations throughout the Lockyer Valley region. This mailout will be completed in August in preparation for the up-coming bushfire season.

Internal Audit Plan

The Report on the Lessons Learned from the Pandemic Review has been finalised, including management responses to the recommendations made. A copy of the report is included in the Agenda of the next Audit and Risk Management Committee for endorsement. Draft of the Terms of Reference for the review into Council's property management processes and community disaster response have commenced. Which are the first two deliverables of the 2021-2022 Internal Audit Plan.

CORPORATE PLANNING

Annual Report 2020-21

In line with the development of the 2020-2021 Financial Statements, work has commenced on the development of Council's Annual Report. The Annual Report 2020-2021 will be provided to the Committee at its next scheduled meeting.

Corporate Plan Review

Council's current Corporate Plan ends in 2022 and is directly linked to the Community Plan 2017-2027. A new Plan is required to be completed and adopted to allow sufficient time for the consideration and development of the 2022-2023 Budget and Operational Plan. Scoping of this project has commenced.

KNOWLEDGE MANAGEMENT AND BUSINESS IMPROVEMENT

PROJECT UPDATES

Disposal of Physical Records

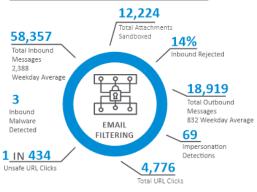

Work is ongoing to dispose of records. Approximately 450 boxes of records have been identified to be disposed of. The sign off process is near complete, Grace will then be arranged to collect and destroy the boxes of records. Preliminary research is underway for digitisation of records and an approach is being developed.

1 Community and Regional Prosperity Group Manager Monthly Report - July 2021 12 Pages

FLOOD MODELLING

The Upper Lockyer to Kentville Weir of Lockyer Creek regional flooding design output sets have been supplied. These design sets are undergoing internal review. There have been some technical issues relating to the new local flooding areas. The consultant has provided local outputs for review. The consultant has reported that Tenthill Creek and Ma Ma Creek models are nearing completion. Revised Laidley Regional Creek Calibration and Design reports are currently being reviewed by the Peer reviewer. A copy of the completed set of final model and data sets is expected in the near future. Engagement with the consultants towards reviewing the Laidley Mitigation scheme using the new modelling is in progress. The standalone Gatton East model and the Placid Hill extension modelling is underway. Existing modelling (that is not being superceded) is being run to standardise outputs with the new models and allow for consistent compilation of a single data set for each design event.

This work will feed directly into the scheme mapping, Flood Information Portal (FIP) and our Environmental sections creek mitigation project which is presently underway. Capitalisation arrangements for flood projects have been agreed with Finance and the auditor. The process of closing the Queensland Rail Authority (QRA) NDRP grant is underway.

FLOOD EVACUATION AND FLOOD PLAIN MANAGEMENT

MODELLING

The flood evacuation project is in progress. The modelling will provide the extent and timing to inform the flood evacuation plan. The Local Floodplain Management Project (LFMP) is waiting the compiled datasets for each event to progress. The modelling outputs will provide mapping with extent and engineering parameters to allow assessment of flood risk, especially in those areas for which council has had no data to date. The LFMP floor level project (establishing floor heights for flood affected dwellings) database has been provided. This will need internal review.

A response to ARTC in relation to flooding for the PPP project has been prepared and will be lodged in early August consistent with the feedback to the EIS and correspondence to the independent panel.

Attachment 1 14.2 Page 109

WATER COLLABORATIVE

In July, the Lockyer Valley and Somerset Water Collaborative determined the Local Management Entity (LME) including the appointment of directors. The LME is to be named the 'Lockyer Somerset Water Company Ltd' with a tag line 'Water for Growth'. The Directors appointed are Graham Quirk, Ian Church, Andrew Johnson, Gordon Van Der Est and Brock Sutton. Two positions will remain vacant until appropriate skills-based persons are appointed by the Board.

The Chair and Mayors Milligan and Lehmann met with Minister Butcher to provide a project update and actively advocate for recommissioning of the purified recycled water schemes in SEQ and formal endorsement of the project to support the funding application.

The Chair, Mayors Milligan and Lehmann, and newly appointed Board members also met with Federal MP Scott Buchholz to provide a project update and advise him the Lockyer Somerset Water Company Ltd would be preparing a funding application and would be seeking the Government's support.

LAKE APEX AND LAKE FREEMAN REIMAGINING PROJECT

The project working group has been established and commenced planning a prioritisation schedule for future meetings. LACAC members have been invited to take part in the first concept workshop with Infinitum Partners proposed for 19 August.

EQUINE COLLABORATIVE PRECINCT

COHA Group are in the final stages of preparing a business case. Collaborative members have contributed significant volunteer hours providing input into the document. COHA will present key findings to Council workshop on 11 August, to complete the document with final feedback.

DEVELOP A GROWTH MANAGEMENT STRATEGY

COMMUNITY ACTIVATION

TOURISM []

LOCKYER VALLEY TOURISM

An executive meeting of Lockyer Valley Tourism was held on 13 July. The CEO of Southern Queensland Country Tourism (SQCT), attended and successfully workshopped the group's purpose statement and goals resulting in clear outcomes, actions and timeframes for what the group wants to achieve.

SOUTHERN QLD COUNTRY TOURISM

- Council staff are negotiating a new three-year service level agreement commencing 2021/22. The CEO of SQCT has
 indicated he will agree to waive the CPI increase on Council's financial contribution for the next two years.
- Monthly Round-Up 24 July Tourism and Events Queensland's (TEQ) new campaign has commenced; Queensland
 Weekender has completed filming in the region; and preliminary work is underway for new theme-based trails in SEQ (e.g.
 produce, food/wine, pick your own).
- SQCT focus group consultation with University of Queensland has commenced to develop a Queensland Tourism Workforce
 Crisis Resilience and Recovery Plan.
- Mentoring has commenced under TEQ's Transformational Experiences Program for two local tourism operators, Awassi and
 the Queensland Transport Museum. The goal of the program will help put them at the forefront of the 'transformational
 experiences' global travel movement and increase bookings and revenue.
- The 2021 Queensland Outdoor Adventure & Motoring Expo was held in Toowoomba from 30 July to 1 August. Council had a staff member on SQCT's stand on Friday 30 July, however further participation was prohibited due to the lockdown.

INDUSTRY SUPPORT

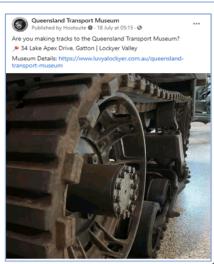

With rapid growth in the Indigenous tourism sector, many Indigenous businesses are putting together incredible experiences that showcase their local area, cultures and traditions. Mayor Milligan and Council officers went on-site to Native Oz Bushfoods to hear first-hand of the family's plans for a tourism business incorporating Welcome to Country, a yarning circle, dance performances and bush tukka lunches and tastings, which will complement their current production/retailing of bushfood products.

COMMUNITY ACTIVATION

COMMUNITY ENGAGEMENT

Community engagement advice and consultation provided on

COUNCIL **PROJECTS**

- Forest Hill Silo Murals in partnership with Forest Hill Community Development Assoc
- Food Organics Garden Organics (FOGO) Trial
- Whittle Street Drainage Project
- Springbrook Park Irrigation Upgrade
- Lake Apex Youth Precinct
- Council Parks Rationalisation Project
- Inland Rail project impacts on the community, particularly on housing and accommodation

COMMUNITY GRANTS

COMMUNITY **HALLS**

\$50,000 was distributed to assist 7 community managed halls undertake important improvements.

Council was successful in obtaining grant funding through the Queensland Bushfires Local Economic Recovery Program with a total of \$800,000 offered to undertake major improvements to rural halls.

UPDATE

- Staff attended the Combined Ipswich and Toowoomba District Human Social Recovery Committee and provided a report on Lockyer Valley human and social disaster recovery and preparedness activities.
- A strategy is being implemented to increase listings and use of the My Community Directory and Diary platform to provide more accurate and meaningful information to the community.

EVENTS

Ongoing support is being provided to a range of community event organisers to manage the ever-changing COVID-Safe requirements. Support includes advice and equipment.

EVENTS CANCELLED

Due to COVID-19 lockdown and/or restrictions.

Events cancelled include:

- Qld Quarter Horse State Show,
- Gatton Village Markets
- Laidley Show, various elements of the show will be delivered as one day events.
- The Blue Shamrocks Country Music Event
- Christmas in the Country Art & Craft Exhibition
- Laidley Spring Festival Street Parade
- Laidley Spring Festival Floral Display at Laidley Lutheran Church

UPCOMING COMMUNITY EVENTS

Ongoing assistance was provided to:

- Murphys Creek Progress Association and Murphys Creek Hotel regarding the Country at the Creek Festival
- Australian Trail Horse Riders Association 50th anniversary celebrations.
- Gatton Street Feast
- Adventist Development and Relief Agency regarding new Sunday markets and Food Pantry service.
- Gatton ParkRun
- Historical Motorcycle Club of Qld marketing support for Swap Meet
- Gatton RSL Sub-Branch preparation for Vietnam Vets Day
- Ma Ma Creek Exhibition
- Gatton Village Markets

LAIDLEY SPRING FESTIVAL

Various elements of the Laidley Spring Festival are under review due to ongoing changes and uncertainty with COVID impacts.

COUNCIL-LED EVENTS

The Official Opening of the Refurbished Gatton Shire Hall was held on Monday 12 July.

LIBRARIES UPDATE

- School holiday activities were affected due to Lockdown. Some events were cancelled, others had to be duplicated to allow all registered attendees to participate without breaching the reduced capacity restrictions.
- · Online Author chats are proving popular with people replaying the recording after the event.

ART GALLERY UPDATE

 'That Country Feeling' exhibition opened on 16 July 2021. The opening function was well attended with 30 people present.

REGIONAL ARTS AND DEVELOPMENT FUNDING (RADF)

Several RADF funded activities occurred in July including, a Noosa Film Academy workshop to Lockyer High and Laidley
High Students, Council's Hip Hop workshop (reduced due to lockdown) and a Lockyer Valley Peforming Arts production.

ART GALLERY OPENING

NOOSA FILM ACADEMY WORKSHOP

5

CHILDCARE

CENTRE OCCUPANCY

Centre occupancy has reduced in the Kindergarten and Junior Kindegarten rooms. This is primarily due to Council being unable to engage an Early Childhood Teacher for the Kindergarten program. We are continuing with recruitment processes to find a suitable Teacher.

82% TOTAL OCCUPANCY RATE

Strategies

To increase the centre/room occupancy older children are currently transitioning to the next aged group/room to create vacancies in the Nursery and Toddler rooms.

We have a wonderful history at Gatton Childcare Centre and we are looking to implement the following strategies to encourage enrollments including:

- Having a centre reunion to celebrate the past parents, children and families in general that has contributed to the centre and/or attended the centre in previous years.
- · Highlighting the long standing staff members in a foyer display.
- Mentoring staff to improve their skills to create a more nurturing environment that promotes learning.
- Upgrading the building.

ACTIVITIES

The goal for July was to 'engage in more community events and activities'.

Pyjama day was fun for the entire centre, we all spend the day in our pyjamas. We sat together as a group and listened to a story titled "Edward the Emu".

We had a teddy bears picnic and most of the children brought in a teddy bear or stuffed animal to share a morning tea. The children loved to dance with their teddies to Rock-a-Bye your Bear by the Wiggles.

VALLEY VEHICLES

registered in the Lockyer Valley. While a large percentage of the vehicles are commercial and trucks, the reliance on private vehicles for residents to move about the region is clear, with over 50% of all vehicles being passenger. The impacts on the road network are further exacerbated by the lack of reliable public transport. In the business case for the Toowoomba to Brisbane Passenger Rail, the Department of Infrastructure, Transport, Regional Development and Communication stated that "regular passenger rail services have the potential to not only improve access to jobs, health sevices and affordable housing, but also to boost tourism and increase development throughout the region".

Councils Economic Development strategy supports the focus on Transport and Logistics as being one of the regions key economic pillars contributing \$253.5m to the local economy and over 800 local jobs.

Council has allocated \$11.66M in the 2021/22 budget to maintain and improve the local road network.

ENVIRONMENT STRATEGY

A number of initiatives related to the Environment Strategy have been further developed and are now coming online. These include management plans, bushfire recovery, herbicide subsidies for Lantana and a showcase of regenerative agriculture practitioners and service providers.

LOCKYER VALLEY PLANNING SCHEME

Workshop with council to review the strategic framework, zones, tables of assessment and community engagement plan. Next step workshop overlays and associated risk assessment.

Council endorsment to proceed to State interest check. State will review the document under statutory time frames.

Following the State interest check, the scheme will progress to community consultation.

The outcomes of the community consultation will inform the process of adopting the draft scheme with the Minister's approval.

PLANNING, POLICY & COMMUNITY WELLBEING - BUSINESS SUPPORT

CONTINUOUS IMPROVEMENT

Form Modifications

To save time in editing, checking, signing and printing, the Building Final Certificates Form 21 and Inspection Certificate Form 16 have been combined into a one document process. This will simplify the process to email the documentation to our customers, therefore eliminating the requirement of a cover letter. This Process has also been replicated in Buildings Form 17 Pool Final Certificates to achieve the same efficiencies.

<u>Development Applications - Now Paperless</u>

Over the past few years the Development Assessment and Business Support Team have been transitioning to paperless applications and have now sucessfully completed the transition. A combination of differing factors have contributed to this huge achievement, such as; changes due to COVID-19 restrictions, including working from home, utilisation of the TechnologyOne application and collaboration between the two teams. This continuous improvement initiative started with Exemption Certificates and Prelodgements, now Development Applications are also fully electronic. This improvement has created many efficiencies for the branch.

INFRASTRUCTURE GROUP.

CIVIL OPERATIONS PROJECTS BRANCH HIGHLIGHTS

CAPITAL WORKS

WOODLANDS ROAD AND RANGEVIEW DRIVE INTERSECTION UPGRADE

This Blackspot funded project upgraded the intersection of Woodlands Road and Rangeview Drive in Gatton. The
project was undertaken to improve the stormwater drainage and visibility at this intersection. Works include drainage
improvements, installation of concrete structures, road pavement, concrete kerb, bitumen seal, asphalt surfacing and line
marking. The project is 100% completed.

POSTMAN RIDGE PAVEMENT RENEWAL

• The Postman Ridge Pavement Renewal project was jointly funded with the State Government through the Transport Infrastructure Development Scheme. The project is now completed. The project involved excavating the existing pavement between Withcott Seedlings and Ashlands Drive and replacing with several layers of geo-composite grid to bridge out of the subgrade and road base pavement to support the traffic loading. The pavement was then protected by a two coat bitumen seal. Due to efficient work practices an additional 60 metres of Postman Ridge Road and the intersection of Ashlands Drive were completed as part of this project.

2

Attachment 1 14.3 Page 123

LAKE CLARENDON WAY, LAKE CLARENDON

 This project involves extending the existing culverts to cater for a widened road formation along a 1.3 kilometre stretch of Lake Clarendon Way between Main Green Swamp Road and Lester Road. APA have completed gas welding works within the proximity of the project. 90% of the project has been completed with the final bitumen seal and line marking to be completed in August 2021.

WOODLANDS ROAD, GATTON - REHABILITATION PHASE 2

As part of the Local Roads and Community Infrastructure Program Phase 2 funding, another section of Woodlands Road,
Gatton will be rehabilitated. The construction will achieve an 8 metre formation and bitumen seal from Rangeview
Drive through to Schroeders Road. Council are undertaking the construction works, with approximately 10% completed
so far with an expected completion date of September 2021. The works include, drainage excavation, road pavement
construction, bitumen sealing and line marking.

CULVERT RENEWAL 2020/2021

• Three culverts within the region were identified as needing replacing as part of the 2020/2021 Culvert Renewal program. The locations include Ropeley Road, Blenheim, Brightview Road, Glenore Grove and Flagstone Creek Road, Carpendale. The project involves traffic management, removal of the existing culvert structures, concrete structures, installation of new drainage components, road pavement construction and asphalt surfacing. Council are performing the works with 80% of the project currently completed. The Brightview Road culvert was a declared fish passage, which involved the installation of steel baffles and rock protection to create a natural bedding to meet regulations.

URBAN STORM WATER UPGRADES - WHITTLE/HILL STREETS, GATTON

This project will upgrade the storm water capacity in both Whittle and Hill Streets, Gatton to limit the impacts of flooding to residents and the Jehovah's Witness Church on Lake Apex Drive. Works commenced on 21 June. A few minor issues have been found which have put back the works such as slow progress of excavation due to the presence of sandstone, found unknown existing sewer pipe, and asbestos stormwater pipes in Hill Street. The contractor has requested the closure of Hill Street from 04/08/2021 and Hill Street from 19/08/2021. Based on the known information, completion is now expected to be achieved by mid to late September 2021.

DESIGN

Designs in progress

- Brightview Road pavement rehabilitation and widening Detail design in progress. Resilience funding to be sought based on design.
- Flagstone Creek/Lockyer Creek Road Intersection upgrade and pavement works (HVSPP) Detailed design in progress
- Gatton Industrial Estate intersections (HVSPP) Freemans/Market design submitted to Urban Utilities for approval to relocate water mains.
- Gatton Principal Cycle Network Project Community Engagement to occur in Q4 2021. No further design work until feedback is received from consultation process.
- Gehrke Road resurfacing (TIDS)- Scope developed, survey completed, concept design prepared for review.
- Grantham Scrub Pavement Rehabilitation (TIDS) Geotechnical investigations complete pavement design progressing.
 Detailed design in progress. Construction extent likely to be shorter due to budget constraints with balance of project ready for future years.
- Grantham Winwill / Grantham Scrub Intersection upgrade (HVSPP) Geotechnical investigations complete pavement design developed. Detailed design in progress. Non-standard geometric issues identified requiring reconsideration of speed environment.
- Springbrook Park Entry Road and Car parking Concept design prepared. Progressing to detailed design. No advice on funding.

6

Attachment 1 14.3 Page 127

Future designs being planned

- Culvert Replacement Program 21/22 5 x Culverts sized and precast items ordered. Design to commence once survey available.
- Floodway Replacement Program 21/22 3 x Culverts being sized for early procurement. Mount Berryman requires DAF
 development approval as a "purple" waterway barrier.
- · Gehrke Road / Lorikeet Road Intersection upgrade (Blackspot) Scope to be confirmed and progress to concept design
- North Street / East Street Roundabout (Blackspot) Scope to be confirmed and progress to concept design
- Railway Street, Helidon Drainage upgrade review of scope underway prior to progressing to detailed design
- Spencer Street / East Street Safety Improvement (Blackspot) Scope to be confirmed and progress to concept design
- William Street, Gatton Reconstruction seeking early engagement with Urban Utilities and Energex in relation to their assets.

Designs completed

- Flagstone Creek/Carpendale Road Intersection upgrade and pavement works (HVSPP)
- Gatton Industrial Intersections Western Drive/ Tenthill, Tenthill/Freemans (HVSPP)

COMMUNITY FACILITIES BRANCH HIGHLIGHTS

CAPITAL WORKS

FAIRWAYS PARK, HATTON VALE

- · Pump track asphalt is completed.
- Turfing and planting of trees is 95% completed.
- Amenities building is currently being constructed.
- Carpark works are underway with the laying of asphalt due early August.

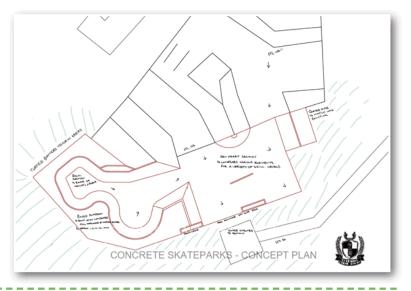

Lake Apex Amphitheatre

- Concept design discussion held at a Councillor Workshop and Lake Apex Community Advisory Committee meeting.
- · Detailed design is underway.

Lake Apex Youth Node Upgrade

- Request for tender completed and contractor engaged.
- Contractor's preliminary design and design presentation due for submission by the 30 July
- Council to start public communication with design presentation in early August.

Lockyer Valley Sports and Aquatic Centre and Laidley Pool Revitalisation

- Council was successful in obtaining a funding contribution of \$406,000 under the 2021-24 South East Queensland
 Community Stimulus Program funding (SEQCSP) to revitalise the Lockyer Valley Sports and Aquatic Centre and the Laidley
 Pool. The scope of works include:
 - ☐ Gatton Aquatic Centre:
 - Heating pump upgrades
 - Upgrade of chlorine dosing unit at Gatton Aquatic Centre
 - * Replacement of pool sand filters
 - * Replacement of outdoor weather blinds
 - * Replacement of existing lane ropes
 - * Replacement of suspension system on indoor sporting nets
 - * Installation of storage shed
 - Laidley Pool:
 - * Solar heating replacement
- Works undertaken to date:
 - □ Request for quote undertaken and contractor engaged for urgent priority works Sand Filter Replacement
 - ☐ Replacing the laterals and sand media to the four (4) existing sand filters
 - □ Works scheduled for early August

Ů

PARKS AND CEMETERIES MAINTENANCE WORKS

Furniture Maintenance / Landscaping

- Preparation of another "Red Seat" in recognition of the Red Rose Foundation, for the new Fairway Park, Hatton Vale.
- Repainted seats at the Laidley Mall and Library.
- Ground preparation for plant a tree day at Apex Lake.
- Removal of several dead trees form the Gatton dog park and Lake Apex.
- · Completed garden makeover at Das Neuman Haus, Laidley.
- Geranium fill hanging baskets were installed along Patrick Street, Laidley for the upcoming Spring Festival.
- Twice weekly watering of the planter pots in Laidley.
- · Assistance was provided to Waste Management at various landfill sites, repairing fences and doing vegetation works.
- · Balam Hill carbon offset fence repair.
- Began cleaning the garden furniture/bollards in Railway Street, Gatton.
- · Footpath cleaning in Laidley/Gatton main streets.
- Landscape works were completed on the gardens at the Gatton Shire Hall.

Landscape works throughout the gardens in Gatton and Apex Lake.

• Erection of a small compound at the Laidley Rec Reserve to house to tractor implements and moved the gateway so as traffic won't need to drive through the drain.

Mowing

- Mowing on a needs to do basis throughout our park, cemetery and road networks.
- · Herbicide spraying for winter weeds in Gatton, Grantham, Helidon, Withcott and Murphy Creek parks.

Playground Maintenance

• Routine maintenance continues.

9

Attachment 1 14.3 Page 130

- Assistance provided for 7 funerals and 3 ashes burials/internments.
- · Ground maintenance has been ongoing, landscaping, mowing and spraying for winter weed.
- Clean up and make over (mulching, painting kerb etc) began at the Laidley cemetery gardens.

Event Assistance

- Preparation of the infield and outer areas of the showgrounds.
- Event equipment delivery for July 2021:
 - * Gatton Village Markets 4 July
 - * Laidley Show 2 to 4 July
 - * Gatton Show 16 and 17 July
 - * Ma Ma Creek Exhibition & Bush Dance 24 July
 - * Laidley Markets 24 July
 - * Event sign change overs

FACILITIES MAINTENANCE WORKS

BUILDINGS

- Contractor has completed works at Anzac Park toilet block in Grantham, insurance claim also approved.
- Lake Dyer agreed works pre-handover (August 1) to private operator continue. Works to be completed by 31 July.
- Calls and emails sent to appropriate local operators to gauge interest in advertising at Laidley Sale yards. No response as at
 end July. Upgrade to strategy to be completed.
- Roof repairs to Gatton Donation Shed completed.
- Repairs to damaged concrete slab at Veterans Centre.
- Lockyer Valley Sports and Aquatic Centre closured in July for maintenance works.
- Pigeon minimisation installation to pool shelters complete.
- Administration building clock tower issues continue, no technicians available currently in QLD and can't currently be sourced interstate due to COVID-19 restrictions.
- · Tender for lift services assessed and implemented.
- New supplier for sanitary bin services commenced.
- Working with Laidley Sale yards User group around long term pen management, cleaning mud and manure, replacing media, frequency of cleaning required.
- Works completed to new Visitor Information Centre counter at Lockyer Valley Cultural Centre.
- · General repairs and maintenance.

PLUMBING

- Damage/vandalism to water tanks at Withcott Community Centre. Burnt out pump replaced.
- Repairs to meter leaks at Lake Dyer undertaken.
- · General repairs and maintenance.

ELECTRICAL

- Significant faults identified during earth bond testing at 50 metre and learn to swim pool at the Lockyer Valley Sports and Aquatic Centre. Rectified and tested ok.
- · Ongoing heater and sand filter works to the 50 metre pool at the Lockyer Valley Sports and Aquatic Centre.
- Laidley Recreation Reserve carpark lighting repaired.
- General maintenance and repairs as required.

WASTE MANAGEMENT

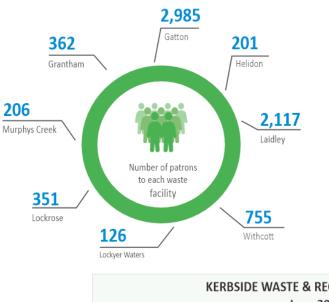

The Food Organics and Garden Organics (FOGO) trial

- Householder letters were sent out mid-July. Only a small number of residents have rung in seeking more information.
- The bins arrived late July. Caddies are due to arrive in the first week in August.
- COVID-19 lock downs interstate have delayed the delivery team as they are based in Newcastle and have now had to seek alternate delivery options locally. The first collection of the FOGO bins has been pushed back one week to allow for possible delivery delays. This means the first collection will now be Monday 30 August.

General

- · Green waste grinding is now complete at all facilities with some mulched material to be removed from some sites.
- Concrete crushing contract has been signed and contractor being arranged to commence work.
- The Queensland Government budget indicates that the future of the Advance Levy Payment could be in jeopardy. The Local Government Association of Queensland continues to lobby to retain the advance payment on Council's behalf.
- Gatton Landfill Cell 5 design work is being prepared by the contractor.
- Waste team staff attended the Gatton Show and manned the Council stand.

15.0 CONFIDENTIAL ITEMS

In accordance with the provisions of section 254J(3) of the *Local Government Regulation 2012*, a local government may resolve to close a meeting to the public to discuss confidential items, when its Councillors or members consider it necessary to close the meeting.

CLOSED SESSION

THAT the meeting be closed to the public, the time being 9:45am, to discuss the following items which are considered confidential in accordance with section 254J(3) of the *Local Government Regulation 2012*, for the reasons indicated.

- 15.1 Urban Utilities Participating Local Government Resetting Rate Loan Extension Option.

 This item is confidential in accordance with Section 254J (3) (g) of the Local Government Regulation, 2012, as the matter involves negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government.
- 15.2 Legal Update.
 - This item is confidential in accordance with Section 254J (3) (e) (g) (h) of the Local Government Regulation, 2012, as the matter involves legal advice obtained by the local government or legal proceedings involving the local government including, for example, legal proceedings that may be taken by or against the local government; AND negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government; AND negotiations relating to the taking of land by the local government under the Acquisition of Land Act 1967. (Provides update on the status of current legal proceedings, land acquisitions and other matters that are commercially sensitive).
- 15.3 Engagement of Commercial Advisor on Behalf of the Lockyer Valley and Somerset Water Collaborative

This item is confidential in accordance with Section 254J (3) (g) of the Local Government Regulation, 2012, as the matter involves negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government.

15.1 Urban Utilities - Participating Local Government Resetting Rate Loan

Extension Option

Author: Jodi Marchant, Chief Financial Officer **Responsible Officer:** Ian Church, Chief Executive Officer

That the above item be considered in Closed Session to the exclusion of the press and public in accordance with Section 254J (3) (g) of the Local Government Regulation, 2012, as the matter involves negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government.

Purpose:

The purpose of this report is to seek Council's approval to exercise the option to extend the term of its credit facilities with Council to 30 June 2028.

Officer's Recommendation:

THAT Council approve entering into any necessary documentation that is required to give effect and provide necessary approvals to the extension of the loan term for the Participating Local Government Resetting Rate Loan consistent with relevant agreements;

AND

THAT Council delegate to its Chief Executive Officer the authority to negotiate, finalise and execute all documentation that is required to give effect to and provide necessary approvals, to the proposed extension of the loan term for the Participating Local Government Resetting Rate Loan.

RESOLUTION

THAT Council approve entering into any necessary documentation that is required to give effect and provide necessary approvals to the extension of the loan term for the Participating Local Government Resetting Rate Loan consistent with relevant agreements.

AND further

THAT Council delegate to its Chief Executive Officer the authority to negotiate, finalise and execute all documentation that is required to give effect to and provide necessary approvals, to the proposed extension of the loan term for the Participating Local Government Resetting Rate Loan.

Author: Caitlan Natalier, Coordinator Governance and Property

Responsible Officer: Craig Drew, Acting Group Manager People & Business Performance

That the above item be considered in Closed Session to the exclusion of the press and public in accordance with Section 254J (3) (e) (g) (h) of the Local Government Regulation, 2012, as the matter involves legal advice obtained by the local government or legal proceedings involving the local government including, for example, legal proceedings that may be taken by or against the local government; AND negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government; AND negotiations relating to the taking of land by the local government under the Acquisition of Land Act 1967 (Provides update on the status of current legal proceedings, land acquisitions and other matters that are commercially sensitive).

Purpose:

The purpose of this report is to provide an update to Council in relation to a number of confidential legal and property matters.

Officer's Recommendation:

That Council receive and note the legal update report.

RESOLUTION

That Council receive and note the legal update report.

15.3 Engagement of Commercial Advisor on Behalf of the Lockyer Valley and

Somerset Water Collaborative

Author: Jason Harm, Coordinator Special Projects

Responsible Officer: Amanda Pugh, Group Manager Community & Regional Prosperity

That the above item be considered in Closed Session to the exclusion of the press and public in accordance with Section 254J (3) (g) of the Local Government Regulation, 2012, as the matter involves negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government.

Purpose:

The purpose of this report is to seek a resolution from Council to engage a Commercial Advisor to negotiate and commence executing a term sheet in relation to a bulk water supply agreement between SEQWater and the Lockyer Somerset Water Company Ltd.

Officer's Recommendation:

THAT in accordance with section 235(b) of the *Local Government Regulation 2012*, and due to the specialised and confidential nature of the services sought, Council resolves that it would be impractical or disadvantageous to invite quotes or tenders for commercial advisory services to negotiate and commence executing a term sheet in relation to a bulk water supply agreement on behalf of the Lockyer Valley and Somerset Water Collaborative;

And further;

THAT Council engages Andrew M Brown as Commercial Advisor on behalf of the Lockyer Valley and Somerset Water Collaborative to negotiate and commence executing a term sheet in relation to a bulk water supply agreement between SEQWater and the Lockyer Somerset Water Company Ltd;

And further;

THAT Council releases up to \$57,200 (GST incl) of the Lockyer Valley and Somerset Water Collaborative's funds to engage Andrew M Brown as a Commercial Advisor to negotiate and commence executing a term sheet in relation to a bulk water supply agreement on behalf of the Lockyer Valley and Somerset Water Collaborative.

RESOLUTION
