1. MEETING OPENED

1.1 Acknowledgement of Country

The traditional owners of the land on which the meeting is held to be acknowledged.

1.2 Opening Prayer

A minute's silence to be held for those persons recently deceased followed by the opening prayer.

2. LEAVE OF ABSENCE

No Leave Of Absence.

3. CONDOLENCES/GET WELL WISHES

3.1 Condolences

Author: Petrina Metcalf, Council Business Officer
Responsible Officer: Scott Greensill, Chief Executive Officer

Purpose:

Officer's Recommendation:

THAT letters of condolence be forwarded to the families of the recently deceased persons from within, or associated with, the Lockyer Valley Region.

Attachments

There are no attachments for this report.

4. DECLARATION OF ANY PRESCRIBED CONFLICT OF INTERESTS/DECLARABLE CONFLICTS OF INTEREST BY COUNCILLORS

4.1 Declaration of Prescribed Conflict of Interest on any Item of Business

Pursuant to Chapter 5B, Part 2 of the *Local Government Act 2009*, a councillor who has a prescribed conflict of interest in an issue to be considered at a meeting of a local government, or any of its committees must:

- (a) inform the meeting of the prescribed conflict of interest in the matter, including the following about the interest –
 - i. if it arises because of a gift, loan or contract, the value of the gift, loan or contract
 - ii. if it arises because of an application or submission, the subject of the application or submission
 - iii. the name of any entity other than the councillor that has an interest in the matter
 - iv. the nature of the councillor's relationship with the entity that has an interest in a matter
 - v. details of the councillor's and any other entity's interest in the matter; and
- (b) leave the meeting room, including any area set aside for the public, and stay out of the meeting room while the matter is being discussed and voted on unless the subject councillor has written notice from the Minister to participate in the matter.

4.2 Declaration of Declarable Conflict of Interest on any Item of Business

Pursuant to Chapter 5B, Part 3 of the *Local Government Act 2009*, a councillor who has a declarable conflict of interest in a matter to be considered at a meeting of the local government or any of its committees must inform the meeting about the personal interest in the matter, including the following particulars about the interests:

- (a) the nature of the interests
- (b) if it arises because of the councillor's relationship with a related party:
 - i. the name of the related party to the councillor
 - ii. the nature of the relationship of the related party to the councillor
 - iii. the nature of the related party's interest in the matter
- (c) if it arises because of a gift or loan from another person to the councillor or a related party:
 - i. the name of the other person
 - ii. the nature of the relationship of the other person to the councillor or related party
 - iii. the nature of the other person's interest in the matter
 - iv. the value of the gift or loan and the date the gift or loan was made.
- (d) how the councillor intends to handle the matter i.e. leave the meeting or proposes to stay in a meeting.

5. MAYORAL MINUTE

No Mayoral Minute.

6. CONFIRMATION OF MINUTES

UNCONFIRMED

1. MEETING OPENED

The meeting commenced at 10:02am and the Chair, Mayor Milligan, welcomed all present.

2. APOLOGIES AND CHANGES IN MEMBERSHIPApologies

Refer previous page.

Changes in Membership

Scott Greensill, Lockyer Valley Regional Council, Local Disaster Coordinator

Johnathon Ormond, Queensland Ambulance Service, Deputy Member

Leigh Grayson, Queensland Fire Department, Deputy Member

Brett Mountney, State Emergency Service, Deputy Member

Katrina Smith, West Moreton Health, Deputy Advisor

Lyndall Attwood, Red Cross, Deputy Advisor

Vanessa West, Red Cross, Deputy Advisor

Jackie Porter, Laidley Community Centre, Advisor

Melinda Tunny, Department of Families, Seniors, Disability Services and Child Safety, Advisor

Nick Waring, GIVIT, Advisor

3. PRESENTATIONS**3.1 Bureau of Meteorology – Seasonal Outlook**

Felim Hanniffy provided a Seasonal Outlook presentation on behalf of the Bureau of Meteorology. The presentation included key messages regarding long-range weather forecasts, including unusually warmer conditions and increased risk of heat waves.

3.2 Chantal Deveraux Larkin, Department of Families, Seniors, Disability Services and Child Safety (Community Recovery) - Overview of the personal hardship support system template

Chantal Deveraux Larkin provided a presentation on the Personal Hardship Assistance Scheme, on behalf of the Department of Families, Seniors, Disability Services and Child Safety (Community Recovery Assistance). A general discussion was held regarding challenges of sharing information to the community regarding the availability of this support, and the location of information hubs. The Chair enquired about the progress of fellowship research completed by Annabelle Johnstone. It was recommended that the findings of this research be shared at a future meeting of the LDMG.

3.3 Grant Higgs, NBN - Upgrades to the resilience of the NBN network in the Lockyer Valley and temporary network infrastructure available

Grant Higgs from NBN provided a presentation on current NBN technologies available across the region. The presentation also included an overview of temporary network infrastructure options, in the event of network outages / damaged infrastructure. NBN's disaster resilience strategies include use of the network's fixed line, wireless, and satellite technologies, backup power solutions, and emergency management capabilities, including portable satellite kits for evacuation centres and ongoing fibre upgrades to improve network reliability during disasters.

MEETING MINUTES

5 FEBRUARY 2026

5. BUSINESS ARISING FROM MINUTES

No Business Arising from Minutes.

UNCONFIRMED

6. LOCAL DISASTER COORDINATOR AND COMMITTEE REPORTS**6.1 Actions Arising from Previous Meetings****Author:** Michelle Kocsis, Disaster Management Advisor**Responsible Officer:** Scott Greensill, Interim Chief Executive Officer**Summary:**

The purpose of this report is to provide the Lockyer Valley Local Disaster Management Group (LDMG) an update on actions from the LDMG meeting held on 2 October 2025 and outstanding actions from previous meetings.

Officer's Recommendation:

THAT the Local Disaster Management Group receive and note the Action Register provided separately to this report.

RESOLUTION

THAT the Local Disaster Management Group receive and note the Action Register provided separately to this report.

Moved By: R Browne**Seconded By:**

P Hardie

Resolution Number: LDMG/0077**CARRIED****Key Discussion Points:**

John Holdcroft (LVRC) provided an updated on the status of the action register, noting that most actions have been finalised.

6.2 Review of Lockyer Valley Local Disaster Management Plan Process**Author:** Michelle Kocsis, Disaster Management Advisor**Responsible Officer:** Scott Greensill, Interim Chief Executive Officer**Summary:**

The purpose of this report is to inform the Local Disaster Management Group (LDMG) that the review of the Lockyer Valley Local Disaster Management Plan (LDMP) will be undertaken and to request all agencies begin an internal review of their roles, responsibilities and functional commitments as outlined in the plan.

Officer's Recommendation:

THAT the Lockyer Valley Local Disaster Management Group note the commencement of the Local Disaster Management Plan review and request all agencies review their roles and responsibilities and provide any proposed updates to support the revised plan.

RESOLUTION

THAT the Lockyer Valley Local Disaster Management Group note the commencement of the Local Disaster Management Plan review and request all agencies review their roles and responsibilities and provide any proposed updates to support the revised plan.

Moved By: G Wade**Seconded By:**

Cr Hagan

Resolution Number: LDMG/0078**CARRIED****Key Discussion Points:**

John Holdcroft (LVRC) asked all agencies to review their roles and responsibilities as currently specified in the Lockyer Valley Local Disaster Management Plan (LDMP). Any deviations or updates, including proposed alternative wording, will need to be communicated with Council's Disaster Management team, to help support finalisation of the revised plan.

6.3 Removal of Sub Plans**Author:** Madonna Gibson, Disaster Management Officer**Responsible Officer:** Scott Greensill, Interim Chief Executive Officer**Summary:**

This report seeks the Local Disaster Management Group's endorsement of the removal of several Local Disaster Management Group sub plans on the basis their content is either:

- duplicated within the Local Disaster Management Plan (LDMP),
- addressed through operational procedures, or
- incorporated within other endorsed sub plans.

This approach supports a streamlined framework that aligns with best-practice principles and reduces duplication across documents.

Officer's Recommendation:

THAT the Local Disaster Management Group endorse the removal of the following sub plans, noting that all relevant strategic and operational arrangements are appropriately addressed within the Lockyer Valley Local Disaster Management Plan and associated operational procedures:

- **Evacuation Centre Management Sub Plan – Version 4.0**
- **Public Information and Warnings Sub Plan – Version 2.0**
- **Donated Goods Sub Plan – Version 3.0**
- **Animal Management Sub Plan – Version 1.0**
- **Resupply Sub Plan – Version 3.0**

RESOLUTION

THAT the Local Disaster Management Group endorse the removal of the following sub plans, noting that all relevant strategic and operational arrangements are appropriately addressed within the Lockyer Valley Local Disaster Management Plan and associated operational procedures:

- **Evacuation Centre Management Sub Plan – Version 4.0**
- **Public Information and Warnings Sub Plan – Version 2.0**
- **Donated Goods Sub Plan – Version 3.0**
- **Animal Management Sub Plan – Version 1.0**
- **Resupply Sub Plan – Version 3.0**

Moved By: A McGregor**Seconded By:**

C Wilson

Resolution Number: LDMG/0079

LOCAL DISASTER MANAGEMENT GROUP

5 FEBRUARY 2026

CARRIED

Key Discussion Points:

John Holdcroft (LVRC) provided an overview of this agenda item, and further explanation to support the removal of irrelevant sub plans. No questions or concerns were raised by the group.

UNCONFIRMED

6.4 Receipt of Agency Status Reports

Author: Madonna Gibson, Disaster Management Officer
Responsible Officer: Scott Greensill, Interim Chief Executive Officer
Summary:

Agency status reports have been submitted by the following agencies to be received and noted by the Local Disaster Management Group.

Officer's Recommendation:

THAT the Local Disaster Management Group receive and note the following agency status reports:

- West Moreton Health
- Red Cross
- Lockyer Valley Regional Council
- Queensland Police Service
- State Emergency Service
- Queensland Parks and Wildlife Service
- Seqwater
- Department of Transport and Main Roads
- Urban Utilities

And

THAT the following reports have since been provided for the Group to receive and note.

- Queensland Ambulance Service
- Queensland Fire Department

RESOLUTION

THAT the Local Disaster Management Group receive and note the following agency status reports:

- West Moreton Health
- Red Cross
- Lockyer Valley Regional Council
- Queensland Police Service

- **State Emergency Service**
- **Queensland Parks and Wildlife Service**
- **Seqwater**
- **Department of Transport and Main Roads**
- **Urban Utilities**

And

THAT the following reports have since been provided for the Group to receive and note.

- **Queensland Ambulance Service**
- **Queensland Fire Department**

Moved By: G Wade

Seconded By:

C Wilson

Resolution Number: LDMG/0080

CARRIED

Key Discussion Points:

Agencies listed above provided an overview of their reports as needed.

The Australian Red Cross highlighted to the group Extreme Heat Awareness Day as well as Emergency Ready workshops, the latter currently available through the Red Cross. These workshops can be tailor made to run for thirty minutes to two hours.

Lockyer Valley Regional Council (LVRC) spoke to Get Ready Day, which will again occur in August 2026. Agencies are encouraged to come and participate. The Chair requested the date be confirmed and communicated to agencies as soon as possible. LVRC also provided an update on the flood warning infrastructure network system, noting that five new sites have been installed, however currently awaiting station IDs to allow these sites to be operational. The Bureau has advised an indicative time to provide allocated Station IDs originally requested in August 2025 LVRC also provided an updated on the Laidley Flood Mitigation Project.

The Chair acknowledged the partnership between Council, QRA and TMR regarding collaboration on the Laidley Flood Mitigation Project. The Chair spoke to the importance of engaging with the community regarding the delivery of this project, including completion dates and project outcomes.

The State Emergency Service continues recruitment for its volunteer roles. SES also spoke to continued training, and the receipt of new vehicles, made available through grant funding. The SES raised concerns regarding flood readiness, with limited flood boats available in the region. A request was made for the LDMG to write to the Minister for Police and Emergency Services, Daniel Purdie MP, as well as the State Member for Lockyer, Jim McDonald MP for resourcing assistance to increase operational readiness.

LOCAL DISASTER MANAGEMENT GROUP
MEETING MINUTES

5 FEBRUARY 2026

RESOLUTION

THAT the Local Disaster Management Group write a letter to the Minister for Police and Emergency Services, Daniel Purdie MP, as well as the State Member for Lockyer, Jim McDonald MP seeking resourcing assistance to manage reduced local flood response capability.

Moved By: J Holdcroft

Seconded By:

L Grayson

Resolution Number: LDMG/0081

CARRIED

6.5 Mount Whitestone Quarterly Report

Author: Madonna Gibson, Disaster Management Officer
Responsible Officer: Scott Greensill, Interim Chief Executive Officer
Summary:

Quarterly report for Mount Whitestone landslip presented by Department of Transport and Main Roads to be received and noted by the Local Disaster Management Group.

Officer's Recommendation:

THAT the Local Disaster Management Group receive and note the Mount Whitestone Quarterly Summary Slope Monitoring Report dated December 2025, as attached to this report.

RESOLUTION

THAT the Local Disaster Management Group receive and note the Mount Whitestone Quarterly Summary Slope Monitoring Report dated December 2025, as attached to this report.

Moved By: Cr Hagan **Seconded By:** R Browne
Resolution Number: LDMG/0082

CARRIED

Key Discussion Points:

Anil Dewage (TMR) provided an overview of the report. Although there have been decreased rates of slope movement, new signs of ground deformation are apparent from the ongoing landslide movement. The pavement surface also continues to show signs of deterioration.

7.0 ITEMS FOR INFORMATION**RESOLUTION**

THAT the Local Disaster Management Group receive and note the following items for information:

- 7.1 - Changes to Queensland's Disaster Management Arrangements**
- 7.2 - Powers of Local Government over Local Disaster Management Groups**
- 7.3 - Training Needs Analysis**
- 7.4 - Notice of National Stockpile Flood Mitigation Equipment**

Moved By: G Wade

Seconded By:

R Browne

Resolution Number: LDMG/0084

CARRIED

7.1 Changes to Queensland's Disaster Management Arrangements

Author: Madonna Gibson, Disaster Management Officer

Responsible Officer: Scott Greensill, Interim Chief Executive Officer

Purpose:

The purpose of this report is to inform the Lockyer Valley Local Disaster Management Group of a letter received from Dan Purdie, MP, Minister for Police and Emergency Services advising of changes to Queensland's Disaster Management Arrangements (QDMA).

This document is for the Local Disaster Management Group's information only.

Key Discussion Points:

John Holdcroft (LVRC) provided an overview of this agenda item. There were no further points of discussion.

7.2 Powers of Local Government over Local Disaster Management Groups

Author: Madonna Gibson, Disaster Management Officer
Responsible Officer: Scott Greensill, Interim Chief Executive Officer

Purpose:

The purpose of this report is to inform the Lockyer Valley Local Disaster Management Group of advice received by the Local Government Association of Queensland (LGAQ) from King & Co Solicitors regarding the powers of local government over Local Disaster Management Groups under the *Disaster Management Act 2003*.

This document is for the Local Disaster Management Group's information only.

Key Discussion Points:

John Holdcroft (LVRC) provided an overview of this agenda item. There were no further points of discussion.

**LOCAL DISASTER MANAGEMENT GROUP
MEETING MINUTES**5 FEBRUARY 2026

7.3 Training Needs Analysis

Author: Madonna Gibson, Disaster Management Officer
Responsible Officer: Scott Greensill, Interim Chief Executive Officer

Purpose:

To provide the Local Disaster Management Group with the Training Needs Analysis report prepared by the Queensland Police Service Emergency Management Coordinator.

This document is for the Local Disaster Management Group's information only.

Key Discussion Points:

Matt Kelly (QPS) provided an overview of this agenda item. There were no further points of discussion.

7.4 Notice of National Stockpile Flood Mitigation Equipment

Author: Michelle Kocsis, Disaster Management Advisor
Responsible Officer: Scott Greensill, Interim Chief Executive Officer

Purpose:

The purpose of this report is to inform the Local Disaster Management Group (LDMG) of National Emergency Management Agency capability to support the State with flood mitigation equipment.

This document is for the Local Disaster Management Group's information only.

Key Discussion Points:

Michelle Kocsis (LVRC) provided an overview of this agenda item. There were no further points of discussion.

17/11/2025 – 17/02/2026	10	6	Nil	4	20

- Injury:
 - Toowoomba Connection Rd, single vehicle crash. Vehicle begun to slide out, roadway was damp at the time due to rain.
 - Vehicle was travelling up the range (Toowoomba Connection Rd) and has lost traction and veered off the left side of the road and hit a large tree. Roadway was damp at the time due to rain.
 - Toowoomba Bypass, Balard. Vehicle collided with a rear of the vehicle in front, whilst travelling eastbound.
 - Single vehicle traffic crash with injury occurred on the Warrego Hwy, WB @ Sandy Creek. Driver has lost control of the vehicle which has caused the vehicle to traverse down the centre embankment, up the other side before colliding with the armco on the EB side of the Hwy.
 - Single vehicle traffic crash with injury occurred on the Toowoomba Connection/Range WB. Admission made to wheelie and losing control. TIN issued.
 - Two vehicle crash on Preston Boundary Rd. minor injuries
 - Two vehicle crash, Gattton Helidon Road. Vehicle collided with rear of car awaiting to turn.
 - Motorcycle failed to negotiate a sweeping left bend and has left the road surface, crashing into the embankment. Airifted with life threatening injuries.
 - Warrego Hwy, Helidon Spa. Vehicle crashed into tree, believed to be a possible suicide attempt.
 - Blanchview Rd, Driver swerved to avoid oncoming vehicle. Minor injuries.
- Non injury:

ECM Doc ID:

		<ul style="list-style-type: none"> - Toowoomba Connection Rd. vehicle lost control travelling down the range in the wet. - Toowoomba Connection Rd/Parkridge Rd. Vehicle failed to give way resulting in the collision. - Vehicle lost control whilst adjusting AC. Damaged to wire guard rails. - Toowoomba Connection Rd/Tabletop Rd. vehicle had crashed into the bush area to the left of Tabletop Road and was on fire. Vehicle later identified as recent stolen. Investigation still ongoing. - Vehicle struck the wire barrier. Toowoomba Connection Rd, Postmans Ridge. - Toowoomba Connection Rd, up the range. driver lost control of the vehicle, left the roadway and crashed into a Toowoomba Regional Council Fence. <ul style="list-style-type: none"> • Hit and run: <ul style="list-style-type: none"> - Toowoomba Connection Rd, vehicle lost control in the wet, resulting in vehicle behind colliding trying to avoid the vehicle losing control. - Flagstone Creek Rd. driver swerved of the road to avoid oncoming car, minor damage. Details exchanged. - 196 Hartz Rd. Unknown vehicle hooning and lost control, damaging fence. - Vehicle reversed into each other while waiting to turn onto Warrego Hwy, Helidon Spa. • QPS raised that there is an ongoing issue on Toowoomba Connection Road involving a section of pavement that becomes slippery. Residents have also raised concerns about the lack of lighting from property 791 through to the start of the 100 km/h zone, as they feel the unlit area presents a safety risk. TMR has conducted traction and skid resistance testing on the road, and all results met the required standards. Further investigations by TMR are continuing. • No other contributing circumstances with environment, road or signage identified. All other accidents resulted due to driver error, hooning or careless driving.

		<ul style="list-style-type: none"> • Non Injury <ul style="list-style-type: none"> - 2 Spencer/William however no real pattern or issues apart from that intersection. • Hit & Run <ul style="list-style-type: none"> - (non – injury) – largely in town/shops/etc • Spencer and William Street was discussed due to recent accidents. TMR advised that detailed designs have been finalised with a view for construction next year. • No other contributing circumstances with environment, road or signage identified. All other accidents resulted due to driver error. 	
25/02/2026	Warrego and Heise Road Intersection	<p>A recent crash at this location appears to be related to driver error during a right-turn into Heise Road. There is currently no dedicated turn lane, resulting in gravel tracking across the highway and an increased turning risk. In the recent incident, a vehicle turning right from Heise Road reportedly failed to see oncoming traffic.</p> <p>TMR has advised that a treatment may be considered if crash frequency increases. Should this become an ongoing issue, TMR may close the right-turn movement and instead develop a U-turn treatment for Heise Road. This is not currently planned but would be implemented based on future crash data.</p> <p>Matt will follow up with the North Coast region to confirm whether this intersection is already on their radar.</p>	Matthew Lennon
25/02/2026	Sealing of approaches	<p>LVRC is investigating a program to seal approximately 50–100 metres of the braking zone on lower order gravel side roads where they intersect with the Warrego Highway. These locations currently experience gravel tracking onto the highway and issues caused by graders “nosing out” gravel during maintenance activities. The proposed sealing treatment aims to reduce gravel migration and improve safety on the highway approaches.</p> <p>TMR raised no objections to the proposal.</p>	Matthew Lennon

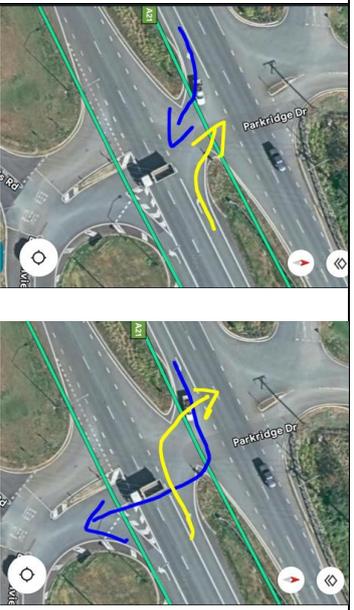

ECM Doc ID:

		TMR recommended consulting with RoadTek maintenance crews to determine whether they have identified any issues. It was also suggested to check whether an RMPC contribution may be available to support the works.	
25/02/2026	Smithfield Road – Truck Access at Davey’s Bridge	Concerns raised regarding heavy vehicle access at Davey’s Bridge and requested that signage be installed at the beginning of Old Toowoomba Road noting there is “no truck access to Gatton via Old Toowoomba Road”. This would help prevent heavy vehicles from inadvertently attempting to use the restricted route.	Rowland Browne
25/02/2026	Blackspot Working Bee	A FYI - there is going to be a Blackspot Working Bee on 17 March at TMR in Toowoomba. An email will/has been sent to Council’s Grants sections.	Anta Sullivan
25/02/2026	Line Marking at Toowoomba Connection Road and Parkridge Drive, Withcott	QPS have raised concerns regarding the current line marking and signage at the intersection of Toowoomba Connection Road and Parkridge Drive. Drivers turning right from Toowoomba Connection Road are experiencing confusion due to the absence of dedicated turning line markings. QPS also advised that the transition from the 100 km/h zone to the 80 km/h zone occurs only approximately 200 metres before the intersection, which limits enforceability and may be contributing to unsafe driver behaviour. When turning left off the highway toward Toowoomba, motorists are required to obey a Give Way sign however, the current configuration may not be sufficiently clear to all drivers.	Glen Thomas

9. DEPUTATIONS/PRESENTATIONS

The Mayor, Cr Milligan will be presenting a thank you certificate to Madonna Gibson, on behalf of The Local Government Association of Queensland, in recognition of her participation in the Council2Council Support Program, where she supported McKinlay Shire Council during the North Queensland Monsoon and ex-Tropical Cyclone Koji.

10. EXECUTIVE OFFICE REPORTS**10.1 Summary of Council Actual Performance v Budget 28 February 2026****Author:** Dee Stewart, Acting Chief Financial Officer; Kylie King, Financial Accountant**Responsible Officer:** Scott Greensill, Chief Executive Officer

Purpose:

The purpose of this report is to provide Council with an update of Council's financial performance against budget for the financial year to 28 February 2026

Officer's Recommendation:

THAT Council receive and note the Summary of Council Actual Financial Performance versus Budget to 28 February 2026.

Executive Summary

In accordance with Section 204 of the Local Government Regulation 2012, a financial report summarising the progress of Council's actual performance against budget is to be presented to Council. This report provides a summary of Council's financial performance against budget for the financial year to 28 February 2026.

At 28 February 2026, revenues are above target and expenditures are under target. Variations are monitored and variances of a permanent nature will be presented to Council for amendment during the next budget amendment.

Proposal

Monthly reporting of Council's financial performance is a legislative requirement and reinforces sound financial management practices throughout the organisation. The following report provides a summary of Council's financial performance against budget to 28 February 2026.

Operating Revenue - Year to date target \$69.15 million actual \$70.59 million or 102.08%

At 28 February 2026, overall operating revenue for the year to date is above target.

Rates and Utility Charges (Gross) on target

The second rates levy for 2025/2026 was issued on the 11 February 2026 with a due date of 18 March 2026. Rates will be closely monitored throughout the year regarding cash flow and overdue balances as well as whether growth targets are being achieved as forecast. 43.34% of the rates levy was collected as at 10 March 2026.

Charges and Fees above budget by \$0.62 million

This favourable variance is predominantly due to

- Development Assessment fees and charges \$0.60 million and
- Building and plumbing fees and charges \$0.18 million.

Operating Grants and Subsidies above budget by \$0.31 million.

This line item is above budget due to a higher than estimated reimbursement of costs for emergency works performed in the 24/25 financial year and a change in the way QRA have treated the trigger point. The trigger point has previously been deducted from emergency works payments but has been deducted from the REPA capital income for this event.

A summary of major variances:

Flood event emergency works over \$0.66 million

Growth and Policy funded operational projects under \$0.47 million

Tourism funded operational projects under \$0.20 million

Community Engagement over \$0.18 million

Operating Expenditure - Year to date target \$56.98 million actual \$53.15 million or 93.27%

Goods and Services under budget by \$4.13 million

Variations are mostly due to timing differences.

- Regional Development operating projects including water initiatives underspent \$2.72 million
- Growth and policy operating projects underspent \$1.48 million
- ICT operating projects and software maintenance underspent \$0.34 million
- Asset Management/Technical Services operating projects and contractors underspent by \$0.31 million
- Civil Operations contractors overspent by \$0.39 million
- Facilities power and contractors overspent by \$0.12 million
- RMPC contractors overspent by \$0.22 million which is offset by increased income

Capital Project Expenditure – Year to date target \$32.86 million actual \$19.32 million or 63.60%

At 28 February 2026, Council has expended \$19.32 million on its capital works program with a further \$11.49 million in committed costs for works currently in progress.

Council has spent \$12.61 million on the delivery of infrastructure projects with the main focus of the 2025/2026 capital works program moving away from the restoration of flood damaged roads under the REPA program and moving towards the renewal of existing assets. \$32.62 million, including carry forwards, has been included in the capital works budget for roads and related infrastructure. Additional detail is provided in the capital works program within the attachment.

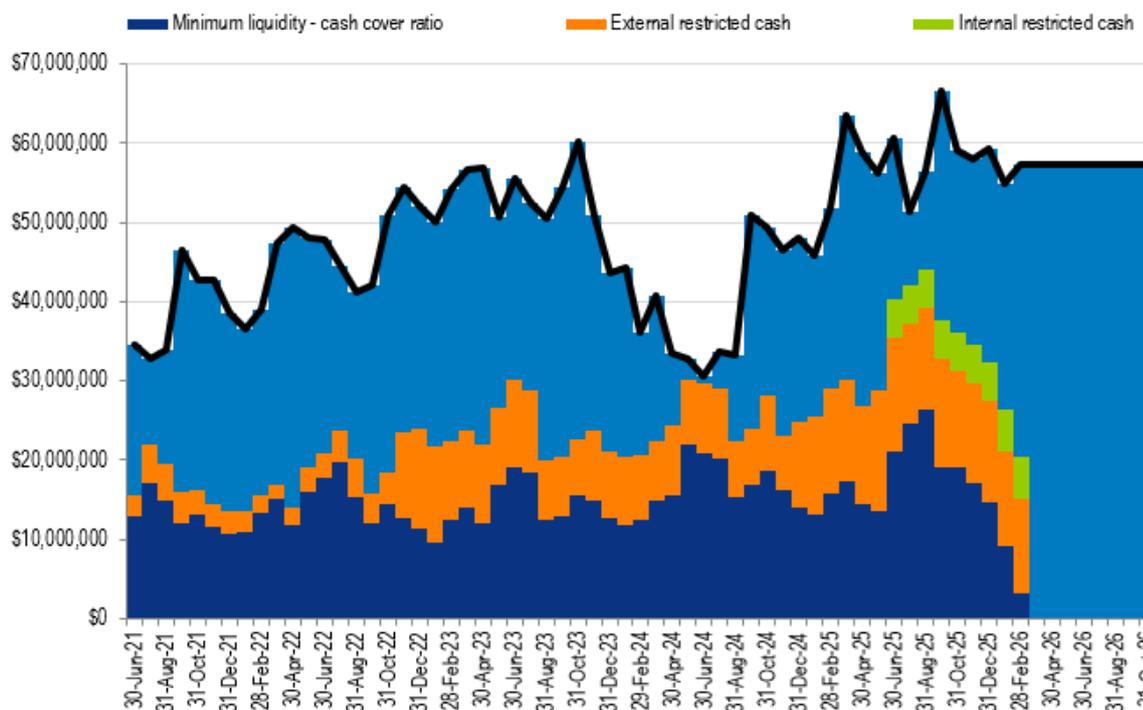

Statement of Financial Position

The Statement of Financial Position provides information on the breakdown of Council's assets and liabilities at a point in time. At 28 February 2026, Council had \$90.70 million in current assets compared to \$18.57 million in current liabilities with a ratio of 4.89:1. This means that for every dollar of current liability, there is \$4.89 in assets to cover it.

Statement of Cash Flows

The Statement of Cash Flows provides information on the amount of cash coming in and going out. As at 28 February 2026, there has been a net cash outflow of \$3.11 million with \$1.76 million inflow from operating activities, a net cash outflow of \$4.87 million from investing activities including capital revenue and expenditure. The Statement of Cash Flows is important as it shows the real movement in Council's cash balances, as opposed to the accounting movements shown in the Statement of Income and Expenditure. Historically, to maintain adequate working capital, it is estimated that Council needs around \$15 million cash at any one time. This is in addition to cash that is constrained for specific purposes. As at 28 February, Council's cash balance was \$57.35 million. Unexpended grant funds, which are restricted to be spent in accordance with the terms of the grant, are \$11.90 million.

Cash Balance Composition

Sustainability Measures

The Local Government Sustainability Framework represents the Department’s approach to working with Queensland Councils on sustainability challenges. It covers both financial and non-financial indicators.

The financial sustainability measures are included in Council’s monthly financial report. This is not a mandatory requirement of the new sustainability framework, but it is good financial practice to do so.

Council has met or favourably exceeded targets, based on the five-year average, set by the Department for the Lockyer Valley Regional Council. Graphical representation of Council’s financial performance for each of the sustainability measures has been included as an attachment to this report.

Strategic Implications

Corporate Plan

Leadership and Council Outcome:

- Undertake robust and accountable financial, resource and infrastructure planning and management to ensure affordable and sustainable outcomes for our community.
- Compliant with relevant legislation

Finance and Resource

Monitoring of budgets and actuals will remain important if Council is to achieve the financial results adopted as part of the 2025-26 Budget

Legislation and Policy

In accordance with section 204 of the Local Government Regulation 2012, a financial report summarising the progress of Council’s actual performance against budgeted performance is to be provided to Council

Risk Management

10.2 Corporate Risk Management Policy (inc. Risk Appetite Statement)

Author: Madonna Brennan, Risk, Audit and Corporate Planning Advisor
Responsible Officer: Scott Greensill, Chief Executive Officer

Purpose:

The purpose of this report is to seek adoption by Council of the Corporate Risk Management Policy (inc. Risk Appetite Statement).

Officer's Recommendation:

THAT Council adopt the Corporate Risk Management Policy (including Risk Appetite Statement), as attached to this report.

Executive Summary

Under the *Local Government Act 2009*, Council is required to adopt policies, procedures and guidelines that support sound governance. Council must also maintain a documented record of risks and associated control measures. The risk appetite statement outlines the level and nature of risk that Councillors and officers are willing to accept in achieving Council's strategic outcomes and commitments.

Council's Risk Appetite Statement has been reviewed and updated to reflect the current appetite and tolerance of the organisation and is presented to Council for adoption.

Proposal

Managing risk is integral to good governance, effective management practices, and sound decision-making at Council.

The purpose of the Corporate Risk Management Policy and Risk Appetite Statement (the Policy) is to define Council's approach to managing organisational risk, including the identification of risk types and categories and the establishment of risk appetite and tolerance levels.

The Policy also outlines overarching risk management principles and establishes clear organisational responsibilities for the ongoing management and implementation of Council's Corporate Risk Management Framework and risk registers.

The revised Risk Appetite Statement, included with the Corporate Risk Management Policy, defines the level of risk Council is willing to accept, manage, and/or avoid in pursuing its strategic vision, outcomes, and commitments. The Risk Appetite Statement also operationalises Council's risk tolerance by outlining parameters for risk-taking and providing guidance on how the Statement is applied to day-to-day business activities and decision-making.

The updated Corporate Risk Management Policy, including the revised Risk Appetite Statement, is attached to this report for Council's consideration and adoption.

Previous Council Resolutions

Ordinary Meeting of Council 17 March 2021 (20-24/0264)

THAT Council adopt the Draft Risk Appetite Statement, as attached to these Minutes, and remove all references to draft from the document.

Moved by: Cr Wilson

Seconded by: Cr Qualischefski

Ordinary Meeting of Council 17 May 2023 (20-24/0811)

That Council adopt the Internal Audit Policy and Corporate Risk Management Policy, as attached to these minutes

Moved by Cr Wilson

Seconded by Cr Hagan

Strategic Implications

Corporate Plan

Lockyer Leadership and Council;
Compliant with relevant legislation

Finance and Resource

Budget implications will continue to be addressed through existing allocations.

Legislation and Policy

Council's Policy Framework has been adhered to in the development and review of the Policy outlined in this report. It complies with the requirements of relevant legislation and standards, in particular the *Local Government Act 2009* and its *Regulation 2012* and ISO 31000 the international standard for risk management.

Any future policy and legal implications will be addressed as matters arise before Council.

Risk Management

The current risk appetite statement was approved in the previous term of Council, therefore may be ambiguous of the current elected members appetite and tolerance for the management of the organisations risk.

Consultation

Portfolio Councillor Consultation

Deputy Mayor, Councillor Chris Wilson, the Portfolio Councillor for Audit and Risk, was briefed as part of the presentations made to the Councillor Workshops on 10 December 2025 and 3 March 2026. Cr Chris Wilson also participated in Audit and Risk Management Committee discussions on the redevelopment of Council's Corporate Risk Management Policy (inc. Risk Appetite Statement).

Internal Consultation

Subject matter experts, Principals, Managers, and Group Managers were consulted to review Council's risk policy and appetite statement. Input was gathered on the document's usability, risk categories, appetite and tolerance levels, supporting statements, and the risk consequence matrix. Feedback was also requested regarding future engagement for implementing and educating on risk management.

The Corporate Risk Management Policy (inc. Risk Appetite Statement) has been reviewed by Council's Governance Team to ensure compliance with Council's Policy Framework.

External Consultation

The draft Corporate Risk Management Policy (including Risk Appetite Statement) was discussed at the Audit and Risk Management Committee (ARMC) held on Thursday 11 December 2025. The ARMC includes three independent members.

Community Engagement

Once adopted by Council the Corporate Risk Management Policy (inc. Risk Appetite Statement) will be published on Council's website.

STRATEGIC

Corporate Risk Management (including Risk Appetite Statement)

Head of Power

Local Government Regulation 2012

International Standard ISO 31000:2018 Risk Management – Principles and Guidelines

Key Supporting Council Document

Lockyer Valley Regional Council Corporate Plan (2022-2027):

- Undertake robust and accountable financial, resource and infrastructure planning and management to ensure affordable and sustainable outcomes for our community.
- Compliant with relevant legislation.

Definitions

Corporate Risk Management Framework Guideline (Framework)	The guiding document that outlines and identifies how Council manages risk.
Control	A control is any measure or action in place which modifies or regulates risk.
Council	Lockyer Valley Regional Council
Management	Council's Executive Leadership and Management Teams.
Risk	The effect of uncertainty on objectives.

Group: Executive Office
Unit: Business Improvement

Page 1 of 14

Risk Appetite	The level of risk which Council is prepared to accept, absorb or retain in pursuit of its strategic outcomes and commitments.
Risk Category	The category or criteria that describes the risk (ie financial, asset, reputational)
Risk Level	The level of risk is the outcome of conducting a risk assessment based on risk consequence matrix and risk likelihood matrix (ie extreme, high, medium or low)
Risk Management	The coordinated activities to direct and control an organisation with regard to risk.
Risk Registers	The document where Council's identified risks are captured in line with their risk type.
Risk Tolerance	The level of risk which Council is prepared to tolerate outside or above its appetite in pursuit of its strategic outcomes and commitments
Risk Type	The type of risks that affect Council (ie. strategic, operational and project)
Treatment	The additional action required to be undertaken to further mitigate, regulate and control a risk (reduce level of risk).

Policy Objective

The purpose of this policy is to broadly define Lockyer Valley Regional Council's approach to managing risk in the organisation, including defining its risk types, risk appetite and tolerance.

Policy Statement

Managing risks is an integral part of good governance, management practice and decision making at Council.

Council's risks are identified by category, type and the level of risk to Council and are captured in their applicable risk register. Adequacy of current controls is considered within the context of Council's risk appetite. Where the risk appetite threshold has been breached, treatments are required to bring the exposure level back to an acceptable range. Council is committed to providing the necessary available resources to assist those accountable and responsible for managing risk in the organisation.

Management accepts responsibility for managing the organisation's risk and applicable risk registers. Council and its Audit and Risk Management Committee accept responsibility for overseeing risk management in the organisation.

Risk Management Principles

The application of this Policy is defined, guided and supported by the following best practice risk management principles from the Australian Standard *AS/NZS ISO 31000:2018 Risk Management Guidelines*.

- Integrated – risk management is an integral part of all Council's operations and activities.
- Structured and comprehensive – a structured and comprehensive approach to risk management contributes to consistent and comparable results.

Page 2 of 14

- Customised – this Corporate Risk Management Policy and supporting Framework and its processes are customised and proportionate to Council’s external and internal context related to its strategic outcomes and commitments identified in the Corporate Plan.
- Inclusive – appropriate and timely involvement of stakeholders enables their knowledge, views and perceptions to be considered. This results in improved awareness and informed risk management.
- Dynamic – risk can emerge, change or disappear as Council’s external and internal context changes. Risk management anticipates, detects, acknowledges and responds to those changes and events in an appropriate and timely manner.
- Best available information – the inputs to risk management are based on historical and current information, as well as on future expectations. Risk management explicitly takes into account any limitations and uncertainties associated with such information and expectations. Information should be timely, clear and available to relevant stakeholders.
- Human and cultural factors – human behaviour and Council’s culture significantly influence all aspects of risk management at each level and stage.
- Continual improvement – risk management is continually improved through learning and experience.

Human Rights

Council is committed to respecting, protecting and promoting human rights. Council has an obligation under the *Human Rights Act 2019* to consider human rights when making a decision, and to act and make decisions in a way that is compatible with human rights. To the extent that an act or decision under this policy may engage human rights, Council will have regard to the *Human Rights Act 2019* in undertaking the act or making the decision.

Document Review

The Corporate Risk Management Policy, Risk Appetite Statement and the Corporate Risk Management Framework are to be reviewed at least every three years and/or by exception to update in response to a change in circumstances and/or to address identified areas of improvement.

Risk Appetite Statement

Risk Appetite

Council's risk appetite defines how much risk it is willing to take, accept, manage, and/or avoid when working towards achieving its strategic vision and outcomes and the delivery of its services and functions.

Council, its committees, management and staff (including contractors and volunteers) are expected to consider Council's risk appetite in both strategic and operational decision making.

To fulfill its vision and strategic outcomes, Council recognises that taking on some level of risk is necessary for innovation, growth, and meaningful change. Council aims to limit risks that could impact staff safety, reputation, and governance, but at the same time supports and encourages greater risk-taking where it enables opportunities to achieve its strategic commitments

Council defines its risk appetite across four distinct categories, as detailed below:

Risk Averse	Cautious	Moderate	Open
Little to no appetite.	Small appetite.	Medium appetite	Large appetite.
Residual risk should be low.	Residual risk should be low to medium	Residual risk should be medium	Residual risk may be high to extreme.
All reasonably practical and affordable measures to minimise, and where possible eliminate the risk, are to be taken.	Preference is for risk mitigation than risk taking. Continuous improvements and innovative approaches to achieve efficiencies should be taken.	The option to take risk is to be selected based on outcome benefits, however, there should be a reasonable degree of protection.	Willing to consider risk and innovative approaches to achieving anticipated outcomes, with an acceptance of potential for failure.

Risk Tolerance

Risk tolerance establishes the parameters for risk-taking. The Risk Appetite Statement informs the development of risk tolerances for Council and provides guidance on how the Risk Appetite Statement is to be applied to everyday business activities and decisions.

Risk tolerance operationalises the Statement by using quantitative measures where possible to better enable monitoring and review, risk tolerance defines:

- Guidelines for mitigating, accepting, or pursuing various types of risks.
- Limits and thresholds for acceptable risk-taking; and
- Measures or consequences associated with exceeding defined tolerances.

Application of Risk Appetite Statement

Council's approach to managing risk in its daily operations is guided by the risk appetite and tolerance levels defined in this Risk Appetite Statement. This Statement constitutes a fundamental element of Council's Corporate Risk Management Framework, which coordinates the organisation's risk management process.

10.3 Request for Exemption to Engage a Sole Provider - OneRain Australia Pty Ltd

Author: John Holdcroft, Principal Disaster Management
Responsible Officer: Scott Greensill, Chief Executive Officer

Purpose:

To seek a Council resolution under Section 235(b) of the Local Government Regulation 2012 to enter into a Tier 2 medium sized contractual arrangement without first obtaining written quotes or tenders, enabling Council to procure and implement a like for like replacement for the Bureau of Meteorology (the Bureau) provided flood monitoring software prior to the Bureau ceasing support for the system on 30 June 2026. The contractual arrangement would allow Council to engage OneRain Australia Pty Ltd for an initial period of four (4) years, with options to extend for two (2) years on two occasions.

Officer's Recommendation:

THAT Council, in accordance with section 235(b) of the *Local Government Regulation 2012*, enter into a medium-sized contractual arrangement with OneRain Australia Pty Ltd for an initial period of four (4) years, with Council having the option to extend the arrangement for up to two (2) further periods of two (2) years each

Executive Summary

Section 228 of the Local Government Regulation 2012 requires Council to seek three written quotes for medium sized contractual arrangements valued between \$15,000 and below \$200,000. The Regulation also provides for specific exceptions where seeking competitive offers would be impractical or disadvantageous.

This report seeks approval to apply the exception under Section 235(b) to enable Council to procure and implement a replacement for the Bureau provided flood monitoring software prior to the Bureau ceasing support for the system on 30 June 2026.

Council proposes to enter into a contract with OneRain Australia Pty Ltd for an initial term of four (4) years, with Council having the option to extend for two (2) years on two occasions. This approach supports continuity of Council's real time flood intelligence capability, which underpins the community warning function and Local Disaster Coordination Centre (LDCC) operations.

Proposal

The Bureau is discontinuing its legacy, Bureau-provided real-time flood-monitoring software historically relied upon by councils to display and analyse rainfall and river-level telemetry for flood intelligence. The Local Government Association of Queensland has publicly identified the resulting cost shift to councils and the risk of reduced operational capability if timely replacements are not secured.

The Bureau's flood-warning service relies on partner networks; historically, the Bureau-provided flood-monitoring software was used in shared systems. With this platform being retired, councils must procure replacement systems to maintain local ingestion, display, alerting and analysis of real-time telemetry.

To maintain community safety and operational readiness, Council requires a replacement system that not only replicates the essential functionality of the outgoing platform but is also compatible with, and technically consistent with, the Bureau's contemporary flood-warning approach. This alignment is important as other

agencies are adopting this modernised architecture, and interoperability supports consistent data interpretation, efficient inter-agency coordination and improved troubleshooting, particularly during high-risk flood events.

Council's requirement is for demonstrated, evidence-based compatibility with ALERT/ALERT2 telemetry workflows and integration with existing base-station infrastructure prior to the cessation of Bureau support of the current system. Replacement capability must be operational by 30 June 2026 to avoid loss due to the system no longer being a supported service.

Council's evaluation and market scan indicate that only one supplier is reasonably able to deliver the like-for-like scope, compatibility requirements and implementation timeframe.

The procurement of the replacement software will be delivered over two phases:

- Phase 1: Like-for-like capability including ingestion of ALERT/ALERT2 telemetry; integration with existing flood-warning infrastructure; alerting; dashboard functions; and training, with go-live prior to 30 June 2026.
- Phase 2: Further development and enhancements, which are scoped but cannot be delivered before 30 June 2026 due to time and budget constraints. Phase 2 will be considered separately at a later time.

Options

1. Apply an exception under Section 235(b) of the Regulation to enter into a medium-sized contractual arrangement with OneRain Australia Pty Ltd.
- 2.
3. Do not apply an exception under Section 235(b). This option is not recommended, as it would introduce unacceptable operational and community-safety risks due to the 30 June 2026 deadline.

The justification for applying a contracting exception is that only one supplier is reasonably available to provide the specialised integration required for Council's real-time flood-monitoring environment, including demonstrated compatibility with ALERT/ALERT2 radio telemetry and Council's existing base-station architecture. This level of integration is essential to achieve a like-for-like operational capability within the mandated timeframe.

Continuity of critical public-safety services must be maintained. Real-time telemetry underpins community warnings and Local Disaster Coordination Centre operations, and any delay beyond 30 June 2026 when the Bureau plan to cease supporting the existing system, would create an unacceptable operational and community-safety risk.

On this basis, a contracting exception under Section 235(b) of the Local Government Regulation 2012 is justified.

Strategic Implications

Corporate Plan

Lockyer Community - Foster community resilience and coordinate the community's response to disaster events, with an outcome of enhanced wellbeing and safety of the community.

Finance and Resource

- Budget for replacement software is included in the 2025/26 budget.

-
- Annual operating and maintenance costs and delivery of Phase 2 will form part of future budget cycles.

Legislation and Policy

- *Local Government Act 2009*
- *Local Government Regulation 2012*
- LVRC Purchasing Policy

Under Section 235, a local government may enter a medium-sized contractual arrangement (between \$15,000 and below \$200,000 excluding GST) without first inviting written quotes or tenders when:

- (a) only one supplier is reasonably available; **or**
- (b) the specialised or confidential nature of the services makes inviting quotes impractical or disadvantageous; **or**
- (c) a genuine emergency exists; **or**
- (d) the purchase is made by auction; **or**
- (e) the contract is for second-hand goods; **or**
- (f) the contract is made with, or under an arrangement with, a government agency.

In the case of the service to be provide by OneRain Australia Pty Ltd, an Exception under Section 235(b) is sought.

Risk Management

Key Corporate Risk Category: FE2

10.4 World Cities Summit (WCS 2026)**Author:** Scott Greensill, Chief Executive Officer**Responsible Officer:** Scott Greensill, Chief Executive Officer

Purpose:

The purpose of this report is to seek Council's endorsement of the Mayor's attendance at the 2026 World Cities Summit (WCS 2026) to be held in Singapore during June. The Mayor has been invited to attend in her capacity as a Director of the Council of Mayors South East Queensland (COMSEQ) and all expenses associated with attendance are paid for by COMSEQ.

Officer's Recommendation:

THAT Council endorse the Mayor's attendance at the 2026 World Cities Summit (WCS 2026), noting that all costs are covered by the Council of Mayor's South East Queensland.

Executive Summary

Part of COMSEQ's role as the representative body for eleven South East Queensland Council's is to undertake international engagement and foster opportunities for collaboration which align closely with South East Queensland's (SEQ) ambitions for a future-focused, globally competitive regional economy.. The theme for the summit is "Liveable and Sustainable Cities: ACT Now! – Accelerate, Collaborate, Transform". The 10th edition of WCS will be held 14-16 June 2026 in Singapore and since 2008, over 250 cities have participated.

Proposal

The World Cities Summit (WCS) is a premier biennial global platform bringing together government leaders, city practitioners, international organisations, industry and academia to address the challenges of creating liveable, resilient and sustainable cities. The theme for the Summit is "Liveable and Sustainable Cities: ACT Now! – Accelerate, Collaborate, Transform".

The program includes plenaries, thematic tracks, roundtables, masterclasses, site visits, and the WCS Mayors Forum – an invitation-only platform for city leaders. to exchange insights on shared urban challenges. Participation offers an opportunity to connect with global peers and learn from Singapore's integrated approach to innovation, sustainability and urban transformation

Options

- Approve the Mayors attendance at the 2026 World Cities Summit (WCS 2026) in the Mayors capacity as a Director of the COMSEQ Board. (Noting that attendance is fully paid for by COMSEQ).
- Not approve the Mayors attendance at the 2026 WCS.

Previous Council Resolutions

A previous resolution approved the Mayors attendance at the COMSEQ international delegation to Dubai, the United Arab Emirates during 2025.

Given this Summit is less than a week and time difference is two (2) hours it is considered not necessary to nominate an Acting Mayor.

Critical Dates

The Summit runs from 14-16 June with travel on 13 and 19 June inclusive.

Strategic Implications

Corporate Plan

Lockyer Business, Farming, and Livelihood:

- Maximise opportunities through engagement and partnership with stakeholders to achieve a strong and resilient economy.
- Promote and market the Lockyer Valley as a destination for commerce, tourism and lifestyle.
- Attract and support education and employment opportunities for the community.

Finance and Resource

There are no financial or resource implications.

Legislation and Policy

There are no legislation or policy implications.

Risk Management

Intergovernmental relationships/relationships with other key stakeholders; P1-1 inadequate relationships with key stakeholders jeopardises positive outcomes for the community.

Consultation

Portfolio Councillor Consultation

Mayor.

External Consultation

COMSEQ CEO

10.5 Attendance at the 2026 National General Assembly of Local Government**Author:** Scott Greensill, Chief Executive Officer**Responsible Officer:** Scott Greensill, Chief Executive Officer**Purpose:**

The purpose of this report is to seek Council's endorsement for Lockyer Valley Regional Council (LVRC) representatives to attend the Australian Local Government Association (ALGA) National General Assembly (NGA) of Local Government which is being held in Canberra from Tuesday 23 June- Friday 25 June 2026.

Officer's Recommendation:

THAT Council approve the attendance of the Deputy Mayor - Cr Chris Wilson and Councillor Hagan, at the Australian Local Government Association (ALGA) National General Assembly (NGA) of Local Government to be held in Canberra from Tuesday 23 June- Friday 25 June 2026.

Executive Summary

The NGA is the national gathering of local governments, and provides councils with the opportunity to come together, share ideas, debate motions and most importantly unite and further build on the relationship between local government and the Australian Government.

Proposal

Council sends delegates to National General Assembly as it provides the opportunity to debate and vote on motions submitted by individual Councils. Delegates from each Council will vote on each motion and the Deputy Mayor will be the voting delegate. If Councils proposed motions are successful in being included in the agenda, then the Deputy Mayor has agreed to move the motions and speak to them initially, after which the normal rules of debate will be followed. Those motions that are passed at the Conference form the basis for ALGA priority tasks and lobbying activities for the following twelve months, therefore it is important from the perspective of advancing local government as an industry, to participate in the debate.

Council has submitted the following motions to be considered in the 2026 NGA Motion Agenda:

- Council calls on the Australian Government to undertake a local government-informed review of the DRFA Category C-funded Community Recovery and Resilience Officer program to ensure Guidelines and funding are made available to councils within two (2) months following a declared disaster, to ensure the goals of immediate and medium recovery and longer-term resilience can be achieved.
- Council calls on the Australian Government to provide a commitment of ongoing funding for the National Fire Ant Eradication Program. This includes urgent funding to the Fire Ant Suppression Taskforce (FAST) to deliver aerial treatment in the suppression zone.

Council resolved to submit these motions at the Ordinary Meeting held on 18 February 2026.

The Conference is titled "Stronger Together: Resilient. Productive. United" and the draft program is attached for Councillors information.

Options

1. Approve the Deputy Mayor, Cr C Wilson and Councillor Hagan to attend the conference.
2. Not approve the Deputy Mayor, Cr C Wilson and Councillor Hagan to attend the conference.

Previous Council Resolutions

Ordinary Council Meeting 20 August 2025
LGAQ Annual Conference Attendance

Critical Dates

The places will need to be booked and paid prior to the Early Bird Registration closure on 30 April 2026.

Strategic Implications

Corporate Plan

Lockyer Leadership and Council – undertake robust and accountable financial resource and infrastructure planning and management to ensure affordable and sustainable outcomes for our community.

Finance and Resource

Council's corporate membership with the LGAQ includes two registrations at the Annual Conference. The remaining registrations will be funded through Council's training and development budget.

At the time of writing, costs for other registrations are yet to be confirmed by the LGAQ.

Accommodation fees are not included and will be additional costs.

Legislation and Policy

There are no specific legal implications in relation to this report. The matters raised in this report are compliant with the Expenses Reimbursement and Provision of Facilities for Councillors Policy.

Risk Management

Key Corporate Risk Category: P1
Reference & Risk Descriptor: Political
Intergovernmental relationships/relationships with other key stakeholders

Consultation

This matter has been discussed with the Mayor, Councillors and Chief Executive Officer.

11. PEOPLE, CUSTOMER & CORPORATE SERVICES REPORTS**11.1 Land Asset Management Plan - Sale to Adjoining Landowner****Author:** Julie Lyons, Senior Property Officer**Responsible Officer:** Dan McPherson, Group Manager People, Customer and Corporate Services

Purpose:

The purpose of this Report is to seek Council's endorsement to dispose of Property No. 133210 to the adjoining landowner.

Officer's Recommendation:

THAT Council resolves to approve the disposal of 12 Harris Street, Grantham described as Property No. 133210 to the adjoining owner of 14 Harris Street, Grantham in accordance with Section 236(1)(c)(iv) of the *Local Government Regulation 2012* and on the condition that both lots are amalgamated into one lot.

Executive Summary

The purpose of this Report is to seek Council's endorsement to dispose of 12 Harris Street, Grantham described as Property No. 133210 (the Land) to the adjoining landowner of 14 Harris Street, Grantham described as Property No. 133240 (adjoining landowner).

Proposal

The Land is Land Swap land and is in the High Hazard Flood Risk Area.

Engagement has occurred with all adjoining landowners of the Land with only one adjoining landowner wishing to proceed to purchase the Land. The adjoining landowner has offered a purchase price of \$10,000.00 which meets market valuation and is agreeable to amalgamating the lots to create one lot.

The Land is shown below outlined in red:

Area	Approximately 1012m ²
Tenure	Freehold
Zoning	Limited Development

Options

- Option 1 - Dispose of the land to the adjoining landowner by entering into a REIQ Contract and undertake the amalgamation to create one lot.
- Option 2 - Do nothing and retain the Land.

Strategic Implications

Corporate Plan

Lockyer Leadership and Council

- Excellence in customer service
- Compliant with relevant legislation

Finance and Resource

Disposal of the Land will provide some revenue to Council whilst reducing Council’s management and maintenance responsibilities. Council’s Senior Property Officer will undertake the drafting of the Contract, amalgamation to create one lot and the conveyancing for the sale of the Land.

Legislation and Policy

Council may dispose of the and subject to section 236(1)(c)(iv) of the *Local Government Regulation 2012* which states that a local government may dispose of a valuable non-current asset other than tender or auction if the land is disposed of to a person who owns adjoining land if:

- the land is not suitable to be offered for disposal by tender or auction for a particular reason, for example the size or the existence of particular infrastructure on the land; and
- there is not another person who owns other adjoining land who wishes to acquire the land; and
- it is in the public interest to dispose of the land without tender or auction; and
- the disposal is otherwise in accordance with sound contracting principles.

The land at 12 Harris Street, Grantham is flood affected land that Council acquired through the land swap program following the 2011 and 2013 flood events. It is subject to a high hazard flood overlay under the Temporary Local Planning Instrument 2024 (Flood Regulation) and is zoned for Limited Development. As the use of the land is limited, and it is a good planning outcome for it to be used in conjunction, and amalgamated, with adjoining land, it is considered that it is in the public interest to apply the exception from tendering to enable the land to be sold to the interested adjoining property owner.

11.2 Renewal of Lease - Gatton Bowls Club - Application of Section 236(1)(c)(iii) of the Local Government Regulation 2012

Author: Julie Lyons, Senior Property Officer
Responsible Officer: Dan McPherson, Group Manager People, Customer and Corporate Services

Purpose:

The purpose of this report is to apply the exception from tendering under Section 236(1)(c)(iii) of the *Local Government Regulation 2012* to enable a new lease to be offered to the current Lessee for the lease of part of Property No. 110290 situated at 24 Old College Road, Gatton.

Officer's Recommendation:

THAT with respect to the request from the current Lessee to renew the lease over part of Property No. 110290, Council resolve to:

- (a) Apply the exception contained in Section 236(1)(c)(iii) of the *Local Government Regulation 2012* to enable a Lease to be offered to the current Lessee; and**
- (b) Delegate authority to the Chief Executive Officer to negotiate a Lease on terms satisfactory to Council.**

Executive Summary

The purpose of this report is to apply the exception from tendering under Section 236(1)(c)(iii) of the *Local Government Regulation 2012* to enable a new lease to be offered to the Gatton Bowls Club ('current Lessee') for the lease of part of Property No. 110290 situated at 24 Old College Road, Gatton.

Proposal

The current Lessee leases part of Property No. 110290 for part of their Volleyball Courts which form part of the Gatton Bowls Club. The lease expired on 18 December 2025 with no options to renew.

The current Lessee has requested to enter into a new lease over part of Property No. 110290 for a term of 10 years, noting that options cannot be offered with Trustee Leases.

The lease area is shown below in yellow:

Area	Approximately 239m ²
Tenure	Reserve for Recreation
Zoning	Open Space

Options

- Option 1 - Apply the exception contained in Section 236(1)(c)(iii) of the *Local Government Regulation 2012* and offer a new lease to the current Lessee.
- Option 2 - Advise the current Lessee that their request has been denied and a new lease will not be granted and provide reasons.

Strategic Implications

Corporate Plan

Lockyer Leadership and Council

- Excellence in customer service
- Compliant with relevant legislation

Finance and Resource

The annual rental for the current lease is \$1.00 per annum. It is proposed the new rental will be \$146.86 plus GST per annum which is in line with the State Land Rental Arrangement with an increase of 3% per annum.

The Lessee will be responsible for all outgoings as well as Titles Queensland lease registration fees. The Lessee will also be responsible for obtaining all required insurances.

No further costs are anticipated for Council as the lease document can be prepared internally by Council's Senior Property Officer.

Legislation and Policy

Section 236(1)(c)(iii) of the *Local Government Regulation 2012* provides an exception from the requirement to go to tender if the disposal is for the purpose of renewing a lease to the current Lessee.

11.3 Renewal of Lease - Promising Paws Inc. (formerly known as Brave Companion Dog Rescue) - Application of Section 236(1)(c)(iii) of the Local Government Regulation 2012

Author: Julie Lyons, Senior Property Officer
Responsible Officer: Dan McPherson, Group Manager People, Customer and Corporate Services

Purpose:

The purpose of this report is to apply the exception from tendering under Section 236(1)(c)(iii) of the *Local Government Regulation 2012* to enable a new lease to be offered to the current Lessee for the lease of part of Land No. 284870 situated at 2109 Rosewood Laidley Road, Laidley.

Officer's Recommendation:

THAT with respect to the request from the current Lessee to renew the lease over part of Land No. 284870, Council resolve to:

- (a) Apply the exception contained in Section 236(1)(c)(iii) of the *Local Government Regulation 2012* to enable a Lease for the extended area to be offered to the current Lessee; and**
- (b) Delegate authority to the Chief Executive Officer to negotiate a Lease on terms satisfactory to Council.**

Executive Summary

The purpose of this report is to apply the exception from tendering under Section 236(1)(c)(iii) of the *Local Government Regulation 2012* to enable a new lease to be offered to Promising Paws Inc ('current Lessee') for the lease of part of Land No. 284870 situated at 2109 Rosewood Laidley Road.

Proposal

The current Lessee leases part of Land No. 284870 for the purposes of a Dog Rescue Facility. The lease expires on 31 March 2026 with no options to renew.

The current Lease is in the name of Brave Companion Dog Rescue Inc however the new committee members have rebranded and are now known as Promising Paws Inc. The new lease will reflect the name change.

The current Lease area is shown below (yellow and green areas):

Area	Approximately 283.6 m ²
Tenure	Freehold
Zoning	Industry

The current Lessee has requested to increase their lease area so they can fence the area at their cost. The new requested lease area is shown below (yellow area only noting the grey area is not included as it is used by the Vietnam Veterans for storage):

Area	Approximately 1004 m ²
Tenure	Freehold
Zoning	Industry

Options

- Option 1 - Apply the exception contained in Section 236(1)(c)(iii) of the *Local Government Regulation 2012* and offer a new lease for the extended area to the current Lessee.
- Option 2 - Apply the exception contained in Section 236(1)(c)(iii) of the *Local Government Regulation 2012* and offer a new lease for the current lease area only to the current Lessee.
- Option 3 - Advise the current Lessee that their request has been denied and a new lease will not be granted and provide reasons.

Strategic Implications

Corporate Plan

Lockyer Leadership and Council

- Excellence in customer service
- Compliant with relevant legislation

Finance and Resource

The annual rental for the current lease is \$156.42 per annum. It is proposed the new rental will continue from the current rental with an increase of 3% per annum.

The Lessee will be responsible for all outgoings, lease costs including survey plan fees if required and registration fees. The Lessee will also be responsible for obtaining all required insurances.

No further costs are anticipated for Council as the lease document can be prepared internally by Council's Senior Property Officer.

Legislation and Policy

Section 236(1)(c)(iii) of the *Local Government Regulation 2012* provides an exception from the requirement to go to tender if the disposal is for the purpose of renewing a lease to the current Lessee.

12. COMMUNITY & REGIONAL PROSPERITY REPORTS

12.1 Request for Road Naming (RDN2025/0004) - Unmade Road Reserve off Egert Road, Stockyard

Author: Tammy Thomas, Technical Planning Officer
Responsible Officer: Amanda Pugh, Group Manager Community & Regional Prosperity

Purpose:

The purpose of this report is for Council to consider a request to name an existing road reserve, off Egert Road, Stockyard.

Officer's Recommendation:

THAT Council approve the name Stumkat Road for the road reserve located off Egert Road and along the southern boundary of Lot 81 CC21, and the road name sign be installed only when a constructed road is provided within the road reserve in accordance with the Lockyer Valley Planning Scheme.

Executive Summary

Council has received a request for the naming of an unmade road off Egert Road, Stockyard, shown in red on the map below.

Proposal

Council is responsible for assigning an official name to every gazetted road that is used to access properties. All proposed road names are considered in accordance with Council's *Naming of Roads, Park, Landmarks and*

Facilities Policy and AS/NZS 4819:2011. Under Council's policy, road names are to be appropriate and relevant, and from nominated categories.

The applicant has suggested the name of Stumkat Road and this name is recommended for Council's approval. This name accords with Council's policy, as the Stumkat family are owners of the land at the end of this road reserve, Lot 160 CC809. Helmut "Eddy" Stumkat relocated to Flagstone Creek in the 1970s and built a home in the district.

There is currently no constructed road within this road reserve. Officers have advised the applicant that if Council approves the proposed road name, a road name sign will not be installed until the road reserve a road is constructed within the road reserve in accordance with a development approval for Operational Works.

As the road reserve is not made and provides access to one allotment only, Council officers discussed the following options with the applicant:

1. Continue with the application to name the road, however until the road reserve is constructed in accordance with the Lockyer Valley Planning Scheme the road name will not be implemented and the road name sign will not be installed; or
2. Purchase the road reserve and incorporate this land into their allotment to provide direct access to Egert Road. This would provide 'constructed road access' to Lot 160 CC809, and a road name would not be required.

The applicant decided to proceed with the road naming.

A search of existing road names has been undertaken to ensure the recommended name is not currently used elsewhere in the region.

The road type 'Road' is considered appropriate in a rural area and complies with Council's *Naming of Roads, Park, Landmarks and Facilities Policy* and AS/NZS 4819:2011.

Options

1. Council approves the road name in accordance with the Officer's recommendation.
2. Council approves a road name other than as recommended.
3. Council does not approve a road name.

Strategic Implications

Corporate Plan

Lockyer Valley Regional Council Corporate Plan 2022–2027:

Plan, design and deliver essential infrastructure for roads, drainage, walkways and cycle paths for connectivity across the region.

Finance and Resource

There will be costs associated with the supply and installation of the road sign. It is not to be installed until other matters are resolved.

Legislation and Policy

All proposed road names are considered in accordance with Council's *Naming of Roads, Park, Landmarks and Facilities Policy* and AS/NZS 4819:2011.

Risk Management

Officers have researched the suggested road names and made a recommendation that meets Council's policy.

Consultation

Suggestions for the road name were provided by the applicant.

Owners of land with frontage to this road were asked to comment in relation to the proposed road names. One landowner responded with no objections. No response was received from the other landowner. These landowners will be advised of Council's decision.

Attachments

There are no attachments for this report.

12.2 Request for Road Naming (RDN2025/0006) - Development off Rangeview Drive, Gatton

Author: Tammy Thomas, Technical Planning Officer
Responsible Officer: Amanda Pugh, Group Manager Community & Regional Prosperity

Purpose:

The purpose of this report is for Council to consider a request to name six (6) new roads associated with a residential development at Rangeview Drive, Gatton.

Officer's Recommendation:

THAT Council approve the following names for the new roads to be created with Stage 1A of the subdivision of land at Rangeview Drive, Gatton, as shown on Overall Development Plan 3925-1A-101 by Leroy Palmer Consulting Engineers:

- Road A – Sanctuary Avenue
- Road B – Babbler Way
- Road C – Pardalote Place
- Road D – Peregrine Court
- Road E – Oriole Circuit
- Road F – Corella Way

Executive Summary

Council has received a request for the naming of six new roads being created with Stage 1A of a residential development at Rangeview Drive, Gatton.

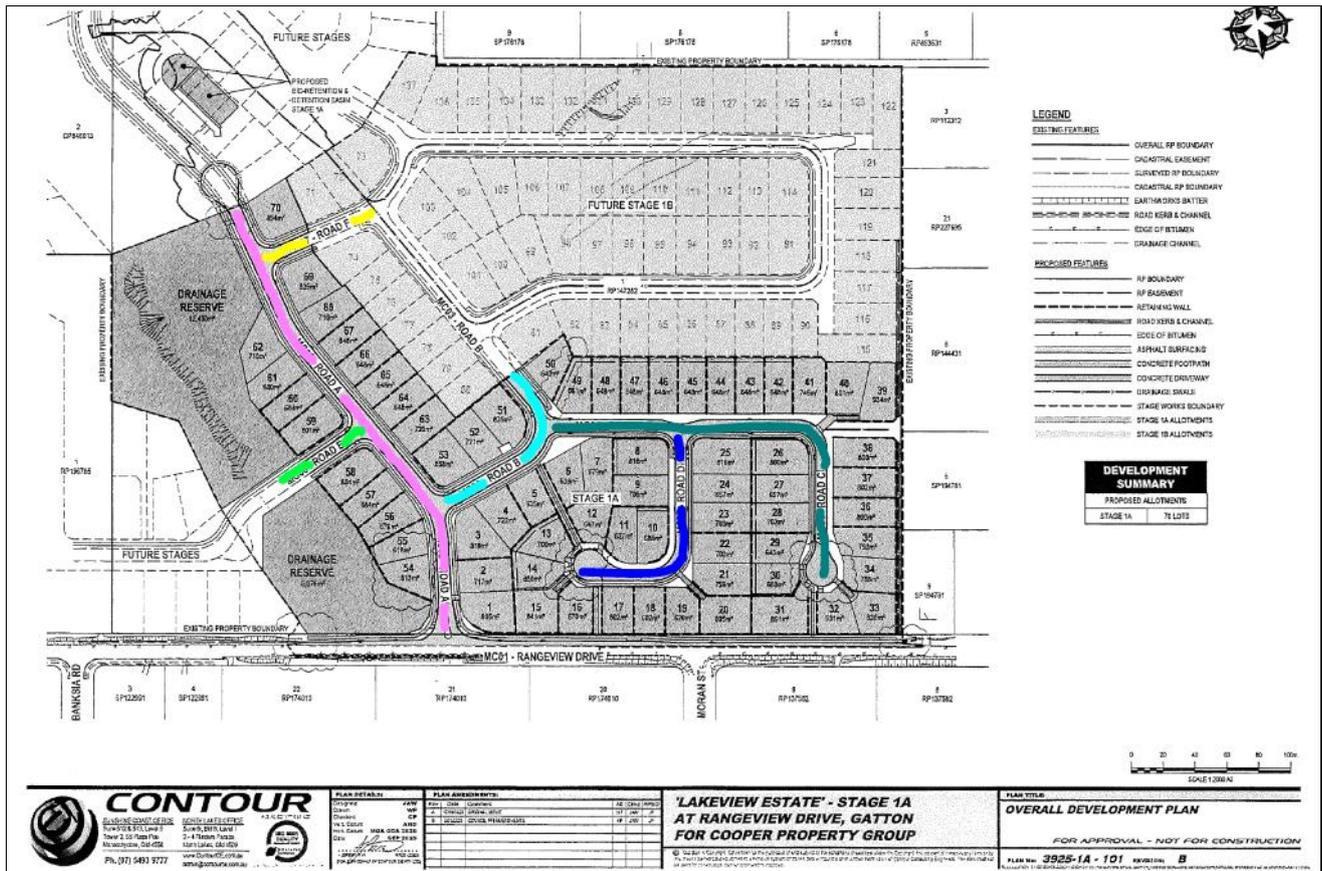

Proposal

Council is responsible for assigning an official name to every gazetted road that is used to access properties. Some of the proposed suggested road names are considered in accordance with Council's *Naming of Roads, Park, Landmarks and Facilities Policy* and AS/NZS 4819:2011. Under Council's policy, road names are to be appropriate and relevant, and from nominated categories.

The applicant has suggested the following road names:

1. Road A – Apex Avenue (pink)
2. Road B – Babbler Way (aqua)
3. Road C – Pardalote Place (dark green)
4. Road D – Peregrine Court (dark blue)
5. Road E – Oriole Circuit (light green)
6. Road F – Corella Way (yellow)

As Lake Apex Drive is within proximity of the development, Council Officers are recommending the name Sanctuary Avenue for Road A instead to avoid any confusion. The applicant has advised they agree to this road name.

The road names all accord with Council’s policy being fauna, specifically bird species, that have been identified at Lake Apex in high count and ‘Sanctuary’ represents a link to Lake Apex.

A search of existing road names has been undertaken to ensure the recommended names are not currently used elsewhere in the region.

The road types are considered appropriate and complies with Council’s *Naming of Roads, Park, Landmarks and Facilities Policy* and AS/NZS 4819:2011.

Options

1. Council approves the road names in accordance with the Officer’s recommendation.
2. Council approves road names other than as recommended.

Strategic Implications

Corporate Plan

Lockyer Valley Regional Council Corporate Plan 2022–2027:

- A development assessment process that facilitates sustainable outcomes for the community.

Finance and Resource

There will be no costs associated with the supply or installation of the road signage associated with the subdivision development, as this is the Developer’s responsibility under the conditions of their Development Permit.

Legislation and Policy

All proposed road names are considered in accordance with Council’s *Naming of Roads, Park, Landmarks and Facilities Policy* and AS/NZS 4819:2011.

Risk Management

Officers have researched the suggested road names and made a recommendation that meets Council's policy.

Consultation

Suggestions for the road names were provided by the applicant, with the exception of 'Sanctuary' which has been recommended by Council officers and agreed to by the applicant.

Internal Consultation

Officer consulted with Council's Environment Project Officer to confirm species of birds are associated with Lake Apex.

12.3 Amendment Subordinate Local Law No. 2 (Animal Management) 2025

Author: Annette Doherty, Manager Planning, Policy and Community Wellbeing
Responsible Officer: Amanda Pugh, Group Manager Community & Regional Prosperity

Purpose:

The purpose of this report is to seek a resolution from Council to make *Amendment Subordinate Local Law No. 2 (Animal Management) 2025* ('the ASLL') which will amend *Subordinate Local Law No. 2 (Animal Management) 2011*.

Officer's Recommendation:**THAT Council:**

1. **Make *Amendment Subordinate Local Law No. 2 (Animal Management) 2025* (as attached) with amendments to the version that underwent public consultation as follows:**
 - (a) **Changes to item 1 of Schedule 2 to:**
 - (i) **Include an exemption such that an approval is not required for the keeping of a foster dog where the dog is:**
 - the third dog on a lot between 1,500m² and 4,000m²; or
 - the fourth dog on a lot 4,000m² or more, but less than 20,000m²; and
 - (ii) **Remove mention of approval to keep more than four dogs on an allotment of 2ha or more to resolve contradiction with Schedule 1;**
 - (b) **Removal of section 3 of Schedule 4 – Minimum standards for keeping animals generally, relating to consideration of whether three complaints within 30 days from three separate households have been received;**
 - (c) **Removal of section (f) from items 2 and 3 of Schedule 5 Minimum standards for keeping particular animals, relating to a 10 metre setback for bird enclosures; and**
 - (d) **Addition of a new definition for 'foster dog' in Schedule 13.**
2. **Note the amendments are not substantial and public consultation will not need to be undertaken again;**
3. **Adopt a consolidated version of *Subordinate Local Law No. 2 (Animal Management) 2011* as amended by *Amendment Subordinate Local Law No. 2 (Animal Management) 2025*.**

Executive Summary

Amendment Subordinate Local Law No. 2 (Animal Management) 2025, ('the ASLL') proposes amendments to *Subordinate Local Law No. 2 (Animal Management) 2011*.

The proposed ASLL has undergone public notification and nine submissions were received. In accordance with Council’s process for making local laws, Council must consider all properly made submissions and decide whether to:

- (a) proceed with the making of the proposed subordinate local law as advertised; or
- (b) proceed with the making of the proposed subordinate local law with amendments (if the amendments are substantial, public consultation will need to be undertaken again); or
- (c) not proceed with the making of the proposed subordinate local law.

Proposal

The ASLL proposes the following amendments to *Subordinate Local Law No. 2 (Animal Management) 2011* including:

- (a) Implementing changes to the number of animals that can be kept including:
 - Adding provisions for keeping dogs and cats on caravan sites and multi-residential premises;
 - Reducing the number of dogs that can be kept on lots less than 4000m²;
 - Increasing (in some cases) the number of livestock that can be kept on lots less than 4ha;
 - Prohibiting keeping a bull on a lot less than 4000m²;
 - Allowing a limited number of pigs on a lot less than 4ha;
 - Prohibiting the keeping of peacocks and guinea fowl on a lot less than 1ha;
- (b) Adding requirements for enclosures for bulls on a lot less than 4ha; and
- (c) Making changes in relation to animal noise and the standards for keeping of birds.

At the Ordinary Meeting of Council on 19 November 2025, Council proposed to make the ASLL and to undertake public consultation in accordance with Council’s Local Law Making Process which requires:

- (a) consultation to be conducted for a period of at least 21 days;
- (b) a notice to published in a local newspaper;
- (c) the notice to be displayed at Council’s Gatton and Laidley offices and on Council’s website; and
- (d) making the proposed subordinate local law available at Council’s offices and on Council’s website.

Consultation was conducted from 8 January to 6 February 2026, during which time submissions could be made to Council. Nine submissions were received by Council during the consultation period. The matters raised in the submissions are addressed below.

MATTERS RAISED IN SUBMISSIONS	COMMENT
<p>Do not support the proposed amendments</p> <p>We do not support this proposed amendment.</p> <p>The amendment is not an improvement but more a nuisance to property owners. I find the draft confusing and hard to understand especially Schedule 2 - section 3 about large and small animals.</p> <p>Decreasing the number of animals on property is not going to stop complaints, it will cause more people to break the law.</p>	<p>A submitter was requested to provide further information as to which aspects of the proposed amendments they objected to, however no response was received.</p> <p>The proposed amendments don’t include any changes to the formatting of the Subordinate Local Law. Information sheets will be made available on Council’s website which clearly show how many animals can be kept and when an approval is required.</p> <p>The only proposed amendments that result in a reduction in the number of animals are:</p> <ul style="list-style-type: none"> • dogs on land less than 4000m²; • the prohibition on keeping a bull on less than 4000m²; • the prohibition on keeping a peacock and guinea fowl on a lot less than 1 hectare.

MATTERS RAISED IN SUBMISSIONS	COMMENT
	<p>Any amendments will not apply retrospectively, so any animal that is kept in compliance with the current local law can continue to be kept.</p> <p>No change to the ASLL is recommended in response to these submissions.</p>
<p>General support for the proposed amendments</p> <p>The amendments are very positive, including types of animals and required land size and the responsibilities in keeping those animals.</p>	<p>Noted</p>
<p>Objection to stipulating animal numbers based on land area</p> <p>My objection is to the use of blanket, land-size-based limits as a proxy for animal welfare, amenity and responsible ownership. Lot size alone is not an indicator of whether animals are being properly cared for or creating impacts on neighbours. A well-managed small holding can provide significantly better welfare outcomes than a larger property where animals are kept intensively or with minimal oversight.</p> <p>The proposed approach treats all owners equally regardless of competence, time availability or animal husbandry experience. This penalises responsible owners while failing to address poor welfare outcomes that can occur on larger properties.</p> <p>Queensland's animal welfare framework already provides mechanisms to respond to neglect, cruelty, biosecurity risks, odour, noise and public health concerns. Introducing rigid animal caps duplicates regulation while reducing flexibility and fairness.</p> <p>Modern local government regulation generally favours outcome-focused, performance-based standards over prescriptive rules. Fixed animal numbers tied solely to lot size do not assess actual impacts, welfare outcomes, or management quality.</p> <p>I strongly encourage Council to consider an approach based on demonstrated animal welfare and amenity outcomes, such as:</p> <ul style="list-style-type: none"> • Compliance with animal welfare and biosecurity standards; • Adequate housing, cleanliness and waste management; • Complaint-based or inspection-triggered enforcement; • Capacity for Council to assess animal keeping on a case-by-case basis; • Allowances for exemptions or permits where high standards of care are demonstrated. <p>This approach would better protect animal welfare, support responsible ownership, and allow Council to</p>	<p>It is not feasible to determine the number of animals that can be kept based on the facilities and capabilities of each animal owner.</p> <p>Using land area provides a simple guide to indicate the number of animals which may be acceptable. There are approval processes available should someone feel they have the facilities and capabilities to keep additional animals.</p> <p>It is noted that the subordinate local law is not just concerned about the number of animals being kept, but also the welfare of those animals, as it includes minimum requirements for keeping animals, e.g. proper enclosures of an appropriate size, and animals being kept in clean and sanitary conditions.</p> <p>Council does currently:</p> <ul style="list-style-type: none"> • require compliance with animal welfare and biosecurity standards; • have a subordinate local law that addresses adequate housing, cleanliness and waste management; • operates complaint-based and inspection-triggered enforcement; and • notwithstanding prohibitions, provides an approval process where an animal owner may demonstrate additional animals can be kept with no adverse impact on amenity or animal welfare. <p>No change to the ASLL is recommended in response to this submission.</p>

MATTERS RAISED IN SUBMISSIONS	COMMENT
target genuine issues rather than applying arbitrary restrictions.	
<p>Keeping of pigs</p> <p>I would like to see Council allow the ownership of pigs as surrounding Councils already allow it.</p>	<p>Subordinate Local Law No. 2 prohibits the keeping of pigs on a lot less than 4 hectares.</p> <p>Amendments are proposed which would prohibit a pig being kept on a lot less than 1 hectare, but would allow 1 pig on a lot of 1 to 2 hectares, and 2 pigs on a lot of 2 to 4 hectares.</p> <p>No change to the ASLL is recommended in response to this submission.</p>
<p>No provision made for the keeping of smaller livestock</p> <p>The draft includes restrictions on larger animals such as cattle, without reasonable accommodation for smaller animals, e.g. miniature breeds of cattle, goats, sheep, alpacas, etc. These smaller animals often have similar behavioural impacts as large dogs but are treated differently under the law. This inconsistency highlights a lack of thoughtful consideration of contemporary pet ownership.</p>	<p>The proposed amendments (and current subordinate local law) do address small animals. Specifically, a small animal includes a sheep, goat, alpaca, llama or similar animal.</p> <p>No change to the ASLL is recommended in response to this submission.</p>
<p>Guinea fowl</p> <p>Guinea fowl should be encouraged as they eat ticks and deter snakes. They cause no harm and are not loud.</p>	<p>The proposed amendments include prohibiting guinea fowl on a lot less than 1 hectare.</p> <p>Local Laws Officers advise that guinea fowl are known for wandering and creating noise nuisance, and recommend the prohibition on keeping guinea fowl on lots less than 1 hectare remains.</p> <p>No change to the ASLL is recommended in response to this submission.</p>
<p>Unrealistic criteria to be considered when deciding animal noise nuisance</p> <p>The definition of what constitutes an animal noise nuisance (Sch 4, s 2) is very reasonable; however, the criteria an authorised person must consider when deciding whether an animal makes a noise which disrupts or inhibits activity is not. These criteria should be scrapped or seriously reviewed.</p> <p>It is unlikely three separate households will lodge a complaint with Council within a 30 day period to meet this criteria. This all but ensures no complaint will be considered. If only one or two people are affected will their complaint be dismissed? One complaint should be sufficient for at least basic investigation.</p> <p>The unrealistically high threshold for response will effectively undermine the improvements made to the definition of nuisance, with a potential consequence being an increase in complaints meeting the definition of “nuisance”, with a corresponding decrease in the duty for Council to investigate.</p>	<p>This matter relates to sections 2 and 3 of Schedule 4 – Minimum standard for keeping animals generally. Both these sections are proposed additions to the Subordinate Local Law, and both are from the model local law.</p> <p>The proposed changes to Schedule 4 include ensuring the keeping of an animal does not cause an animal noise nuisance. Sections 2 & 3 state (in part) as follows:</p> <ol style="list-style-type: none"> 2. For the purposes of section 1(g), an animal causes an animal noise nuisance if it makes a noise which— <ol style="list-style-type: none"> (a) occurs more than once; and (b) disrupts or inhibits an activity ordinarily carried out on adjoining or nearby residential premises. 3. The criteria an authorised person must consider when deciding whether an animal makes a noise which disrupts or inhibits an activity ordinarily carried out on adjoining or nearby residential premises include— <ol style="list-style-type: none"> (a) has the local government received 3 complaints of a contravention of section 1(g) from 3 persons all of whom occupy separate premises in the same or an adjoining street to the premises the subject of the complaints within 30 days of the first complaint being received; and (b) has the local government received 2 complaints of a contravention of section 1(g) in circumstances where the land the subject of the complaints is not located in an area occupied predominantly by residential premises.

MATTERS RAISED IN SUBMISSIONS	COMMENT
<p>Why are multiple complaints needed when credible evidence can be provided, e.g. video and/or audio recording, diaries?</p> <p>How will the three complaints be garnered? Are neighbours to form some kind of alliance? This undermines privacy and trust within a neighbourhood.</p> <p>If the three complaints are required to better respond to vexatious complaints, complainants found to be vexatious can be dissuaded through penalties.</p> <p>If one household is impacted, this should be sufficient grounds for response. Those who work from home are exposed to daytime barking to a much greater degree than others. These people are potentially discriminated against by the multiple complaint rule.</p> <p>Some people do not wish to make a complaint due to fear of retribution. Failure of Council to take compliance action will result in rising hostility within the community.</p>	<p>The objections and grounds raised by the submitters are reasonable. It is considered that section 2 satisfactorily addresses the criteria for an 'animal noise nuisance' and it is recommended that section 3 be deleted from the ASLL.</p>
<p>Complaints can be made if dog barks more than once</p> <p>To legislate to say a dog need only bark more than once before a person can lodge a complaint is extreme.</p> <p>I appreciate that a dog barking continuously for hours is annoying and needs investigating, but I would hate to see extreme changes to noise criteria that it becomes open to abuse and exploitation by individuals who have personal problems.</p> <p>Continuously barking dogs in suburbia can be a problem but there should be some leeway and tolerance for larger allotments.</p>	<p>Section 2 of Schedule 4 – Minimum standard for keeping animals generally states as follows:</p> <p>2. For the purposes of section 1(g), an animal causes an animal noise nuisance if it makes a noise which—</p> <p>(a) <i>occurs more than once; and</i></p> <p>(b) <i>disrupts or inhibits an activity ordinarily carried out on adjoining or nearby residential premises.</i></p> <p>This section does not suggest that a dog creates a noise nuisance if it barks more than once, but rather to be considered a nuisance it cannot be a one-off occurrence, and more importantly, the noise must disrupt or inhibit ordinary residential activities.</p> <p>No change to the ASLL is recommended in response to this submission.</p>
<p>Objection to reduction in number of dogs allowed on land less than 4,000 m²</p> <p>The proposal does not consider the breed, training, temperament or behaviour of the dog, or the responsible ownership practices of the individual. A blanket reduction to two dogs ignores these important distinctions. This could negatively affect households with three well-behaved companion dogs, limiting personal freedoms disproportionate to the risk of nuisance. A responsible dog owner could easily take care of 3 dogs on 4000m². Land size doesn't matter; it's the kind of dog owner you are and by restricting numbers it makes it harder for good dog owners to help reduce the number of dogs in shelters.</p> <p>Many residents choose to live in the Lockyer Valley with the expectation that they may keep multiple companion animals. Reducing this without clear evidence of</p>	<p>Currently Subordinate Local Law No. 2 prohibits the keeping of more than 4 dogs.</p> <p>The ASLL proposes to implement new prohibitions as follows:</p> <ul style="list-style-type: none"> • the keeping of more than 2 dogs on a lot less than 1,500m² would be prohibited; and • the keeping of more than 3 dogs on a lot between 1,500m² and 4,000m² would be prohibited. <p>The number of complaints received by Council in relation to dogs has been increasing; this includes an increase in the number of serious dog attacks. Reducing the number of dogs allowed can reduce the number of dogs roaming, the level of nuisance from barking, and the number of dog attacks.</p> <p>No change to the ASLL is recommended in response to this submission.</p> <p>In response to the comment about other local governments, a review of the requirements for keeping of</p>

MATTERS RAISED IN SUBMISSIONS	COMMENT
<p>widespread nuisance is restrictive and does not recognise established community values.</p> <p>Other local governments (e.g. Toowoomba) permit two dogs on lots as small as 400m². Therefore, three dogs on 4,000m² is reasonable. The proposed reduction appears arbitrary and inconsistent with broader practices.</p> <p>The proposal does not provide evidence that three dogs on properties under 4,000m² represent a systemic problem requiring change. There is no evidence that reducing dog numbers will significantly improve animal management outcomes or reduce nuisances. This proposed amendment risks penalising responsible owners while doing little to address genuine issues.</p>	<p>dogs in neighbouring local government areas was undertaken. Toowoomba Regional Council allows one dog on land less than 450m², and approval can be obtained for one other dog. The proposed amendments allow for two dogs on land less than 450m².</p>
<p>Proposed Changes to Dog Numbers on Residential Properties and Potential Impact on Carers of Foster Dogs</p> <p>Dog rescue organisations rely heavily on foster carers to provide temporary, safe homes for dogs in need. The proposed restrictions on the number of dogs permitted on residential properties may significantly impact the placing of dogs into foster care. These dogs are not permanently kept animals; they are in care for a limited period while awaiting adoption or further placement.</p> <p>Of particular concern is the proposed amendment that would require a local law approval to keep a third dog on a lot between 1,500m² and 4,000m². This block size is the most common among our foster carers, and the requirement to obtain approval for a third dog would create a significant barrier to fostering within our organisation. Many foster carers routinely care for three or more dogs on a temporary basis, including their own pets alongside foster dogs.</p> <p>The added administrative burden, costs and uncertainty associated with local law approvals may discourage existing foster carers from continuing and deter new carers from coming forward.</p> <p>We propose Council introduce an exemption or permit category for foster carers affiliated with registered rescue organisations. This could include, for example:</p> <ul style="list-style-type: none"> • an exemption for dogs placed into foster care through a registered rescue organisation; • where the placement is temporary; or • a streamlined permit that allows approved foster carers to temporarily exceed standard dog number limits without the need for individual local law approvals for each placement. 	<p>While a particular dog may be with a foster carer for a temporary period only, it is reasonable to assume that most carers will always have a foster dog.</p> <p>It is recommended that provision be made in the ASLL to allow foster carers to keep the following number of dogs without needing a local law approval:</p> <ul style="list-style-type: none"> • a third dog on a lot between 1,500m² and 4,000m²; and • a fourth dog on a lot 4,000m² or more, but less than 20,000m². <p>This will only apply where a recognised not-for-profit animal welfare organisation identifies the person as a carer of dogs for that organisation.</p>

Recommended changes to the version of the ASLL that underwent public consultation

The following changes are recommended in response to submissions:

- (a) Removal of section 3 of Schedule 4 – Minimum standard for keeping animals generally – removal of requirement for 3 complaints, within 30 days, from separate premises for an authorised person to consider if a noise disrupts or inhibits an ordinary residential activity and therefore is an animal noise nuisance; and
- (b) Schedule 2 – inclusion of an exemption for carers of foster dogs such that they do not need to obtain a local law approval for keeping:
 - A third dog on a lot between 1,500m² and 4,000m²; and
 - A fourth dog on a lot 4,000m² or more, but less than 20,000m².

This will necessitate the addition of a new definition for 'foster dog' in Schedule 13 Dictionary. The following definition is recommended: **foster dog** means a dog that a recognised not-for-profit animal welfare organisation has placed in the temporary care of a person who is identified as a carer of dogs for that organisation.

Additional changes are recommended as follows:

- (a) An amendment to Schedule 2, item 1, to correct an anomaly by removing mention of approval to keep more than four dogs on an allotment of 2ha or more. This contradicts Schedule 1 which prohibits the keeping of more than four dogs; and
- (b) Amendments are recommended to Schedule 5, items 2 and 3, to remove the requirement for any enclosure for the keeping of birds (e.g. budgerigar, canary, cockatoo, pigeons) to be at least 10 metres from an adjoining residence or a place used for preparation or storage of food (other than that of the bird owner). It is unclear whether these provisions apply only to a standalone aviary or could apply to a bird cage within a dwelling. Further, the 10 metre setback may be difficult to achieve on a standard residential allotment, or for a multiple dwelling. There are other provisions of the Subordinate Local Law which adequately deal with nuisance should Council receive a complaint about the keeping of birds.

Process to Make a Subordinate Local Law

Council has decided on a process for making local laws in accordance with section 29(1) of the *Local Government Act 2009*. For a subordinate local law, the process following public consultation is as follows:

1. Accept and consider every properly made submission;
2. Council resolves to:
 - (a) proceed with the making of the proposed subordinate local law as advertised; or
 - (b) proceed with the making of the proposed subordinate local law with amendments (if the amendments are substantial, public consultation will need to be undertaken again); or
 - (c) not proceed with the making of the proposed subordinate local law.
3. If Council resolves to make the subordinate local law, publish a notice of the making of the local law in the gazette and on Council's website.
4. Ensure the subordinate local law is available for inspection and purchase at Council's Gatton and Laidley offices, and can be viewed and downloaded from Council's website.
5. Give the Minister a copy of the notice and the subordinate local law.
6. Update Council's Local Laws Register.

It is recommended that Council proceed with the making the ALSS with the changes discussed above. These amendments are not considered substantial, therefore public consultation will not need to be undertaken again.

A consolidated version of Subordinate Local Law No. 2, incorporating the amendments of the ALSS, has been prepared and is attached to this report. If Council decides to make ASLL, it is recommended Council also adopts the consolidated version of Subordinate Local Law No. 2.

Previous Council Resolutions

Local Law No. 2 (Animal Management) 2011 and *Subordinate Local Law No. 2 (Animal Management) 2011* were made by resolution on 21 December 2011.

At the Council meeting on 19 November 2025, Council proposed to make the proposed ASLL and undertake public consultation in accordance with Council's Local Law Making Process.

Critical Dates

There are no critical dates.

Strategic Implications

Corporate Plan

Provide regulatory services for the safety of the community.

Finance and Resource

There will be costs associated with publishing notices of adoption.

Legislation and Policy

Local Government Act 2009

Local Government Regulation 2012

Local Law No. 1 (Administration) 2011

Local Law No. 2 (Animal Management) 2011

Subordinate Local Law No. 2 (Animal Management) 2011

Risk Management

Environment and Community (EC1) Environment and the community, including sustainable development, social and community wellbeing, community relationships, public health, recreation, regional profile and identity

Consultation

Councillor Consultation

Proposed amendments to *Subordinate Local Law No. 2* were discussed with Councillors at workshops on 12 November 2024 and 28 October 2025.

The submissions received in relation to the ASLL and potential changes to the ASLL were discussed with Councillors at a workshop on 3 March 2026.

Internal Consultation

Advice regarding the proposed ASLL was sought from Council's Community Wellbeing Team.

Community Engagement

Public consultation of the proposed ASLL was conducted from 8 January to 6 February 2026 in accordance with Council's Local Law Making Process. Nine submissions were received. All submitters will be advised of Council's decision.

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Amendment Subordinate Local Law No. 2 (Animal Management) 2025*.

2 Subordinate local law amended

This subordinate local law amends *Subordinate Local Law No. 2 (Animal Management) 2011*.

Part 2 Amendment of Subordinate Local Law No. 2 (Animal Management) 2011

3 Amendment of section 22 (Prescribed period for reclaiming animals—Authorising local law, schedule)

- (1) Section (22)(a), ‘registered cat’—
omit, insert—
cat
- (2) Section (22)(b), ‘unregistered cat’—
omit.

4 Replacement of schedule 1 (Prohibition on keeping animals)

Schedule 1—
omit, insert—

Schedule 1 Prohibition on keeping animals

Section 5

	Column 1 Animal	Column 2 Circumstances in which keeping of animal or animals is prohibited
1	Dog	(a) If the person responsible for the dog is a permanent resident of a caravan park—the keeping of more than 2 dogs over the age of 3 months on a caravan site. (b) If multi-residential premises—the keeping of more than 2 dogs over the age of 3 months. (c) If (a) and (b) do not apply— (i) The keeping of more than 2 dogs over the age of 3 months on an allotment with an area less than 1,500m ² ;

Amendment Subordinate Local Law No. 2 (Animal Management) 2025

		<p>(ii) The keeping of more than 3 dogs over the age of 3 months on an allotment with an area of 1,500m² or more, but less than 4,000m²;</p> <p>(iii) The keeping of more than 4 dogs over the age of 3 months on an allotment with an area of 4,000m² or more.</p> <p>(d) Any of the following breeds anywhere in the local government area: American pit bull terrier or pit bull terrier; dogo Argentino; fila Brasileiro; Japanese tosa; Perro de Presa Canario or Presa Canario.</p> <p>This item 1 does not apply to—</p> <p>(i) the keeping of working dogs, where working dog has the meaning given in the Animal Management Act; or</p> <p>(ii) the keeping of dogs in accordance with a development approval issued by the local government under the planning scheme of the local government.</p>
2	Horse or other member of the Equidae (equine) family	An entire male over the age of 12 months on an allotment with an area less than 4,000m ²
3	Poultry	A rooster, peacock or guinea fowl on an allotment with an area less than 10,000m ²
4	Pig	A pig on an allotment with an area less than 10,000m ²
5	Cattle	A bull over the age of 12 months on an allotment with an area less than 4,000m ²

A prohibition prescribed in this schedule does not apply to the keeping of an animal or animals on premises if—

- (a) the animal or animals were kept on the premises before the commencement of the authorising local law; and
- (b) the keeping of the animal or animals on the premises immediately before the commencement of the authorising local law did not contravene any provision of a local law of the local government that was repealed contemporaneously with the making of the authorising local law.

5 Replacement of schedule 2 (Requirement for approval to keep animal)

Schedule 2—

omit, insert—

Amendment Subordinate Local Law No. 2 (Animal Management) 2025

Schedule 2 Requirement for approval to keep animal

Section 6

	Column 1 Species or breed of animal	Column 2 Circumstances in which keeping of animal or animals requires approval ¹
1	Dog	<p>(a) If the person responsible for the dog is a permanent resident of a caravan park—the keeping of a second dog on a caravan site over the age of 3 months.</p> <p>(b) If multi-residential premises—the keeping of a second dog over the age of 3 months.</p> <p>(c) If (a) and (b) do not apply, and the dog is not a foster dog—</p> <p>(i) The keeping of a third dog over the age of 3 months on an allotment with an area of 1,500m² or more, but less than 4,000m²;</p> <p>(ii) The keeping of a fourth dog over the age of 3 months on an allotment with an area of 4,000m² or more, but less than 20,000m².</p> <p>(d) Any dog over the age of 3 months if—</p> <p>(i) the dog is being kept on premises for more than 1 month; and</p> <p>(ii) the address for the dog in the registration for the dog is not the premises.</p> <p>This item 1 does not apply to—</p> <p>(i) the keeping of working dogs, where working dog has the meaning given in the Animal Management Act; and</p> <p>(ii) the keeping of dogs in accordance with a development approval issued by the local government under the planning scheme of the local government.</p>

Amendment Subordinate Local Law No. 2 (Animal Management) 2025

		area less than 4,000m ² .
3	Horse, deer, donkey, cattle, bison, camel, alpaca, llama, sheep, goat, or other similar animal	<p>(a) The keeping of an animal to which this item 3 applies on an allotment with an area less than 4,000m².</p> <p>(b) If on an allotment with an area of 4,000m² or more, but less than 10,000m², the keeping of more than—</p> <p>(i) 1 large animal (e.g. a horse, deer, donkey, cattle, bison or camel); or</p> <p>(ii) 2 small animals (e.g. a sheep, goat, alpaca or llama); or</p> <p>(iii) 1 large animal and 1 small animal.</p> <p>(c) If on an allotment with an area of 10,000m² or more, but less than 20,000m², the keeping of more than—</p> <p>(i) 2 large animals; or</p> <p>(ii) 4 small animals; or</p> <p>(iii) 2 large animals and 2 small animals.</p> <p>(d) If on an allotment with an area of 20,000m² or more, but less than 30,000m², the keeping of more than—</p> <p>(i) 3 large animals; or</p> <p>(ii) 6 small animals; or</p> <p>(iii) 3 large animals and 3 small animals.</p> <p>(e) If on an allotment with an area of 30,000m² or more, but less than 40,000m², the keeping of more than—</p> <p>(i) 4 large animals; or</p> <p>(ii) 8 small animals; or</p> <p>(iii) 4 large animal and 4 small animals.</p> <p>For this item 3—</p> <p>(i) A large animal is a horse, deer, donkey, cattle, bison, camel or similar animal; and</p> <p>(ii) A small animal is a sheep, goat, alpaca, llama or similar animal.</p> <p>The animals to which this item 3 applies does not include an animal which has not been weaned from its mother.</p>
4	Pig	<p>(a) More than 1 pig on an allotment with an area of 10,000m² or more, but less than 20,000m².</p> <p>(b) More than 2 pigs on an allotment with an area of 20,000m² or more, but less than 40,000m².</p>
5	Bees	The keeping of bee hives on an allotment with an area less

Amendment Subordinate Local Law No. 2 (Animal Management) 2025

		than 4,000m ² otherwise than in accordance with the <i>Biosecurity Act 2014</i> and the Australian Honey Bee Industry Biosecurity Code of Practice (2016).
6	Poultry	<p>(a) The keeping of more than 20 poultry on an allotment with an area less than 4,000m².</p> <p>(b) The keeping of more than 40 poultry on an allotment with an area of 4,000m² or more, but less than 10,000m².</p> <p>(c) The keeping of more than 60 poultry on an allotment with an area more than 10,000m².</p> <p>This item applies to birds over the age of 4 weeks.</p> <p>To remove any doubt, (a) and (b) do not include the keeping of a rooster, peacock or guinea fowl.</p>
7	Budgerigar, canary or other bird of a similar size	The keeping of more than 20 birds to which this item 7 applies on an allotment with an area less than 1,000m ² .
8	Cockatoo, galah, pigeon or other bird of a similar size	The keeping of more than 10 birds to which this item 8 applies on an allotment with an area less than 1,000m ² .
9	Emu, ostrich or other bird of a similar size	<p>(a) The keeping of more than 2 birds to which this item 9 applies on an allotment with an area less than 4,000m².</p> <p>(b) The keeping of more than 4 birds to which this item 9 applies on an allotment with an area of 4,000m² or more, but less than 20,000m.</p> <p>(c) The keeping of more than 6 birds to which this item 9 applies on an allotment with an area of 20,000m² or more but less than 40,000m².</p> <p>This item 9 does not apply to a bird under the age of 3 months.</p>

6 Replacement of schedule 4 (Minimum standards for keeping animals generally)

Schedule 4—

*omit, insert—***Schedule 4 (Minimum standards for keeping animals generally)**

1. A person who keeps an animal on premises must—
 - (a) ensure that the animal is adequately identified so that the owner's name, and current address and telephone number are readily ascertainable; and
 - (b) ensure that waste waters from enclosures are drained in a nuisance free

Amendment Subordinate Local Law No. 2 (Animal Management) 2025

manner and that run-off is kept off adjoining premises or as otherwise directed by an authorised person; and

- (c) ensure that excreta, food scraps and other material that is, or is likely to become, offensive is collected at least daily and, if not immediately removed from the premises, is kept in a vermin and fly proof waste container of a kind approved by an authorised person; and
 - (d) ensure that any enclosure in which the animal is kept is properly maintained in—
 - (i) a clean and sanitary condition; and
 - (ii) an aesthetically acceptable condition; and
 - (e) take all reasonable steps to prevent the animal from making a noise or disturbance that causes a nuisance or disturbance to the occupiers of—
 - (i) adjoining premises; or
 - (ii) premises in the vicinity of the land on which the animal is ordinarily kept; and
 - (f) ensure that the area available to the animal kept on the premises is appropriately sized so that the animal can be effectively and comfortably kept; and
 - (g) ensure that the keeping of the animal on the premises does not cause an animal noise nuisance.
2. For the purposes of section 1(g), an animal causes an animal noise nuisance if it makes a noise which—
- (a) occurs more than once; and
 - (b) disrupts or inhibits an activity ordinarily carried out on adjoining or nearby residential premises.

Example for section 2(b)—

The barking of a dog which disrupts a person—

- (a) holding a conversation; or
- (b) watching television; or
- (c) listening to a radio or recorded material; or
- (d) sleeping.

In order for a nuisance under this section 2 to occur, it is not necessary that the degree of interference from the barking is such as to be continuous, or to make it practically impossible to—

- (a) hold a conversation; or
- (b) watch television; or
- (c) listen to a radio or recorded material at ordinary volumes; or
- (d) fall or stay asleep.

Any occurrence by which a person is woken from sleep, or by which a person is distracted or annoyed during the course of carrying out some other ordinary activity, in a way which would not occur in the absence of the dog barking, is a disruption to or an inhibition of an activity ordinarily carried out on residential premises. It is not necessary that the barking totally drowns out the sound of the conversation, television, radio or recorded material. It is sufficient if attention is merely diverted from this sound by the barking of the dog. It is not necessary that it be a repeated or ongoing interruption of sleep or that it be the total shattering of sleep.

Amendment Subordinate Local Law No. 2 (Animal Management) 2025

7 Replacement of schedule 5 (Minimum standards for keeping particular animals)

Schedule 5—

omit, insert—

Schedule 5 Minimum standards for keeping particular animals

Section 8(2)

	Column 1 Species or breed of animal	Column 2 Minimum standards for keeping animals
1	Horse, donkey, cattle, bison, camel and other domesticated animals of a similar size, and sheep, goat, alpaca, llama, pig and other animals of a similar size	Each owner of, and responsible person for, an animal specified in column 1, item 1 which is kept on premises must ensure that any enclosure in which the animal is kept is not located within a radius of 10m of— (a) a residence on adjoining premises; or (b) a place used for the manufacture, preparation or storage of food intended for human consumption other than a domestic kitchen used solely for domestic purposes by the owner or responsible person for the animal; or (c) a place used for the storage of food (other than food kept in hermetically sealed packages).
2	Budgerigar, canary, cockatiel, cockatoo, galah and other birds of a similar size	Each owner of, and responsible person for, a bird specified in column 1, item 2 must ensure that— (a) the bird is kept without nuisance; and (b) the bird is contained within an enclosed cage or aviary; and (c) the bird’s food is kept in a properly sealed, vermin proof container; and (d) the cage or aviary in which the bird is kept is thoroughly cleaned at least once each week; and (e) if a code of practice for the keeping of birds of a relevant species has been approved by the local government – the bird is kept in accordance with the requirements of the code of practice.
3	Pigeons	Each owner of, and responsible person for, pigeons which are kept on premises must ensure that— (a) the pigeons are kept without nuisance; and (b) the pigeons contained within an enclosed cage, coop or aviary; and (c) the pigeon’s food is kept in a properly sealed, vermin proof container; and

Amendment Subordinate Local Law No. 2 (Animal Management) 2025

		<p>(d) the cage, coop or aviary in which the pigeons are kept is—</p> <p>(i) thoroughly cleaned at least once each week; and</p> <p>(ii) located at the rear of, and behind, any residence situated on the premises; and</p> <p>(e) if a code of practice for the keeping of pigeons has been approved by the local government—the pigeons are kept in accordance with the requirements of the code of practice.</p>
4	Bees	<p>Each owner of, and responsible person for, bees which are kept on premises must ensure that—</p> <p>(a) the bees are kept without nuisance; and</p> <p>(b) any beehive constructed for the purpose of keeping the bees is not located within a radius of 10m of—</p> <p>(i) a residence on adjoining premises; or</p> <p>(ii) a place used for the manufacture, preparation or storage of food intended for human consumption other than a domestic kitchen used solely for domestic purposes by the owner or responsible person for the bees; or</p> <p>(iii) a place use for the storage of food (other than food kept in hermetically sealed packages); and</p> <p>(c) each beehive constructed for the purpose of keeping bees is adequately identified so that the owner’s name, address and telephone number are readily ascertainable; and</p> <p>(d) the bees are kept in accordance with the <i>Biosecurity Act 2014</i> and the Australian Honey Bee Industry Biosecurity Code of Practice (2016).</p>
5	Poultry, peafowl, ostrich and emu	<p>Each owner of, and responsible person for, a bird identified in column 1 item 5 which is kept on premises must ensure that—</p> <p>(a) the bird is kept without nuisance; and</p> <p>(b) the bird is contained within an enclosure; and</p> <p>(c) the bird’s food is kept in a properly sealed, vermin proof container; and</p> <p>(d) the enclosure in which the bird is kept is—</p> <p>(i) thoroughly cleaned at least once each week; and</p> <p>(ii) located at the rear of, and behind, any</p>

Amendment Subordinate Local Law No. 2 (Animal Management) 2025

		<p>residence situated on the premises; and</p> <p>(e) the enclosure in which the bird is kept is not located within a radius of 10m of—</p> <p>(i) a residence on adjoining premises; or</p> <p>(ii) a place used for the manufacture, preparation nor storage of food intended for human consumption other than a domestic kitchen used solely for domestic purposes by the owner or responsible person for the bird; or</p> <p>(iii) a place used for the storage of food (other than food kept in hermetically sealed packages); and</p> <p>(f) the enclosure in which the bird is kept is not located less than 1m from the side or rear boundaries of the premises.</p>
6	Dogs, if the dogs are kept on premises at a kennel and cats, if the cats are kept on premises at a cattery	<p>Each owner of, and responsible person for, an animal kept on premises in the circumstances specified in column 1, item 6 must ensure that—</p> <p>(a) the keeping of the animals on the premises—</p> <p>(i) does not detrimentally affect the amenity of neighbouring premises; and</p> <p>(ii) does not involve the storage in the open of goods, materials or activities associated with the keeping of the animals; and</p> <p>(iii) does not attract fly breeding or vermin infestation; and</p> <p>(b) the premises are suitably and continuously ventilated to ensure that all areas on which animals are kept are free of dampness, nuisance odours and dust emissions; and</p> <p>(c) only rain water from uncontaminated areas may drain directly into the storm water system; and</p> <p>(d) all spillages of wastes, contaminants and other materials are cleaned up immediately and are not cleaned up by hosing, sweeping or otherwise releasing such wastes, contaminants or materials to any storm water system or waters; and</p> <p>(e) the premises are kept free of vermin and conditions offering harbourage for vermin; and</p> <p>(f) all fixtures, fittings, equipment and facilities at the premises are maintained in a clean, tidy, sanitary</p>

Amendment Subordinate Local Law No. 2 (Animal Management) 2025

		<p>and hygienic condition; and</p> <p>(g) waste waters from the washing down of floors, surfaces, enclosures and other areas is collected, and drained to, an approved pre-treatment device before discharge to the sewerage system; and</p> <p>(h) waste containers sufficient to accommodate the collection and storage of all waste generated as part of the keeping of dogs or cats on the premises are provided; and</p> <p>(i) all waste containers are regularly cleaned and maintained in a clean, tidy, sanitary and hygienic condition; and</p> <p>(j) all enclosures which form part of the operation of the premises are provided and maintained in a manner so as to—</p> <p style="padding-left: 20px;">(i) be clean and in a sanitary condition; and</p> <p style="padding-left: 20px;">(ii) prevent the escape of any animal kept in the enclosure; and</p> <p style="padding-left: 20px;">(iii) protect the safety of staff and the public; and</p> <p style="padding-left: 20px;">(iv) be in a state of good order and repair; and</p> <p style="padding-left: 20px;">(v) avoid injury to any animal kept in the enclosure; and</p> <p style="padding-left: 20px;">(vi) permit regular cleaning of all internal and external surfaces of each enclosure and regular checking of any animal within the enclosure; and</p> <p style="padding-left: 20px;">(vii) be impervious and able to be effectively cleaned and sanitised; and</p> <p style="padding-left: 20px;">(viii) ensure the comfort of any animal kept in the enclosure and prevent the spread of disease; and</p> <p>(k) animal feed is stored in insect and vermin proof containers.</p>
--	--	---

8 Amendment of schedule 8 (Requirements for proper enclosures for animals)

(1) Schedule 8, item 1, column 2, after (c)(i)—

insert—

Example of a material which is not of sufficient strength—

Where it is the only material used, electric tape or similar is not of sufficient strength to provide a suitably fenced enclosure.

 Amendment Subordinate Local Law No. 2 (Animal Management) 2025

- (2) Schedule 8, item 2—

omit, insert—

2	Horse (or other member of the Equine family)	<p>A proper enclosure for the keeping of a horse must, in addition to the requirements specified in item 1—</p> <p>(a) effectively enclose the horse so that the horse cannot reach over or through the fence to adjoining land or any public place; and</p> <p>(b) where the animal is a stallion—the enclosure must be constructed at least 2m within an additional or second suitable and adequate fence or enclosure, that is provided at the land on which the stallion is kept, to a standard approved by an authorised person.</p>
---	--	---

- (3) Schedule 8, after item 2—

insert—

3	Cattle	<p>A proper enclosure for the keeping of a bull on an allotment less than 40,000m² must, in addition to the requirements specified in item 1, be constructed at least 2m within an additional or second suitable and adequate fence or enclosure, that is provided at the land on which the bull is kept, to a standard approved by an authorised person.</p>
---	--------	--

9 Amendment of schedule 13 (Dictionary)

- (1) Schedule 13, definitions
- assistance dog, childproof, guide dog, handler, hearing dog, immediate vicinity*
-

omit.

- (2) Schedule 13—

*insert—***bull** means an uncastrated male bovine over the age of 12 months.**caravan site** means a part of a caravan park which is designated for a single accommodation of a particular type.**foster dog** means a dog that a recognised not-for-profit animal welfare organisation has placed in the temporary care of a person who is identified as a carer of dogs for that organisation.

Consolidated Version No. 4

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 2 (Animal Management) 2011*.

2 Purpose and how it is to be achieved

- (1) The purpose of this subordinate local law is to supplement *Local Law No. 2 (Animal Management) 2011*, which provides for regulation of the keeping and control of animals within the local government's area.
- (2) The purpose is to be achieved by providing for—
 - (a) the circumstances in which the keeping of animals is prohibited or requires approval; and
 - (b) requirements for keeping animals, including minimum standards, mandatory desexing, proper enclosures, koala conservation and identification; and
 - (c) the control of animals in public places; and
 - (d) matters regarding the impounding of animals and the sale or disposal of impounded animals; and
 - (e) the conditions to be complied with by persons who offer animals, or a particular species of animal, for sale; and
 - (f) the declaration of a species of animal as a declared dangerous animal and the criteria for declaration of a specific animal as a declared dangerous animal.

3 Authorising local law

The making of the provisions in this subordinate local law is authorised by *Local Law No. 2 (Animal Management) 2011* (the **authorising local law**).

4 Definitions

- (1) Particular words used in this subordinate local law have the same meaning as provided for in the authorising local law.
- (2) The dictionary in schedule 13 defines particular words used in this subordinate local law.

Part 2 Keeping of animals

5 Circumstances in which keeping animals prohibited—Authorising local law, s 5(1)

For section 5(1) of the authorising local law, keeping an animal or animals mentioned in column 1 of schedule 1 is prohibited in the circumstances described in column 2 of schedule 1.

6 Circumstances in which keeping animals requires approval—Authorising local law, s 6(1)

For section 6(1) of the authorising local law, keeping an animal or animals of the species or breed mentioned in column 1 of schedule 2 requires approval in the circumstances described in column 2 of schedule 2.

7 Animals that must be desexed—Authorising local law, s 7

For section 7 of the authorising local law, an animal of the species or breed mentioned in column 1 of schedule 3 must be desexed once it reaches the age specified in column 2 of schedule 3 except in the circumstances described in column 3 of schedule 3.

8 Minimum standards for keeping animals—Authorising local law, s 8(1)

- (1) For section 8(1) of the authorising local law, the minimum standards for the keeping of animals are set out in schedule 4.
- (2) For section 8(1) of the authorising local law, column 2 of schedule 5 sets out the minimum standards for keeping an animal of the species or breed mentioned in column 1 of schedule 5.

9 Identification for cats and dogs in certain circumstances—Authorising local law, s 9

For section 9 of the authorising local law, the identification required for a cat or dog that is at a place other than the address stated in the registration notice for the cat or dog is the registration device mentioned in section 12(3) of the *Animal Management (Cats and Dogs) Act 2008*.

Part 3 Control of animals**10 Public places where animals are prohibited—Authorising local law, s 10(1)**

For section 10(1) of the authorising local law, the species or breeds of animals mentioned in column 2 of schedule 6 are prohibited in the public places described in column 1 of schedule 6.

11 Dog off-leash areas—Authorising local law, s 11(1)

For section 11(1) of the authorising local law, the areas described in schedule 7 are designated as dog off-leash areas.

12 Animal faeces in public places—Authorising local law, s 13

For section 13 of the authorising local law, no other species of animal is prescribed as an animal whose faeces must be removed from a public place and disposed of in a sanitary way.

13 Requirements for proper enclosures for keeping animals—Authorising local law, s 14(2)

For section 14(2) of the authorising local law, column 2 of schedule 8 sets out the requirements for proper enclosures for an animal of the species or breed mentioned in column 1 of schedule 8.

14 Koala conservation—Authorising local law, s 15

- (1) For section 15(1) of the authorising local law, schedule 9 sets out the requirements for keeping a dog on land that is within a koala area.
- (2) For section 15(4) of the authorising local law, each area described in schedule 10 is designated as a koala area.

15 Criteria for declared dangerous animals—Authorising local law, s 19(1)

For section 19(1) of the authorising local law, the criteria for declaring an animal as a declared dangerous animal are set out in schedule 11.

Part 4 Seizure, impounding or destruction of animals**16 Place of care for impounded animals—Authorising local law, s 24**

For section 24 of the authorising local law, the place of care for animals impounded by the local government will be operated by the local government.

17 Animals that may be disposed of without auction or tender—Authorising local law, s 32(1)(b)

For section 32(1)(b) of the authorising local law, the species, breeds or classes of animal that may be sold by private agreement, destroyed or disposed of in some other way are the following—

- (a) dogs; and
- (b) cats; and
- (c) other small domestic animals.

18 Register of impounded animals—Authorising local law, s 33(3)

For section 33(3) of the authorising local law, the register of impounded animals will be kept at the local government's public office.

Part 5 Appeals against destruction orders

This part in the authorising local law does not contain any matters to be provided for by subordinate local law.

Part 6 Miscellaneous**19 Conditions regarding sale of animals—Authorising local law, s 42(1)**

For the purposes of section 42(1) of the authorising local law, persons who offer for sale an animal of a species or breed mentioned in column 1 of schedule 12 must comply with the conditions set out in column 2 of schedule 12.

20 Animals excluded from application of the local law—Authorising local law, schedule

For the purposes of the definition of "*animal*" in the schedule to the authorising local law, animals of the fish species are excluded from the application of the authorising local law.

21 Species that are declared dangerous animals—Authorising local law, schedule

For the purposes of the definition of "*declared dangerous animal*" in the schedule to the authorising local law, no species of animal is declared to be a declared dangerous animal.

22 Prescribed period for reclaiming animals—Authorising local law, schedule

For the purposes of the definition of “*prescribed period*” in the schedule to the authorising local law, the period within which an animal may be reclaimed is—

- (a) if the animal is a horse, cow, cat, registered dog or other identifiable animal—5 days; and
- (b) if the animal is an unregistered dog or an animal which is not an identifiable animal—3 days.

Schedule 1 Prohibition on keeping animals

Section 5

	Column 1 Animal	Column 2 Circumstances in which keeping of animal or animals is prohibited
1	Dog	<p>(a) If the person responsible for the dog is a permanent resident of a caravan park—the keeping of more than 2 dogs over the age of 3 months on a caravan site.</p> <p>(b) If multi-residential premises—the keeping of more than 2 dogs over the age of 3 months.</p> <p>(c) If (a) and (b) do not apply—</p> <p>(i) The keeping of more than 2 dogs over the age of 3 months on an allotment with an area less than 1,500m²;</p> <p>(ii) The keeping of more than 3 dogs over the age of 3 months on an allotment with an area of 1,500m² or more, but less than 4,000m²;</p> <p>(iii) The keeping of more than 4 dogs over the age of 3 months on an allotment with an area of 4,000m² or more.</p> <p>(d) Any of the following breeds anywhere in the local government area: American pit bull terrier or pit bull terrier; dogo Argentino; fila Brasileiro; Japanese tosa; Perro de Presa Canario or Presa Canario.</p> <p>This item 1 does not apply to—</p> <p>(i) the keeping of working dogs, where working dog has the meaning given in the Animal Management Act; or</p> <p>(ii) the keeping of dogs in accordance with a development approval issued by the local government under the planning scheme of the local government.</p>
2	Horse or other member of the Equidae (equine) family	An entire male over the age of 12 months on an allotment with an area less than 4,000m ²
3	Poultry	A rooster, peacock or guinea fowl on an allotment with an area less than 10,000m ²
4	Pig	A pig on an allotment with an area less than 10,000m ²
5	Cattle	A bull over the age of 12 months on an allotment with an area less than 4,000m ²

A prohibition prescribed in this schedule does not apply to the keeping of an animal or animals on premises if—

- (a) the animal or animals were kept on the premises before the commencement of the authorising local law; and
- (b) the keeping of the animal or animals on the premises immediately before the commencement of the authorising local law did not contravene any provision of a local law of the local government that was repealed contemporaneously with the making of the authorising local law.

Consolidated Version No. 4

Schedule 2 Requirement for approval to keep animal

Section 6

	Column 1 Species or breed of animal	Column 2 Circumstances in which keeping of animal or animals requires approval ¹
1	Dog	<p>(a) If the person responsible for the dog is a permanent resident of a caravan park—the keeping of a second dog on a caravan site over the age of 3 months.</p> <p>(b) If multi-residential premises—the keeping of a second dog over the age of 3 months.</p> <p>(c) If (a) and (b) do not apply, and the dog is not a foster dog—</p> <p>(i) The keeping of a third dog over the age of 3 months on an allotment with an area of 1,500m² or more, but less than 4,000m²;</p> <p>(ii) The keeping of a fourth dog over the age of 3 months on an allotment with an area of 4,000m² or more, but less than 20,000m².</p> <p>(d) Any dog over the age of 3 months if—</p> <p>(i) the dog is being kept on premises for more than 1 month; and</p> <p>(ii) the address for the dog in the registration for the dog is not the premises.</p> <p>This item 1 does not apply to—</p> <p>(i) the keeping of working dogs, where working dog has the meaning given in the Animal Management Act; and</p> <p>(ii) the keeping of dogs in accordance with a development approval issued by the local government under the planning scheme of the local government.</p>
2	Cat	<p>(a) If the person responsible for the cat is a permanent resident of a caravan park—the keeping of more than 1 cat on a caravan site.</p> <p>(b) If multi-residential premises—the keeping of more than 2 cats over the age of 3 months.</p> <p>(c) If (a) and (b) do not apply—the keeping of more than 4 cats over the age of 3 months on an allotment with an area less than 4,000m².</p>
3	Horse, deer, donkey, cattle, bison, camel, alpaca, llama, sheep, goat, or other similar animal	<p>(a) The keeping of an animal to which this item 3 applies on an allotment with an area less than 4,000m².</p> <p>(b) If on an allotment with an area of 4,000m² or more, but less than 10,000m², the keeping of more than—</p> <p>(i) 1 large animal (e.g. a horse, deer, donkey, cattle, bison or camel); or</p>

¹ See *Local Law No. 1 (Administration) 2011* and *Subordinate Local Law No. 1.5 (Keeping of Animals) 2011* in relation to the requirements and processes for approvals (e.g. form of application for approval, documents and materials that must accompany applications, criteria for granting approval, conditions that must be imposed on approvals, conditions that will ordinarily be imposed on approvals, term of approval, third party certification of applications).

Subordinate Local Law No. 2 (Animal Management) 2011

9

		<p>(ii) 2 small animals (e.g. a sheep, goat, alpaca or llama); or</p> <p>(iii) 1 large animal and 1 small animal.</p> <p>(c) If on an allotment with an area of 10,000m² or more, but less than 20,000m², the keeping of more than—</p> <p>(i) 2 large animals; or</p> <p>(ii) 4 small animals; or</p> <p>(iii) 2 large animals and 2 small animals.</p> <p>(d) If on an allotment with an area of 20,000m² or more, but less than 30,000m², the keeping of more than—</p> <p>(i) 3 large animals; or</p> <p>(ii) 6 small animals; or</p> <p>(iii) 3 large animals and 3 small animals.</p> <p>(e) If on an allotment with an area of 30,000m² or more, but less than 40,000m², the keeping of more than—</p> <p>(i) 4 large animals; or</p> <p>(ii) 8 small animals; or</p> <p>(iii) 4 large animal and 4 small animals.</p> <p>For this item 3—</p> <p>(i) A large animal is a horse, deer, donkey, cattle, bison, camel or similar animal; and</p> <p>(ii) A small animal is a sheep, goat, alpaca, llama or similar animal.</p> <p>The animals to which this item 3 applies does not include an animal which has not been weaned from its mother.</p>
4	Pig	<p>(a) More than 1 pig on an allotment with an area of 10,000m² or more, but less than 20,000m².</p> <p>(b) More than 2 pigs on an allotment with an area of 20,000m² or more, but less than 40,000m².</p>
5	Bees	The keeping of bee hives on an allotment with an area less than 4,000m ² otherwise than in accordance with the <i>Biosecurity Act 2014</i> and the Australian Honey Bee Industry Biosecurity Code of Practice (2016).
6	Poultry	<p>(a) The keeping of more than 20 poultry on an allotment with an area less than 4,000m².</p> <p>(b) The keeping of more than 40 poultry on an allotment with an area of 4,000m² or more, but less than 10,000m².</p> <p>(c) The keeping of more than 60 poultry on an allotment with an area more than 10,000m².</p> <p>This item applies to birds over the age of 4 weeks.</p> <p>To remove any doubt, (a) and (b) do not include the keeping of a rooster, peacock or guinea fowl.</p>
7	Budgerigar, canary or other bird of a similar size	The keeping of more than 20 birds to which this item 7 applies on an allotment with an area less than 1,000m ² .

8	Cockatoo, galah, pigeon or other bird of a similar size	The keeping of more than 10 birds to which this item 8 applies on an allotment with an area less than 1,000m ² .
9	Emu, ostrich or other bird of a similar size	<p>(a) The keeping of more than 2 birds to which this item 9 applies on an allotment with an area less than 4,000m².</p> <p>(b) The keeping of more than 4 birds to which this item 9 applies on an allotment with an area of 4,000m² or more, but less than 20,000m.</p> <p>(c) The keeping of more than 6 birds to which this item 9 applies on an allotment with an area of 20,000m² or more but less than 40,000m².</p> <p>This item 9 does not apply to a bird under the age of 3 months.</p>

Schedule 3 Requirement to desex animal

Section 7

	Column 1 Species or breed of animal	Column 2 Age at which animal must be desexed	Column 3 Exemptions to the requirement for desexing
1	No species or breed of animal mentioned		

Schedule 4 Minimum standards for keeping animals generally

Section 8(1)

1. A person who keeps an animal on premises must—
 - (a) ensure that the animal is adequately identified so that the owner's name, and current address and telephone number are readily ascertainable; and
 - (b) ensure that waste waters from enclosures are drained in a nuisance free manner and that run-off is kept off adjoining premises or as otherwise directed by an authorised person; and
 - (c) ensure that excreta, food scraps and other material that is, or is likely to become, offensive is collected at least daily and, if not immediately removed from the premises, is kept in a vermin and fly proof waste container of a kind approved by an authorised person; and
 - (d) ensure that any enclosure in which the animal is kept is properly maintained in—
 - (i) a clean and sanitary condition; and
 - (ii) an aesthetically acceptable condition; and
 - (e) take all reasonable steps to prevent the animal from making a noise or disturbance that causes a nuisance or disturbance to the occupiers of—
 - (i) adjoining premises; or
 - (ii) premises in the vicinity of the land on which the animal is ordinarily kept; and
 - (f) ensure that the area available to the animal kept on the premises is appropriately sized so that the animal can be effectively and comfortably kept; and
 - (g) ensure that the keeping of the animal on the premises does not cause an animal noise nuisance.
2. For the purposes of section 1(g), an animal causes an animal noise nuisance if it makes a noise which—
 - (a) occurs more than once; and
 - (b) disrupts or inhibits an activity ordinarily carried out on adjoining or nearby residential premises.

Example for section 2(b)—

The barking of a dog which disrupts a person—

- (a) holding a conversation; or
- (b) watching television; or
- (c) listening to a radio or recorded material; or
- (d) sleeping.

In order for a nuisance under this section 2 to occur, it is not necessary that the degree of interference from the barking is such as to be continuous, or to make it practically impossible to—

- (a) hold a conversation; or
- (b) watch television; or
- (c) listen to a radio or recorded material at ordinary volumes; or
- (d) fall or stay asleep.

Any occurrence by which a person is woken from sleep, or by which a person is distracted or annoyed during the course of carrying out some other ordinary activity, in a way which would not occur in the absence of the dog barking, is a disruption to or an inhibition of an activity ordinarily carried out on residential premises. It is not necessary that the barking totally drowns out the sound of the conversation, television, radio or recorded material. It is sufficient if attention is merely diverted from this sound by the barking of the dog. It is not necessary that it be a repeated or ongoing interruption of sleep or that it be the total shattering of sleep.

Schedule 5 Minimum standards for keeping particular animals

Section 8(2)

	Column 1 Species or breed of animal	Column 2 Minimum standards for keeping animals
1	Horse, donkey, cattle, bison, camel and other domesticated animals of a similar size and sheep, goat, alpaca, llama, pig and other animals of a similar size	Each owner of, and responsible person for, an animal specified in column 1, item 1 which is kept on premises must ensure that any enclosure in which the animal is kept is not located within a radius of 10m of— <ul style="list-style-type: none"> (a) a residence on adjoining premises; or (b) a place used for the manufacture, preparation or storage of food intended for human consumption other than a domestic kitchen used solely for domestic purposes by the owner or responsible person for the animal; or (c) a place used for the storage of food (other than food kept in hermetically sealed packages).
2	Budgerigar, canary, cockatiel, cockatoo, galah and other birds of a similar size	Each owner of, and responsible person for, a bird specified in column 1, item 2 must ensure that— <ul style="list-style-type: none"> (a) the bird is kept without nuisance; and (b) the bird is contained within an enclosed cage or aviary; and (c) the bird's food is kept in a properly sealed, vermin proof container; and (d) the cage or aviary in which the bird is kept is thoroughly cleaned at least once each week; and (e) if a code of practice for the keeping of birds of a relevant species has been approved by the local government—the bird is kept in accordance with the requirements of the code of practice.
3	Pigeons	Each owner of, and responsible person for, pigeons which are kept on premises must ensure that— <ul style="list-style-type: none"> (a) the pigeons are kept without nuisance; and (b) the pigeons contained within an enclosed cage, coop or aviary; and (c) the pigeon's food is kept in a properly sealed, vermin proof container; and (d) the cage, coop or aviary in which the pigeons are kept is— <ul style="list-style-type: none"> (i) thoroughly cleaned at least once each week; and (ii) located at the rear of, and behind, any residence situated on the premises; and (e) if a code of practice for the keeping of pigeons has been approved by the local government—the pigeons are kept in accordance with the requirements of the code of practice.
4	Bees	Each owner of, and responsible person for, bees which are kept on premises must ensure that— <ul style="list-style-type: none"> (a) the bees are kept without nuisance; and

Consolidated Version No. 4

		<p>(b) any beehive constructed for the purpose of keeping the bees is not located within a radius of 10m of—</p> <p>(i) a residence on adjoining premises; or</p> <p>(ii) a place used for the manufacture, preparation or storage of food intended for human consumption other than a domestic kitchen used solely for domestic purposes by the owner or responsible person for the bees; or</p> <p>(iii) a place use for the storage of food (other than food kept in hermetically sealed packages); and</p> <p>(c) each beehive constructed for the purpose of keeping bees is adequately identified so that the owner's name, address and telephone number are readily ascertainable; and</p> <p>(d) the bees are kept in accordance with the <i>Biosecurity Act 2014</i> and the Australian Honey Bee Industry Biosecurity Code of Practice (2016).</p>
5	Poultry, peafowl, ostrich and emu	<p>Each owner of, and responsible person for, a bird identified in column 1 item 5 which is kept on premises must ensure that—</p> <p>(a) the bird is kept without nuisance; and</p> <p>(b) the bird is contained within an enclosure; and</p> <p>(c) the bird's food is kept in a properly sealed, vermin proof container; and</p> <p>(d) the enclosure in which the bird is kept is—</p> <p>(i) thoroughly cleaned at least once each week; and</p> <p>(ii) located at the rear of, and behind, any residence situated on the premises; and</p> <p>(e) the enclosure in which the bird is kept is not located within a radius of 10m of—</p> <p>(i) a residence on adjoining premises; or</p> <p>(ii) a place used for the manufacture, preparation nor storage of food intended for human consumption other than a domestic kitchen used solely for domestic purposes by the owner or responsible person for the bird; or</p> <p>(iii) a place used for the storage of food (other than food kept in hermetically sealed packages); and</p> <p>(f) the enclosure in which the bird is kept is not located less than 1m from the side or rear boundaries of the premises.</p>
6	Dogs, if the dogs are kept on premises at a kennel and cats, if the cats are kept on premises at a cattery	<p>Each owner of, and responsible person for, an animal kept on premises in the circumstances specified in column 1, item 6 must ensure that—</p> <p>(a) the keeping of the animals on the premises—</p> <p>(i) does not detrimentally affect the amenity of neighbouring premises; and</p> <p>(ii) does not involve the storage in the open of goods, materials or activities associated with the keeping of the animals; and</p> <p>(iii) does not attract fly breeding or vermin infestation; and</p>

		<ul style="list-style-type: none"> (b) the premises are suitably and continuously ventilated to ensure that all areas on which animals are kept are free of dampness, nuisance odours and dust emissions; and (c) only rain water from uncontaminated areas may drain directly into the storm water system; and (d) all spillages of wastes, contaminants and other materials are cleaned up immediately and are not cleaned up by hosing, sweeping or otherwise releasing such wastes, contaminants or materials to any storm water system or waters; and (e) the premises are kept free of vermin and conditions offering harbourage for vermin; and (f) all fixtures, fittings, equipment and facilities at the premises are maintained in a clean, tidy, sanitary and hygienic condition; and (g) waste waters from the washing down of floors, surfaces, enclosures and other areas is collected, and drained to, an approved pre-treatment device before discharge to the sewerage system; and (h) waste containers sufficient to accommodate the collection and storage of all waste generated as part of the operation of the premises are provided; and (i) all waste containers are regularly cleaned and maintained in a clean, tidy, sanitary and hygienic condition; and (j) all enclosures which form part of the operation of the premises are provided and maintained in a manner so as to— <ul style="list-style-type: none"> (i) be clean and in a sanitary condition; and (ii) prevent the escape of any animal kept in the enclosure; and (iii) protect the safety of staff and the public; and (iv) be in a state of good order and repair; and (v) avoid injury to any animal kept in the enclosure; and (vi) permit regular cleaning of all internal and external surfaces of each enclosure and regular checking of any animal within the enclosure; and (vii) be impervious and able to be effectively cleaned and sanitised; and (viii) ensure the comfort of any animal kept in the enclosure and prevent the spread of disease; and (k) animal feed is stored in insect and vermin proof containers.

Schedule 8 Requirements for proper enclosures for animals

Section 13

	Column 1 Species or breed of animal	Column 2 Requirements for proper enclosures
1	All animals regardless of species or breed	<p>(a) A proper enclosure is an area of the land on which the animal is kept, appropriately sized so as to be capable of effectively and comfortably housing the animal.</p> <p>(b) The area must be suitably fenced—</p> <p>(i) appropriate to the species and breed of the animal to be enclosed; and</p> <p>(ii) so as to effectively enclose the animal on the land on which it is kept at all times.</p> <p>(c) For the purposes of this item 1 suitably fenced means enclosed by a fence—</p> <p>(i) constructed of materials which are of sufficient strength to prevent the animal from escaping over, under or through the fence; and</p> <p><i>Example of a material which is not of sufficient strength—</i></p> <p>Where it is the only material used, electric tape or similar is not of sufficient strength to provide a suitably fence enclosure.</p> <p>(ii) of a height which is sufficient to prevent the animal jumping or climbing over the fence; and</p> <p>(iii) where the animal has the ability to dig—which includes a barrier installed directly below the fence to prevent the animal digging its way out; and</p> <p>(iv) where the animal has the ability to climb—designed and constructed in such a way as to prevent the animal from climbing over the fence; and</p> <p>(v) of which all gates are kept closed and latched except when in immediate use by a person entering or leaving the land on which the animal is kept.</p>
2	Horse (or other member of the Equine family)	<p>A proper enclosure for the keeping of a horse must, in addition to the requirements specified in item 1—</p> <p>(a) effectively enclose the horse so that the horse cannot reach over or through the fence to adjoining land or any public place; and</p> <p>(b) where the animal is a stallion—the enclosure must be constructed at least 2m within an additional or second suitable and adequate fence or enclosure, that is provided at the land on which the stallion is kept, to a standard approved by an authorised person.</p>
3	Cattle	<p>A proper enclosure for the keeping of a bull on an allotment less than 40,000m² must, in addition to the requirements specified in item 1, be constructed at least 2m within an additional or second suitable and adequate fence or enclosure, that is provided at the land on which the bull is kept, to a standard approved by an authorised person.</p>

Schedule 9 Requirements for keeping a dog in a koala area

Section 14(1)

No requirements prescribed.

Schedule 10 Koala areas²

Section 14(2)

No area designated.

² “Koala areas” under section 15(4) of the authorising local law comprise the areas designated in this schedule plus “koala habitat areas” designated by a State planning instrument or a conservation plan made under the *Nature Conservation Act 1992*.

Schedule 11 Criteria for declared dangerous animals

Section 15

There is a high likelihood of the animal causing injury to a person or animal or damage to property, taking into account—

- (a) its prior history of attacking or causing fear to persons or animals or damaging property; and
- (b) the extent of injury or damage that could potentially be inflicted by an animal of its size and species or breed.

Schedule 12 Conditions for sale of animals

Section 19

	Column 1 Species or breed of animal	Column 2 Conditions that must be complied with when offering animal for sale
1	No species or breed of animal mentioned.	No conditions set out.

Schedule 13 Dictionary

Section 4

allotment means a single parcel of land, or several contiguous parcels of land where all of the contiguous parcels of land are in—

- (a) the same ownership; or
- (b) the same occupation.

Animal Management Act see *Animal Management (Cats and Dogs) Act 2008*.

building has the meaning given in the *Building Act 1975*.

bull means an uncastrated male bovine over the age of 12 months.

caravan site means a part of a caravan park which is designated for a single accommodation of a particular type.

cat—

- (a) has the meaning given in section 11 of the Animal Management Act; and
- (b) includes a kitten regardless of age.

cattery has the meaning given in the planning scheme of the local government.

destroy, an animal, includes causing it to be destroyed.

dog—

- (a) has the meaning given in section 11 of the Animal Management Act; and
- (b) includes a puppy regardless of age.

domestic purposes means the purposes of—

- (a) human consumption; or
- (b) food preparation; or
- (c) washing; or
- (d) other normal domestic duties.

foster dog means a dog that a recognised not-for-profit animal welfare organisation has placed in the temporary care of a person who is identified as a carer of dogs for that organisation.

horse includes a pony and a miniature horse.

identifiable animal means an animal—

- (a) wearing an identifying tag issued by the local government; or
- (b) otherwise identified so that the local government is able to ascertain the owner of the animal.

keep—

- (a) (an animal)—

- (i) includes board, breed and train; and
- (ii) in the absence of evidence to the contrary, a person is presumed to keep an animal on land if the person—
 - (A) feeds and cares for the animal on the land; and
 - (B) the animal is observed by an authorised person on the land on more than 1 occasion during a month; and
- (b) kept has a corresponding meaning; and
- (c) for an animal kept on premises, each person who is a responsible person for, or an owner of, the animal, is deemed to keep the animal on the premises.

kennel has the meaning given in the planning scheme of the local government.

land has the meaning given in the *Planning Act 2016*.

local government public health risk has the meaning given in the *Public Health Act 2005*.

multi-residential premises means—

- (a) a residence which forms part of a group of 2 or more residences in circumstances where 2 or more of the residences of the group are directly adjacent to each other and share—
 - (i) a common wall; or
 - (ii) a ceiling in circumstances where 1 residence is directly under the floor of another residence; and
- (b) a residence situated on a lot which forms part of a community titles scheme as defined in the *Body Corporate and Community Management Act 1997*.

Examples of multi-residential premises—

Flats, boarding houses, tenement buildings, home units, townhouses and duplexes.

non-residential premises means premises other than residential premises.

occupier, of premises—

- (a) means the person who has the control or management of the premises; and
- (b) includes the owner of the premises where there is no person in apparent occupation of the premises.

pig includes a miniature pig.

premises means any land, building or structure and includes any part thereof.

registered has the meaning given in the *Animal Management (Cats and Dogs) Act 2008*.

residence means a building, or part of a building, that is—

- (a) fixed to land; and
- (b) a self-contained unit used by, or intended for the exclusive residential use of, one household.

residential premises means premises used, or intended to be used, predominantly as a place of residence.

sewerage system has the meaning given in the *Plumbing and Drainage Act 2018*.

stallion means an uncastrated male horse over the age of 12 months.

structure has the meaning given in the *Local Government Act 2009*.

vehicle has the meaning given in the *Transport Operations (Road Use Management) Act 1995*.

vermin means—

- (a) reptiles, bed bugs, lice, fleas, parasites and cockroaches; and
- (b) rodents capable of carrying or transmitting a notifiable disease; but
- (c) does not include—
 - (i) a protected animal within the meaning of the *Nature Conservation Act 1992*; or
 - (ii) a local government public health risk.

waste has the meaning given in the *Environmental Protection Act 1994*.

working dog has the meaning given in the *Animal Management (Cats and Dogs) Act 2008*.

13. INFRASTRUCTURE REPORTS**13.1 Request for Alterations and Additions to Council Assets - Lockyer Tennis Association Inc.****Author:** Jesse Godwin, Sports and Recreation Development Officer**Responsible Officer:** Micah Edwards, Group Manager Infrastructure**Purpose:**

The purpose of this report is to consider a request from the Lockyer Tennis Association Inc. to undertake resurfacing works on Council-owned tennis courts located at 17 Woodlands Road, Gatton (Lot 2 on SP 283661), and for a financial contribution from Council towards the works.

Officer's Recommendation:**THAT Council resolves to:**

- 1. approve the request from the Lockyer Tennis Association Inc., in accordance with Clause 22.5 of the Trustee Lease, to undertake resurfacing of the four (4) Council owned tennis courts at 17 Woodlands Road, Gatton (Lot 2 on SP 283661) that they lease from Council with a synthetic surface;**
- 2. approve a financial contribution of \$70,000 to the Lockyer Tennis Association Inc. from the 2025–26 Capital Budget to be applied to delivery of the tennis court resurfacing works on the basis that these works will provide an improvement of Council assets for the benefit of the community;**
- 3. approve a budget amendment of \$25,000 to accommodate increased project costs associated with resurfacing four courts with a synthetic surface, rather than an acrylic surface originally intended;**
- 4. approve the Lockyer Tennis Association Inc. as Lessee of the facility to be responsible for delivering the works with support from suitably qualified and experienced contractors, including a project manager, and subject to Council approving all contractors as required by Clause 22.5 of the Trustee Lease;**
- 5. require the Lockyer Tennis Association Inc. to enter into a funding agreement with Council to record the scope of works, project requirements and conditions of payment of Council's financial contribution prior to any works commencing; and**
- 6. delegate authority to the Chief Executive Officer to do all things necessary to give effect to this resolution, including approval of contractors, approval of expenditure in accordance with the approved budget amendment, and entry into a funding agreement with the Lockyer Tennis Association Inc. accordance with the approved budget amendment, and entry into a funding agreement with the Lockyer Tennis Association Inc.**

Executive Summary

The Lockyer Tennis Association Inc. (Club) has requested Council approval and financial support to resurface the Gatton Tennis Courts at 17 Woodlands Road, Gatton. The courts are Council-owned assets situated on trust land and leased to the club.

During detailed investigations, it was identified that the existing court base is unsuitable for acrylic surfacing. As a result, the previously proposed conversion of one of the tennis courts to accommodate pickleball cannot

proceed without significant additional reconstruction works, estimated to cost in the order of \$80,000–\$100,000.

In response, it is now proposed to proceed with resurfacing all four courts with a synthetic surface to address asset condition, safety, and ongoing tennis participation. While pickleball cannot be accommodated on the tennis courts as originally envisaged, Council will retain funding to explore alternative, lower-cost pickleball opportunities elsewhere in the region.

Council will contribute \$95,000 to the tennis resurfacing works, comprising \$70,000 from the existing capital allocation and a \$25,000 budget amendment, with the Club contributing the remaining project amount required to complete the works. The Club will manage delivery of the project with an appropriately qualified project manager, and contractors approved by Council, subject to Council oversight.

It is considered that it is appropriate for Council to contribute to the cost of these works as this will improve Council assets for the benefit of the community. If the recommendation in this report is accepted, it is proposed that a funding agreement will be entered into with the Club to clearly set out any project requirements and payment conditions in accordance with the Lease terms.

Proposal

The Gatton Tennis Courts are Council-owned assets located on deed of grant in trust land and leased to the Club until 30 June 2034. Under Clause 22.5 of the trustee lease, the Club may request Council approval to undertake alterations or additions to the premises.

It is noted that Council would ordinarily be responsible for structural maintenance under the terms of the Lease, and therefore it is not unreasonable for Council to provide a financial contribution towards the resurfacing works if Council resolves to approve the Club's request.

Technical investigations have confirmed that the existing pavement and base structure are only suitable for re-laying a synthetic surface. Conversion to an acrylic hard court as originally proposed would require removal of the existing slab and construction of a new reinforced concrete base, resulting in significantly higher costs.

The revised proposal is to:

- resurface all four tennis courts with a synthetic surface;
- remove pickleball court conversion from this project; and
- retain funding to investigate alternative, lower-cost pickleball opportunities elsewhere in the region.

The Club will be responsible to deliver the works, supported by a suitably qualified project manager and contractors approved by Council. Council will provide a financial contribution of \$95,000 to the Club for the tennis resurfacing works, with the Club responsible for managing delivery and contributing the remaining amount towards the total project cost.

Options

- Option A: Council approves the Club's request to undertake resurfacing of all four tennis courts with a synthetic surface and provides a total financial contribution of \$95,000 (including a \$25,000 budget amendment) to the Club.
- Option B: Council does not approve the Club's request and undertakes resurfacing works directly within existing budget constraints, resulting in a reduced or staged scope of works.
- Option C: Council defers the project and considers a future budget bid to reconstruct one or more court bases to accommodate acrylic surfacing and pickleball, subject to competing priorities.

Previous Council Resolutions

There are no specific resolutions relating to this resurfacing request.

Critical Dates

The Club aims to deliver the works within the 2025–26 financial year, subject to execution of the funding agreement and availability of appropriately skilled and qualified contractors. This timeframe would align with the target deadline for Council’s capital budget expenditure.

Strategic Implications

Corporate Plan

The proposal aligns with the following outcomes of the Lockyer Valley Regional Council Corporate Plan 2022 – 2027:

- Lockyer Community
 - Council optimises the use of its open spaces and facilities by improving access to and the quality of the facilities for individuals and groups for cultural, recreational and community activities
 - Council seeks to understand community needs, resulting in partnerships that realise long-term benefits for the community in a timely manner
- Lockyer Planned
 - Provision of fit-for-purpose infrastructure which meets the current and future needs of the region
- Lockyer Leadership and Council
 - Undertake robust and accountable financial, resource and infrastructure planning and management to ensure affordable and sustainable outcomes for our community
 - Compliant with relevant legislation.

Finance and Resource

Council has an existing allocation of \$85,000 in the 2025–26 Capital Budget for resurfacing works at the Gatton Tennis Courts. This amount was budgeted with the view to one of the courts being converted to an acrylic surface for pickleball use, however on investigation it has been identified that this is not feasible due to infrastructure constraints. Therefore, it is now proposed that \$15,000 of this existing budget allocation will be retained by Council to explore alternative, lower cost options to accommodate pickleball participation in the region, leaving \$70,000 available for a contribution towards the tennis court resurfacing.

To complete resurfacing of all four courts with a synthetic surface, Council approval of a \$25,000 budget amendment is required, bringing Council’s total contribution to the tennis resurfacing works to \$95,000. The Club will be responsible for contributing the remaining project amount required to complete the works.

Council officer resources will be required to support contractor approvals, preparation and execution of the funding agreement, inspections, and payment administration.

Legislation and Policy

The request from the Club is being dealt with as a request for alterations and additions under clause 22.5 of the Lease.

Council can impose reasonable conditions on the delivery of the works (including about what parts of the works are to remain or be removed and what is to be reinstated and to what condition when the Lease ends).

Under the Lease terms, the Club will perform the works at their own risk and they must already maintain \$20 million public liability insurance in relation to the premises. Council can require them to obtain any other insurance Council requires, acting reasonably. For this project, it would not be unreasonable to require them to have volunteers insurance to cover any preparatory work their own members perform (with Council's agreement), or to require that their contractors are appropriate insured to perform the works.

The Club will be required to comply with Clause 22.5 and ensure that the works are performed in a proper and workmanlike manner, by contractors approved by Council, without causing unreasonable disturbance to neighbouring property owners and in accordance with any conditions imposed by Council, any plans, specifications or schedule of finishes approved by Council, with any reasonable requirements and directions of Council and in compliance with all laws and regulatory requirements.

Risk Management

Key risks relate to quality of works performed on a Council asset, lack of project management control and contractor oversight by Council, potential cost overruns, compliance with the Lease obligations, insurance sufficiency, work health and safety and financial exposure. To the extent these risks can be managed by imposing reasonable conditions that align with the Club's lease obligations, this will be written into the funding agreement.

There is a risk that resurfacing works may not meet required technical or legislative standards. This will be managed by requiring the Club to appoint a suitably qualified project manager and to use contractors approved by Council in accordance with clause 22.5(b)(ii) of the Lease.

Potential WHS considerations will be addressed through project manager oversight, contractor approval requirements, and verification of applicable insurances prior to any works commencing.

Financial risks, including cost overruns, will be managed through a staged payment structure tied to milestones and inspections, with the Club responsible for any costs beyond Council's approved financial contribution. Cost overruns exceeding \$150,000 (excluding GST) will also result in the Club being required to pay the QLeave Levy.

If the recommendation is accepted, a funding agreement will be negotiated to clarify scope, ensure lease compliance, identify milestones, provide for inspections, and confirm all accepted works become Council property.

13.2 Tree Management Policy

Author: Brendan Sippel, Principal Parks, Recreation and Cemeteries
Responsible Officer: Micah Edwards, Group Manager Infrastructure

Purpose:

The purpose of this report is to seek Council's adoption of the Tree Management Policy, for inclusion in Council's policy and procedure/guideline register and has been developed in accordance with the *Local Government Act 2009, Land Act 1994, Biosecurity Act 2014, Environmental Protection Act 1994, Neighbourhood Disputes (Dividing Fences and Trees) Act 2011, Nature Conservation Act 1992, Planning Act 2016 and Vegetation Management Act 1999*.

Officer's Recommendation:

THAT Council adopt the Tree Management Policy, as attached to this report.

Executive Summary

Council recognises the value and important role of Public Trees throughout the region and aims to balance risks against environmental, social and economic benefits. This policy outlines Council's commitment to the responsible management of planting, maintenance, removal, care and protection of Public Trees located on council owned land and council roads.

This policy does not apply to:

- Trees on private property
- Trees on State controlled roads
- Trees on Council Land or Council Roads subject to a lease, permit or other approval where vegetation management is the responsibility of the lessee, permittee or approval holder
- Declared Plant species as listed in the *Biosecurity Act 2014*.

Proposal

Council officers currently aren't guided by a policy on the management of planting, maintenance, removal, care and protection of Public Trees located on Council Land and Council Roads. This policy would provide clarity to officers and residents when considering requests relating to the above.

The policy does not override any conditions stipulated by Council on any development approvals or in other instruments (for example in infrastructure agreements).

This policy will also support Council in managing insurance liability. Council's insurer has advised that implementing a tree management policy is a critical measure for improving and maintaining the health of Council's tree population. By implementing this policy, it will assist in reducing Council's insurance premium and is an audit requirement of the Audit and Risk Management Committee.

The Policy has been reviewed in accordance with Councils policy framework and are presented to Council in this report for adoption.

Options

1. Council adopts the Tree Management Policy as attached to this report.
2. Council adopts the Tree Management Policy with amendments.
3. Council do not adopt the Tree Management Policy.

Critical Dates

Council is required to complete a risk self-assessment survey for insurance by 20 March 2026. If adopted this policy will be submitted as part of the risk self-assessment.

Strategic Implications

Corporate Plan

Lockyer Valley Regional Council Corporate Plan (2022-2027)

Lockyer Community

- Enhanced wellbeing and safety of the community

Lockyer Nature

- Lockyer Valley's natural assets are managed, maintained and protected
- Council's policies and plans support environmentally sustainable development

Finance and Resource

The content of the policies outlined in this report do not alter current budgetary requirements.

Legislation and Policy

The policy has been developed in accordance with the relevant sections of the legislations:

- *Local Government Act 2009*
- *Land Act 1994*
- *Biosecurity Act 2014.*
- *Environmental Protection Act 1994*
- *Neighbourhood Disputes (Dividing Fences and Trees) Act 2011*
- *Nature Conservation Act 1992*
- *Vegetation Management Act 1999*

Risk Management

Key Corporate Risk Category: FE2

Reference & Risk Descriptor: Finance and Economic

Decision making governance, due diligence, accountability and sustainability.

Consultation

Portfolio Councillor Consultation

Portfolio Councillor's Michael Hagan and Anthony Wilson have been briefed during Portfolio meetings on 11 March 2026.

Other Councillors have been provided with a copy of the policy prior to the Council meeting for review.

Internal Consultation

- Group Manager Infrastructure
- Principal Governance and Policy
- Governance Officer
- Senior Strategic Planner
- Coordinator Park, Recreation and Cemeteries

External Consultation

Subject to the updated policy being adopted by Council:

- the updated documents will be published on Council's website; and
- the Audit and Risk Management Committee will be advised that the document has been developed.

Page 1 of 6

Dead or Declining Tree	a tree which has been assessed by a competent person or arborist with AQF level 5 in Arboriculture and have either: <ol style="list-style-type: none"> No evidence of living tissue within the entirety of the branches, trunk and/or root system (dead); or Evidence of living tissue but the tree is in terminal decline, beyond economical or restorative intervention.
Public Tree	refers to any tree within Council's Local government area that is situated wholly or mainly on Council Land or Council Roads.

Policy Objective

Council recognises the value and important role of Public Trees throughout the region and aims to balance risks between environmental, social and economic benefits. This policy outlines Council's commitment to the responsible management of planting, maintenance, removal, care and protection of Public Trees located on Council Land and Council Roads.

Policy Statement

This policy applies to all Public Trees on Council Land and Council Roads.

This policy does not apply to:

- trees on private property
- trees on all other State-controlled roads
- trees to which Chapter 3 of the *Neighbourhood Disputes (Dividing Fences and Trees) Act 2001* does not apply (see section 42 of the Act)
- trees on Council Land or Council Roads subject to a lease, permit or other approval where vegetation management is the responsibility of the lessee, permittee or approval holder
- declared plant species as listed in the *Biosecurity Act 2014*.

For clarity, this policy does not apply to override any conditions stipulated by Council on any development approvals or in other instruments (for example in infrastructure agreements).

All employees are responsible for ensuring this policy is understood and adhered to by all those working on Council Land and Council Roads.

Tree Planting

Council will plant suitable trees in locations, with consideration given to the Public Trees whole of life maintenance requirements and the possible impacts to private and Council infrastructure and public safety.

Page 2 of 6

Tree species chosen for planting will be selected based on their suitability to the local climate, soil conditions and the specific characteristics of the planting site. Preference will be given to native species where appropriate, and non-invasive species that will not disrupt local ecosystems.

Trees shall be planted according to industry standards to ensure their healthy establishment. This includes considerations for appropriate spacing, root protection, and appropriate planting depths to prevent damage to underground infrastructure. Trees will be strategically placed to provide benefits such as windbreaks and beautification while minimizing potential conflicts with underground or above ground infrastructure like footpaths, roads, power lines and water pipelines.

Property owners may contact Council and request Public Trees be planted adjacent to their property. Any proposed landscaping is to be assessed and approved by Council in accordance with the Lockyer Valley Planning Scheme.

Where a property owner or other person plants a tree on Council Land or a Council Road without prior approval or in a way that doesn't comply with the conditions of any approval issued by Council, Council may require the property owner or other person to remove the tree. Where the property owner or other person fails to comply with a reasonable requirement of Council, Council may take the required action itself and recover the costs of doing so from the property owner or other person who failed to do so.

Tree Maintenance

Council is committed to preserving, protecting, and improving the health of the region's Public Tree network. As a living asset, Public Trees must be maintained throughout all stages of their lifecycle. Council conducts inspections and risk assessments on Public Trees responsive to complaints and customer requests. Where appropriate, Council may engage a qualified Arborist or competent person to assist with this process.

Council may undertake pruning of Public Trees to:

- provide clearance around Public Trees for vehicle sight lines and public signage
- resolve instances of genuine nuisance
- develop, improve or restore tree structure or health
- reduce risks and hazards to public safety
- reduce risks to Council's infrastructure
- improve aesthetics including management of tree size and/or shape; and
- conserve or enhance wildlife habitat.

Council shall not undertake pruning of Public Trees to:

- benefit private views
- maintain clearances of a private tree on private property around the electricity service wire
- facilitate private construction works including fences
- improve grass growth, shading of property, solar panels, tv, radio or satellite reception

Group: Infrastructure
Unit: Parks Recreation and Cemeteries

- reduce sap or debris dropping (leaf, bark, fruit, or twigs and branches)
- reduce animal droppings or noise
- remove obstructions to private or commercial signage
- reduce minor allergenic or irritant responses, or
- satisfy personal aesthetic preferences.

Where Council has assessed there is a risk to public health or safety, or a high risk of imminent danger or damage to a residence, Council will arrange for action to be taken as soon as possible to make safe or mitigate risk until a final solution occurs.

All maintenance activities will be responsive to Council's risk assessment, Council resources and budget limitations.

Tree Removal

Council reserves the right to remove Public Trees from Council Land and Council Roads. Decisions as to whether to act on these requests will be made by Council's Infrastructure staff and/or a suitably qualified Arborist. Public Trees will only be removed after consideration of the potential risks and benefits and will be delivered subject to funding and resource availability.

When assessing requests for removal of Public Trees, Council will explore all options of preservation and retention in the first instance. Council may support removal when:

- the tree is a Dead or Declining Tree
- the tree is diseased and beyond remedial treatment and unable to be managed through recognised arboriculture methods
- the tree is causing extensive damage and/or poses an increasing risk of nuisance to property or infrastructure
- the tree is affecting the safe delivery and outcomes of Council's capital or maintenance projects
- the tree unreasonably restricts the development potential of the property/s
- the tree is determined by an appropriately qualified Arborist that an unacceptable hazard is present to pedestrians, vehicular traffic, a residence or property and cannot be mitigated through pruning or isolated works
- the tree is an invasive plant (prohibited or restricted biosecurity matter under the *Biosecurity Act 2014*)
- the tree is hindering visibility and the requirements under the Austroads' Guide to Road Design and the Austroads' Guide to Traffic Management are not met, or
- emergency access or work is immediately required in response to an emergency event.

Residents or property owners wishing to undertake clearing of vegetation within Council Land or Council Roads must apply to and obtain approval from Council via a development approval or Council permitting process (as the case may be) before any works occur. The applicant is responsible for ensuring they comply with all of the conditions of approval, including all applicable State and Federal legislation, for vegetation clearing.

Tree Care and Protection

The protection and retention of Public Trees shall be a high priority during the assessment of development applications, delivery of capital projects, when performing maintenance activities, and when assessing event applications likely to cause impact to Public Trees. These assessments should be reviewed against the Australian Standard for the protection of trees.

Council is committed to ensuring that Public Trees on Council Land and Council Roads are protected from interference to maintain the region's biodiversity, conservation, scenic, amenity and cultural value. Instances of interference with Public Trees may be investigated and managed in accordance with local laws and relevant legislation.

Trees within Unformed Road Reserves

Council maintains an extensive road network across the region. There is also a large number of gazetted roads which are unformed. Council does not undertake regular inspections or routine maintenance of trees on unformed roads.

Where Council is made aware of a particular risk of loss or damage to private property due to a Public Tree, a risk assessment will be conducted and appropriate action to manage the risk will be taken at Council's discretion.

Human Rights

Council is committed to respecting, protecting and promoting human rights. Council has an obligation under the *Human Rights Act 2019* to give proper consideration to human rights when making a decision, and to act and make decisions in a way that is compatible with human rights. To the extent that an act or decision under this policy may engage human rights, Council will have regard to *the Human Rights Act 2019* in undertaking the act or making the decision.

13.3 Revision of Cemetery Management Policy and Procedure

Author: Brendan Sippel, Principal Parks, Recreation and Cemeteries
Responsible Officer: Micah Edwards, Group Manager Infrastructure

Purpose:

The purpose of this report is to seek adoption by Council of the following updated policies and procedures:

- Cemetery Management Policy; and
- Cemetery Management Procedure.

Officer's Recommendation:

THAT Council adopt the following documents, as attached to this report:

- 1. Cemetery Management Policy.**
- 2. Cemetery Management Procedure.**

Executive Summary

Council is required under the *Local Government Act 2009* to adopt specific policies, procedures and guidelines for the good governance of the organisation.

Proposal**Cemetery Management Policy**

The Cemetery Management Policy was adopted in November 2017 and provides a framework for the management and operation of Council's cemeteries, promoting a safe and respectful environment for all users. A revision of the Policy has been undertaken to ensure relevancy.

The following changes are proposed:

- update relevant legislation and related document references.
- update document formatting.

Cemetery Management Procedure

The Cemetery Management Procedure was adopted in November 2017 and assists in providing a consistent decision-making framework for Council controlled cemeteries. The Procedure has been reviewed to ensure relevancy.

The Cemetery Management Procedure has been reviewed to ensure relevance. The following changes are proposed:

- update relevant legislation and related document references.
- update document formatting.

The documents have been reviewed in accordance with Council's policy framework and are presented to Council in this report for adoption.

Options

1. Council adopt the updated policy and procedure as attached to this report.
2. Council request amendments to the policies and procedures.

Previous Council Resolutions

The Cemetery Management Policy and Procedure were initially adopted on 8 November 2017 under resolution 16-20/0722. A revision of both documents was undertaken in 2023, with amendments adopted under resolution 20-24/0815 on 17 May 2023.

Critical Dates

The Audit and Risk Management Committee require these documents to be reviewed by 30 March 2026.

Strategic Implications

Corporate Plan

Lockyer Leadership and Council

- Commit to open and accountable governance to ensure community confidence and trust in Council and our democratic values
- Undertake robust and accountable financial, resource and infrastructure planning and management to ensure affordable and sustainable outcomes for our community
- Compliant with relevant legislation.

Finance and Resource

The content of the policies outlined in this report do not alter current budgetary requirements.

Legislation and Policy

Consideration was given to the following legislations:

- *Human Rights Act 2019,*
- *Information Privacy Act 2009*
- *Local Government Act 2009*
- *Right to Information Act 2009*
- *Succession Act 1981*
- *Subordinate Local Law No. 1.13 (Undertaking Regulated Activities regarding Human Remains)*
- *Subordinate Local Law No. 4 (Local Government Controlled Areas, Facilities and Roads)*

STRATEGIC

Cemetery Management

Head of Power

Local Government Act 2009

Key Supporting Council Document

Lockyer Valley Regional Council Corporate Plan (2022-2027):

- 1.2 Council optimises the use of its open space and facilities by improving access to and the quality of the facilities for individuals and groups for cultural, recreational and community activities.

Definitions

Burial or Interment Right	is a legal document which gives the licensee the exclusive right to use the specified piece of land for burials and to place a monument over the grave.
Burial or Interment Right Holder	the person who purchases a gravesite/plot or ashes niche, whether for immediate or future use, and holds a Burial or Interment Right for it.
Niche	a recessed space in the columbarium wall suitable for a container of ashes.
Plot	a small, numbered piece of land used for burial within a section of a cemetery.

Policy Objective

To provide a framework for the management and operation of Council's cemeteries promoting a safe and respectful environment for all users.

Group: Infrastructure
 Unit: Parks, Recreation & Cemeteries
 Approved: Ordinary Meeting (Resolution Number 20-24/XXXX)
 Date Adopted: 18/03/2026
 ECM: 4506078

Effective Date: 18/03/2026
 Version: 6 Last Updated: 5/03/2026
 Review Date: 31/03/2029
 Superseded/Revoked: 3491156

Page 1 of 3

Document Set ID: 4506078
 Version: 5, Version Date: 05/03/2026

Policy Statement

Council is committed to:

- The provision of interment and memorialisation services to the community and servicing the deceased and their families with dignity and respect.
- Preserving the history of the region's cemeteries and maintaining records
- Maintaining cemetery grounds to meet customers' needs and expectations
- Planning for future burial and interment needs of the regions communities.

Council is responsible for the administration and management of plot and niches purchases, transfer of burial or interment rights, approvals for monumental works, issuing of licences to work in cemeteries, maintenance of cemetery grounds, and the interment of ashes into the columbarium walls.

For each application made to Council for cemetery services an administrative fee is applied. These fees are reviewed annually and can be found in Councils fees and charge schedule.

A Burial or Interment Right does not grant the holder ownership over that piece of land, rather, it gives exclusive entitlement to the holder to intern the remains of a deceased person in the reserved plot or niche.

Council will collect the information necessary to meet its requirements for a cemetery register which is available to the public on request.

Appropriate maintenance of Council's cemeteries is required so that the essential elements which give the burial grounds their character are preserved in a way that maintains their significance. Maintenance of cemetery grounds excludes the care and repair of monumental work, weeding and general maintenance of individuals plots.

Appropriate materials are to be used to securely contain human remains for disposal. A person must not dispose of human remains in any section of a Council cemetery unless approval has been granted by Council. Disturbance of human remains buried in a Council cemetery must be undertaken by a qualified undertaker. A person must not dispose of human remains (excluding ashes) outside a Council cemetery in the Lockyer Valley region without approval.

Human Rights

Council is committed to respecting, protecting and promoting human rights. Council has an obligation under the *Human Rights Act 2019* to give proper consideration to human rights when making a decision, and to act and make decisions in a way that is compatible with human rights. To the extent that an act or decision under this policy may engage human rights, Council will have regard to the *Human Rights Act 2019* in undertaking the act or making the decision.

1. Introduction

Lockyer Valley Regional Council is the cemetery operator for seven cemeteries in the Lockyer Valley region, and as such is responsible for the administration and maintenance of these cemeteries.

The cemeteries under Council's authority include:

- Laidley
- Forest Hill
- Gatton
- Caffey
- Murphy's Creek
- Ingoldsby
- Ropeley

For the purposes of this document, the Lockyer Valley Regional Council is the cemetery authority appointed to manage local government cemeteries in the Lockyer Valley region. Council must manage its cemeteries according to provisions outlined in this Procedure.

This Procedure provides information for the proper management and control of public cemeteries in the Lockyer Valley Regional Council area.

Council may, subject to the *Planning Act 2016*, establish a cemetery on land under its control.

A cemetery may include:

- a crematorium
- a columbarium
- a garden of remembrance; and
- other structures and improvements that Council considers appropriate.

2. Definitions

Applicant	Any person making an application for funeral or monumental permission or for a licence to work in cemeteries.
Burial Register	The record of all burial and niche interments in Council cemeteries.
Burial or Interment Right	Is a legal document which gives the licensee the exclusive right to use the specified piece of land for burials or intern ashes and to place a monument.
Burial or Interment Right Holder	The person who purchases a gravesite/plot or ashes niche, whether for immediate or future use, and holds a Burial or Interment Right for it.
Cemetery Operator	The person or body that directs the operations of a cemetery. For the purposes of this policy the cemetery operator is Lockyer Valley Regional Council.
Exhumation	The removal of a dead person's remains from a grave or niche. This does not include their removal for the purpose of reburial in the same grave.
Gravesite	A place of burial also referred to as a plot.
Interment	The placement of a coffin/casket or ashes into a gravesite/plot for the purpose of burial or installation of ashes into a niche.

Group: Infrastructure
 Unit: Parks, Recreation & Cemeteries
 Approved: Ordinary Meeting (Resolution Number 20-24/XXXX)
 Date Approved: 18/03/2026

 Superseded/Revoked: 3491157

Page 1 of 8

Document Set ID: 4506079
 Version: 9, Version Date: 05/03/2026

Interment site	The allocated space where an interment has or will occur. Also referred to as a gravesite/plot or niche.
Licence	An authorisation from Council that grants permission.
Licensee	The owner of a licence.
Monument	Any structure, plaque, headstone, masonry, metal work or casting placed over, in or around the interment site.
Monument Permit	The approval given by Council to place a monument over, in or around an interment site.
Niche	A recessed space in the columbarium wall or garden suitable for a container of ashes.
Qualified Undertaker or Funeral Director	A person who carries on the business of disposing human remains.
Perpetuity	Lasting indefinitely with no fixed end date.
Plot	A small, numbered piece of land used for the purpose of burial within a section of a cemetery
Reservation	The act of securing in advance a plot for the purpose of burial or niche for the purpose of installing ashes.
Service Provider	A business that supplies funeral services.

3. Management

Council is responsible for the administration and management of plot and niche purchases, transfer of interment rights, approvals for monumental works, issuing of licences to work in cemeteries, maintenance of cemetery grounds, and the interment of ashes into the columbarium walls or gardens.

3.1 Fees

For each application made to Council for cemetery services an administration fee is applied. These fees are reviewed annually and can be found in Councils fees and charges schedule.

Council does not provide pre-payment plans for any funeral activities.

3.2 Application for Plot or Niche

Council offers three burial options within its cemeteries:

- interment into a gravesite/plot or
- interment into a niche in a columbarium wall or
- Interment into a niche in the Laidley Ashes Memorial Garden

At the completion of the application process the applicant will be issued with a Burial or Interment Right.

Columbarium Niches are available at Laidley, Forest Hill, and Gatton Cemeteries.

A Columbarium Niche can hold one (1) container of ashes. Container dimensions for ashes are to be 220mm x 110mm x 80mm to fit within a Niche.

There are 3 Niche sizes available – Single, Double, or Family (Gatton only). Niche sizes may vary slightly but approximate size is:

- Single: 85mm x 120mm x 230mm – will fit 1 standard ashes container
- Double: 170mm x 120mm x 230mm – will fit 2 standard ashes containers
- Family: 170mm x 230mm x 230mm – will fit 4 standard ashes containers

Group: Infrastructure
 Unit: Parks, Recreation & Cemeteries
 Approved: Ordinary Meeting (Resolution Number 20-24/XXXX)
 Date Approved: 18/03/2026
 ECM: 4506079

Effective Date: 18/03/2026
 Version: 9
 Review Date: 31/03/2029
 Superseded/Revoked: 3491157

Page 2 of 8

Document Set ID: 4506079
 Version: 9, Version Date: 05/03/2026

The Laidley Ashes Memorial Garden at the Laidley Cemetery is also available for ashes interment. The gardens cater for Single or Double interments.

Niche size is:

- 350mm x 185mm

With either one or two containers fitting into the niche dependent on the section of garden. All plaques are required to be within the size of 350mm x 185mm and are required to be installed by a monumental mason or Council.

All gravesites within Lockyer Valley Regional Council cemeteries must be prepared by employees or contractors of Council. In either case a representative of Council must be present.

The upper surface of a coffin/casket, once interred, must be no less than one (1) metre from the natural surface of the soil. An existing coffin/casket must not be disturbed for the purpose of deepening the grave.

Council can apply a limit to the maximum number of bodies interred per grave. All requests for subsequent grave interments will be assessed for viability to eliminate the possibility of disturbing remains. Every attempt will be made by Council to prepare new graves to double depth, however on occasion due to geological conditions only single depth may be attainable. In some situations, another grave location will be required. Council will liaise with the funeral director and/or the family if this occasion arises. The Burial or Interment Right Holder may limit a plot to being Single depth, however this must be indicated by the applicant at the time of purchase.

3.3 Burial or Interment Right

A Burial or Interment Right does not grant the holder ownership over that piece of land, rather, it gives exclusive entitlement to the holder to inter the remains of a deceased person in the reserved plot/niche. A Burial or Interment Right will be granted in perpetuity.

Burials and interments will only be permitted in Council cemeteries with written approval issued by Council. Council reserves the right to refuse to grant a Burial or Interment Right and will only issue a Burial or Interment Right for plots that have been surveyed by Council.

Funeral directors and monumental masons must first contact Council to determine the allocation of a plot or niche or confirmation of an existing reservation or re-opening of a burial plot.

Council holds the exclusive right to close a section of any cemetery and to refuse to issue a burial or interment right for a closed section. Although a cemetery may appear to have vacant land available for burials, there may be reserved plots or unknown/unmarked gravesites preventing further use.

3.4 Transfer of a Burial or Interment Right

Burial or Interment Rights may not be transmitted by death, transfer or sold to another person. A Burial or Interment Right for a plot/gravesite or niche may be surrendered to Council by the Burial or Interment Right Holder. Upon surrender, Council will pay the Burial or Interment Right Holder 80% of the purchase price upon the

Version: 9, Version Date: 05/03/2026

presentation of proof of purchase. If no proof of purchase is able to be provided by the Burial or Interment Right Holder, Council will provide a refund of \$200.

On the purchase of Burial or Interment Rights the Burial or Interment Right Holder can indicate the person for whom each plot or niche is reserved on the Application for Reservation of Interment Site Form.

On the death of the Burial or Interment Right Holder the power to authorise interment in a plot or niche reverts to Council unless transfer is authorised by the *Succession Act 1981*. Council will permit in its absolute discretion, a spouse, child, partner, relative, direct descendant or a friend of the Burial or Interment Right Holder to be interred in the plot or niche provided that Council has no reason to believe that the Burial or Interment Right Holder would have objected. A completed Interment Consent Declaration Form needs to be provided to enable this to occur.

An Interment Consent Declaration is a document witnessed by a Justice of the Peace in which the applicant states that all living family and descendants are agreeable to the person being interred in the plot or niche.

Council will consider the transfer of Burial or Interment Rights for pre-existing Burial or Interment Right applicants purchased on a case by case basis. All requests for transfer of Burial or Interment Rights for pre-existing Burial or Interment Right applicants are required to be submitted in writing.

3.5 Exhumation

A Cemetery Service Exhumation Request Form must be completed for exhumation of human remains or disinterment of ashes and will only be accepted when accompanied by the Burial or Interment Right Holder's written consent or other duly authorised representative.

Exhumations of non-cremated human remains are to be carried out in conjunction with a Funeral Director. The disinterment of ashes may be conducted by Council. Ownership rights of the site will revert back to Council unless other interments exist.

3.6 Conduct of funerals

All funerals in a local government cemetery must be conducted by a qualified undertaker.

4. Operations

4.1 Conduct of Funerals

Work must not be undertaken of any kind in a Council cemetery unless a valid licence/permit to undertake works is issued for that specific activity. Works are considered to be any gravesite or niche activity, this includes but is not limited to grave digging, interment and exhumation of remains, and the construction, repair or removal of a monument.

Group: Infrastructure
Unit: Parks, Recreation & Cemeteries

Effective Date: 18/03/2026
Version: 9
Review Date: 31/03/2029
Superseded/Revoked: 3491157

Page 4 of 8

Document Set ID: 4506079
Version: 9, Version Date: 05/03/2026

Note: The placement of floral and other tributes on a gravesite or niche is not considered “work” and therefore a licence is not required for this activity. All tributes must remain within the perimeter of the gravesite or niche.

Anyone who wishes to conduct funeral or monument activities at a Council cemetery must formally apply and receive approval from Council before commencing any work and hold current public liability insurance coverage of \$20 million.

4.2 Hours of Operation

The hours appointed for the performance of interments in a cemetery are to commence no earlier than 9.00am and complete no later than 3.00pm Monday to Friday (excluding public holidays). Outside these hours, interments may be performed by special arrangement. Relevant fees apply.

The size and position of graves, columbarium walls and vaults in cemeteries must be determined, surveyed and approved by an authorised officer.

Council may set apart a portion of a cemetery for the interment of members of any particular religious denomination.

4.3 Flowers and Vases

Graves in lawn areas (as distinct from traditional monumental graves) are intended to have minimal flowers and memorabilia. No more than three receptacles for flowers are permitted on lawn graves or ashes memorials.

Glass or metal containers, solar lights, pot plants, pebbles, plastic windmills and fencing are not permitted on lawn graves or ashes memorials. Any type of planting in lawn graves areas and monumental burial areas is prohibited.

Columbarium vases may be purchased privately and can be installed by Council. Council is to be notified that installation is required when lodging the required application form.

The Laidley Ashes Memorial Garden has an area provided where flowers or small trinkets can be placed.

4.4 Plaques – Interment in Columbarium

Council will provide a list of standard plaques sizes that are allowed to be installed on columbarium walls and in ashes gardens throughout council cemeteries. The purchasing and organising of the plaques is the responsibility of the Burial or Interment Right Holder.

Council will take all reasonable care during the course of maintenance activities in our cemeteries. Council accepts no responsibility for any deterioration in plaques due to the natural elements or the passage of time. The plaque will always remain the responsibility of the Burial or Interment Right Holder or if the Burial or Interment Right Holder is deceased, the family and descendants of the interred person/s.

4.5 Plaques and Monuments for Graves

Council is not responsible for the arrangement of a plaque or monument and recommends a suitably qualified stonemason is engaged to carry out works. A person who carries out the construction of a memorial in a Council cemetery must have prior approval. The following Australian Standards apply:

- AS4425-1996; 'Above-ground burial structures'
- AS4204-1994; 'Headstones and cemetery monuments'

Council will take all reasonable care during the course of maintenance activities in its cemeteries. Council accepts no responsibility for any deterioration in plaques or granite products due to the natural elements or the passage of time.

Council accepts no responsibility for the maintenance of any monument that has been constructed on a grave. The monument will always remain the responsibility of the Burial or Interment Right Holder or if the Burial or Interment Right Holder is deceased, the family and descendants of the interred person/s. Council reserves the right to remove any monument after due notice to family or descendants (where possible), or if the condition of the monument renders it dangerous to cemetery staff or visitors.

4.6 Maintenance

Appropriate maintenance of Council's cemeteries is required so that the essential elements which give the cemetery grounds their character are preserved in a way that retains their significance. Maintenance of cemetery grounds excludes the care and repair of monumental work, weeding and general maintenance of individual plots or niches.

Council has the right to remove any tribute when it becomes a maintenance and/or safety hazard.

Council will level a grave site as required to repair collapse. Council may temporarily or permanently close a cemetery to further interments.

Council will take reasonable care to protect the property and property rights of owners within the cemetery from loss or damage, but disclaims all responsibility for loss or damage caused by its employees or agents and/or equipment of the Council or from other causes beyond its control (i.e. vandalism or severe weather).

Council reserves the right of a temporary easement at any time on or across any space/plot/grave, for equipment and material access necessary for interment on adjoining lots or other operational purposes.

A person who carries out maintenance of a memorial must have prior approval from Council before any works are carried out. The maintenance of memorials is the responsibility of the family of the deceased or another person who has proper interest in the memorial. If a memorial needs to be removed or reinstated to allow for a subsequent interment it is at cost to the applicant.

Group: Infrastructure
Unit: Parks, Recreation & Cemeteries
Approved: Ordinary Meeting (Resolution Number 20-24/XXXX)
Date Approved: 18/03/2026
ECM: 4506079

Council may remove a memorial if it has become unsafe or has fallen into a state of disrepair and will replace it with an appropriate marker. In this case, members of the deceased's family known to the Council will be provided reasonable notice and advised of the associated costs.

5. Conduct

A person in a local government cemetery must comply with a reasonable direction given by the local government.

6. Records to be kept

Records will be kept at Council's offices and managed in accordance with standard records practices subject to the *Information Privacy Act 2009* and *Right to Information Act 2009*.

Council maintains a register of burials and interments. A burial or interment must be recorded immediately after Council is notified and may be amended to remove or correct inaccuracies.

7. Containment of human remains

Appropriate materials are to be used to securely contain human remains for disposal.

A person must not dispose of human remains in any section of a Council cemetery unless approval has been granted by Council. Disturbance of human remains buried in a Council cemetery must be undertaken by a qualified undertaker.

A person must not dispose of human remains (excluding ashes) outside a Council cemetery in the Lockyer Valley region without approval.

Council's Subordinate Local Law No. 1.13 (Undertaking Regulated Activities regarding Human Remains) outlines the requirements for the undertaking of the following regulated activities regarding human remains:

- a) Disturbance of human remains buried outside a cemetery.
- b) Burial or disposal of human remains (excluding cremated remains) outside a cemetery.
- c) Disturbance of human remains in a Local Government cemetery.

8. Relevant Legislation

14. ITEMS FOR INFORMATION**14.1 Chief Executive Officer's Monthly Report - February 2026****Author:** Scott Greensill, Chief Executive Officer**Responsible Officer:** Scott Greensill, Chief Executive Officer

Purpose:

This report provides Council with a summary of key operational activities undertaken by the Chief Executive Officer's Group during February 2026.

This document is for Council's information only.

Executive Summary

The activities covered in this report include Strategic Planning, Internal Audit and Risk, Procurement, Disaster Management, Community Development and Engagement and Advocacy. The Finance function is subject to separate reporting.

Proposal

That this report be received and noted.

REGIONAL COUNCIL

HIGHLIGHTS

Flood Restoration Program Update

Expenditure incurred during and after declared events that occurred during 2021/2022, 2023/2024 and the 2024/2025 financial years has been substantial, and it is important to ensure all eligible costs are reimbursed. The following tables provide a snapshot of costs submitted for reimbursement and approved for the 2021/2022, 2023/2024 and 2024/2026 events, as at 5 March 2026.

DRFA - South East Queensland Rainfall and Flooding, 22 February - 5 April 2022 event

DRFA - Southern Queensland Flooding, 6-20 May 2022 event

BUSINESS IMPROVEMENT & STRATEGY

Delivering the Business Improvement functions as outlined in this report assists Council in achieving the following Corporate Plan Outcomes:

“Undertake robust and accountable financial; resource and infrastructure planning and management to ensure affordable and sustainable outcomes for our community”

“Commit to open and accountable governance to ensure community confidence and trust in council and our democratic values”

“Compliant with relevant legislation”

Business Improvement Activities and Projects

The Business Improvement team are developing internal frameworks that will enable us to partner with teams to deliver process analysis and optimisation, project support, change management, assurance and risk services, as well as tools, frameworks and business process documentation. Our goal is to support continuous improvement across the organisation.

Included in the table below is a status update and achievements to date on activities and projects being undertaken by the team.

Business Improvement Activity	Total as at end Feb 26
Improvement ideas generated 	52
Improvement initiatives in progress 	7
Improvement ideas implemented 	2
Business processes analysed 	253
Published business processes Available in ECM. Approved & published in PRIME BPM. 	76
Key Projects	Status
Redefine key activities for Business Improvement team, align with new improvement project framework and introduction of Opportunities Register.	Nearing Completion
Asset Capitalisation processes and documentation.	Nearing Completion
Finalise CRM Process Maps for ICT's CiA Migration Project.	Nearing Completion
Future Opportunities (What's next)	
The BI Team are currently scoping projects for Infrastructure, Service Level Agreements and Accounts Payable.	

BUSINESS IMPROVEMENT & STRATEGY CONTINUED...

**Audit and Risk Management Committee**

The Annual Planning Day with the Audit and Risk Management Committee (ARMC) and Council's Executive Leadership Team was held on Thursday, 19 February 2026. Presentations and discussions covered global and regional risk trends for 2026 and their potential impacts on LVRC, assurance oversight arrangements for Council's major capital projects, and the annual review of the three-year Internal Audit Plan. The ARMC also conducted a review of its performance for 2025 and re-developed its annual rolling work plan for setting its items for discussion at each meeting during 2026.

**Internal Audit Update – Delivery of Council's Internal Audit Plan**

Council has engaged O'Connor Marsden and Associates (OCM) to conduct all audits identified on its 3-year Internal Audit Plan. The status of the 2025-2026 audit schedule is outlined below:

2025-2026 Internal Audit Schedule		
Audit/Review	Objective/Scope	Status
Infrastructure Charges	To provide assurance that Council operates its infrastructure charges processes effectively, economically and efficiently and that the internal control framework governing infrastructure charges is adequate.	Completion of fieldwork, including the exit meeting with stakeholders. A draft report is being prepared by OCM.
Asset Maintenance (Roads and Transport)	To assess the adequacy of design and operating effectiveness of internal controls for the oversight, management and execution of asset maintenance planning processes.	This review has been deferred. The ARMC has endorsed this change (in principle).
Grants Management	To provide assurance that the internal control framework governing grants management is adequate and enables effective, economic and efficient operation and management of grants.	This review was proposed to replace the asset maintenance review. A draft term of reference is under development to scope the review.

The annual review of Council's three-year internal audit plan commenced this month. An internal audit planning session was held with the Executive Leadership Team on Tuesday, 10 February 2026, followed by a further session with the Audit and Risk Management Committee on Thursday, 19 February 2026.

A revised three-year internal audit plan will be presented to the Audit and Risk Management Committee at its next meeting on Monday, 30 March 2026, for endorsement.

BUSINESS IMPROVEMENT & STRATEGY CONTINUED...

**Audit Register Status Update**

This table outlines outstanding audit recommendations by review and level of risk to Council.

Review (audit)	Total No of Rec.	Number of Current Active Recommendations by Risk Level			Completed Rec.
		High	Medium	Low	
Tendered Contract Review	20	0	2	0	18
Lessons Learned from Pandemic	4	0	1	0	3
*Environmental Compliance Management	6	0	4	1	1
Revenue Management Review	12	0	2	1	9
Fuel Management Review	9	0	0	5	4
Project Expense Capitalisation Review	7	0	7	0	0
Corporate Credit Card Review	15	0	0	7	8
Conflict of Interest Management Review	6	0	2	4	0
Records Management Review	3	0	0	3	0
Customer Request Management Review	8	0	5	3	0
External Audit Items	18	0	3	1	14
Total	108	0	27	24	57

An internal review of outstanding audit recommendations has been scheduled for March to assist with finalising these items prior to the next Audit and Risk Management Committee.

**Corporate Risk Management Update**

The review and update of Council's Risk Appetite Statement has been broken down into the following steps:

Determination of Council's Risk Appetite Statement						
Step one (completed)	Step two (completed)	Step three (completed)	Step four (completed)	Step five (complete)	Step six (completed)	Step seven (in progress)
Develop an initial draft combined Risk Management Policy and Risk Appetite Statement.	Review draft documents with technical content experts (individual meetings)	Review/ workshop revised draft document with Managers and direct reports	Review/ workshop draft document with Executive Leadership Team	Undertake a standalone Workshop with Council to determine risk appetite/ tolerance with Council	Present draft combined policy/ statement to ARMC for review and endorsement	Draft Corporate Risk Management Policy (inc. Risk Appetite Statement) presented for adoption

The draft Corporate Risk Management Policy (inc. Risk Appetite Statement) has been included in the agenda for adoption.

The next stage in embedding Council's Corporate Risk Management Framework is to finalise the implementation of strategic risk.

Key actions include finalising all strategic risk-related documentation in line with Council's updated risk appetite statement, including strategic risk treatment plans for each risk and Council's strategic risk register. Progress reporting against these strategic risks will then commence

BUSINESS IMPROVEMENT & STRATEGY CONTINUED...

**Business Continuity and Crisis Management Project Status Update**

In response to audit recommendations from the “Lessons Learned from the Pandemic Review”, a project was initiated to create a Business Continuity & Crisis Management Framework, supporting documents and an incident management approach tailored to Council.

Technical support from Consultants O’Connor Marsden and Associates (OCM) was finalised this month. The table below shows the status of each project objective:

Business Continuity and Crisis Management Project Deliverables		
Project Objective	Current Status	
Business Continuity Response and Recovery Plans	ICT Response and Recovery Plan	Draft document supplied by consultants. Sections of this document have been incorporated into Council’s current ICT response plan. The development of a business continuity plan for ICT will be completed by the ICT team.
	Crisis Communication Plan	Draft completed by Principal, Engagement and Communications
	Facility Response and Recovery Plan	To be developed.
	Business-Critical Function BCP’s	Draft business continuity plans have been developed awaiting completion of ICT response and recovery plan to circulate to function owner to complete. Now there is an updated draft ICT incident response plan in place, a final review of these documents will be undertaken prior to being tasked to function owner for completion.
Training and Education	Not yet commenced – advice received from ICT is that there is confidence in the draft ICT incident response plan to complete a whole of organisation incident response exercise. Preliminary discussions are being held with an external provider to assist with conducting this exercise at no charge to Council.	
Other supporting continuity tools (i.e. staff arrangement, productivity and welfare tools)	Not yet commenced - A business continuity and crisis management page will be developed on Council’s information sharing platform “The Source”. All documents and information in relation to this function will be included on this page for the organisation to utilise.	

PROCUREMENT

PROCUREMENT PROJECTS AS AT 28 FEBRUARY 2026

Group			
Infrastructure Delivery	December 2025	January 2026	February 2026
LVRC-25-032 Truck and Trailer (2 x Truck & Dog Trailers)	Awarded to Hino Motor Sales (Wideland Trucks & Equipment Pty Ltd).		
LVRC-25-038 Mowers		Sourcing of Quote (via Local Buy) – opened 12/01/2026. Evaluation of Quote – closed 21/01/2026.	Awarded to RDO Equipment Pty Ltd.
LVRC-25-054 Gatton North Drainage - Concept Design	Awarded to Burchills Engineering Solutions.		
LVRC-25-055 Flagstone Creek Road Lilydale - Culvert Renewal		Sourcing of Quotes – opened 08/01/2026. Evaluation of Quotes – closed 14/01/2026. Awarded to Australian Reinforcement Company.	
LVRC-25-056 Laidley CBD Paver Redevelopment - Footpath Renewal	Evaluation of Quotes – closed 18/12/2025.	Awarded to Burchills Engineering Solutions.	
LVRC-26-010 Concreting Works, Kerb - Jones Rd, Withcott			Planning for procurement process.
LVRC-26-011 Concreting Works Footpath Jones Rd Withcott			Planning for procurement process.
LVRC-25-066 Supply and Delivery of One (1) Press Brake	Planning for procurement process.	Sourcing of Quotes – opened 29/01/2026.	Evaluation of Quotes – closed 12/02/2026. Awarded to Hare & Forbes MachineryHouse.
LVRC-26-002 Concreting Works (Footpath) Fairway Drive Stage 2		Sourcing of Quotes – opened 13/01/2026. Evaluation of Quotes – closed 27/01/2026.	Awarded to Prestige Patterns Concreting & Civil Pty Ltd.
Infrastructure – Operations	December 2025	January 2026	February 2026
LVRC-25-067 Linemarking			Sourcing of quotes – opened 08/01/2026. Evaluation – closed 19/01/2026. Awarded to Global Linemarking Services Pty Ltd.
LVRC-26-006 Concrete Repair Works		Sourcing of Quotes – opened 30/01/2026.	Evaluation of Quotes – closed 08/02/2026. Awarded to Prestige Patterns Concreting & Civil Pty Ltd.

PROCUREMENT CONTINUED ...

Infrastructure – Design & Asset Management	December 2025	January 2026	February 2026
LVRC-25-051 REPA Grading Program	Awarded to Kemjay Earthmoving Pty Ltd.		
LVRC-25-064 William Street, Gatton - Pavement Rehabilitation	Planning for procurement process.	Sourcing of Quotes – opened 21/01/2026.	Evaluation of Quotes – closed 04/02/2026. Awarded to Burchills Engineering Solutions.
LVRC-25-065 Sandy Creek Road and Laidley Creek West Road Bank Reinstatement			Planning for procurement process.
LVRRC-25-069 Goulds Road Culvert and Floodway			Planning for procurement process.
LVRC-26-004 Level 2 Bridge Inspections		Planning for procurement process.	Sourcing of Quote – opened 05/02/2026. Evaluation of Quotes – closed 26/02/2026.
LVRC-26-005 Culvert and Floodway Renewal			Sourcing of Quotes – opened 27/02/2026.
Community Facilities	December 2025	January 2026	February 2026
LVRC-25-041 Fire Equipment and Maintenance Services	Request for Tender documents are with Facilities for input.	Request for Tender documents are with Facilities.	Request for Tender documents in progress with Facilities.
LVRC-25-012 Sanitary and Nappy Bin Service	Negotiation – awaiting supplier advice on contract departures in mid-January 2026.	Negotiation of departures ongoing.	Awarded to AlSCO Pty Ltd TA Fresh & Clean.
LVRC-25-048 Laidley Saleyards Improvement Project	Sourcing of Tender – closes 29/01/2026.	Evaluation of Quotes – closed 29/01/2026.	Evaluation in progress with clarification issued.
Community and Regional Prosperity	December 2025	January 2026	February 2026
LVRC-26-008 Approvals Manager - Optimisation Assessment Phase 2.2			Sourcing of Quote (via Local Buy) – opened 05/02/2026. Evaluation of Quote – closed 12/02/2026. Awarded to Sequana Partners Pty Ltd.
Community and Wellbeing	December 2025	January 2026	February 2026

COMMUNICATIONS CONTINUED...

The Communications Team manages a range of media and communications products ranging from media releases and social media posts, to design of posters, signs and fact sheets, to videography and media events, as well as website management. Our primary function is to provide meaningful and timely information to the community on Council decisions, programs and services through a range of mediums.

DISASTER MANAGEMENT

Corporate Plan Action - Disaster Management Framework development and implementation

Current review of the Disaster Management framework is underway which will provide currency to the document.

Community Education, External Engagement & Partnerships

Community Recovery and Resilience Officer (CRRO) Partnerships

In collaboration with the Community Recovery and Resilience Officer (CRRO), the Disaster Management Team participated in two key community engagement events: the University of Queensland (UQ) Gatton Market Day and the Gatton PALM Wellness Day.

Engagement with UQ students proved highly valuable, providing opportunities for meaningful conversations that supported increased awareness and preparedness—particularly around the

risks associated with isolation during disaster events. Although attendance at the PALM Wellness Day was more limited, the inaugural event offered an important platform to connect with service providers, engage with community members, and promote the upcoming Seasonal Worker BBQ program.

Seasonal Worker BBQs

Dates have been confirmed for a series of Seasonal Worker BBQs to be held throughout the remainder of 2026. The first event is scheduled for Thursday, 26 March. These BBQs aim to strengthen engagement with seasonal workers by providing accessible information about local hazards, the potential for isolation,

and the importance of preparedness. The events also offer an informal setting to foster community connections and support the wellbeing of seasonal workers across the region.

DISASTER MANAGEMENT CONTINUED...

Training & Exercises

Queensland Disaster Management Arrangements (QDMA)

The Queensland Disaster Management Arrangements (QDMA) provide the framework for a coordinated and effective approach to disaster preparedness, response, and recovery. Training in these arrangements forms the foundation for all further disaster management capability development. During February, personnel from Council and partner response agencies participated in QDMA training delivered by the Emergency Management Coordinator.

Disaster Coordination Centre Training

The Local Disaster Coordination Centre (LDCC) in Gatton is staffed by personnel drawn from various areas across Council and supported by agency Liaison Officers. Council staff and agency representatives undertook LDCC basics training, which introduced key functions, processes, and responsibilities within the Coordination Centre. This training provides the essential groundwork for more specialised, role-specific training to further strengthen operational readiness.

Local Disaster Management Group (LDMG)

The Local Disaster Management Group (LDMG) met on 5 February 2026 to discuss current disaster readiness, partner agencies preparedness, updates and improvement activities across the Lockyer Valley.

Training is extended to the LDMG membership to participate when identified training is delivered.

Flood Intelligence System

Flood Warning Infrastructure Network Upgrade (New Gauges)

As previously report, Council has installed five new rainfall and water-level gauges along the Laidley Creek catchment at Mulgowie, Laidley (Alexander Street system) and Glenore Grove (billabong).

These sites are awaiting Bureau-issued station IDs for commissioning.

The Bureau of Meteorology has confirmed receipt of Council's request to allocate station IDs and advised an indicative timeframe of the week commencing 23 February 2026 to review and progress the request. No station IDs have been issued to date and no response has been received to Council's follow-up request on 27 February 2026.

Until station IDs are issued and commissioning is completed, no data can be captured or shared from these sites — meaning no rainfall or river-level data is available to the Bureau, Council, third parties or the community and the data cannot be used to inform situational awareness, public warnings or flood modelling.

Council officers will continue to seek an update from the Bureau and will commission the sites immediately upon receipt of station IDs.

Flood Intelligence System (Gauge Base Station Upgrade)

Council is undertaking an upgrade of the gauge data base-station equipment to improve the flow of real-time rainfall and river-height data into Council's operational systems and to the Bureau of Meteorology.

DISASTER MANAGEMENT CONTINUED...

Improving Council's base-station capability will help maintain consistent data availability, enhance situational awareness during heavy rainfall, and support more accurate community warnings and operational decision-making.

Enviromon Replacement System

The Bureau of Meteorology has advised councils that its Enviromon platform will be retired, with a proposed national 5minute rainfall and water level data feed expected to be available from October 2026. The Bureau recently briefed councils on this proposed replacement and has invited feedback as part of its consultation process.

It is important to clarify that the upcoming 5minute FTP feed is not a replacement for Council's existing Enviromon style system. The Bureau's product is a data feed only and does not provide visualisation, alerting functions, filtering or the system capability required for Council's operational flood warning activities. Council's flood warning network continues to rely on direct radio telemetry from local gauges, which remains fully available and unaffected by the Bureau's changes.

Council will continue progressing procurement of a like for like replacement system (Phase 1) that retains radio path data collection and provides the visualisation and alerting functions required for flood operations. A future Phase 2 is envisaged to expand capability to ingest additional data sources, including FTP feeds, APIs and other external data services.

State Emergency Service (SES) Monthly Report

The Lockyer Valley SES currently has 35 active members with 4 reserve members, 9 probationary members and additional 8 prospective members progressing through onboarding. Active members for each group:

- Forest Hill – 9
- Gatton – 17
- Laidley – 9

Membership across the Valley remains stable with an increase in active probationary and prospective members progressing through onboarding and competency development. The increase in prospective members can be attributed to a locally led social media recruitment campaign by the SES Local Controller.

During this reporting period Gatton, Laidley and Forest Hill SES Groups maintained consistent operational readiness through structured training and development, ongoing activations, and continued community engagement activities.

DISASTER MANAGEMENT CONTINUED...

Requests for Assistance Summary by SES Groups (Totals)

	Tree Down	Structural	Multiple	Total
Forest Hill	1	0	0	1
Gatton	0	1	0	1
Laidley	3	4	1	8
Lockyer Valley Unit Total	4	5	1	10

- Of the four Structural incidents, 1 was cancelled/rejected and 3 were completed.
- All other recorded incidents during the period were completed with no cancellations.

Inter-Group cooperation remained strong, with shared attendance across training activities and operational support where required. Training focused on safety, compliance, flood boat capability, equipment familiarisation and storm damage preparedness.

The Lockyer Valley State Emergency Service continues to maintain a disciplined and structured approach to task management and operational readiness.

Disaster Dashboard During the month of February, views of the Disaster Dashboard were higher than the previous month with 5137 views.

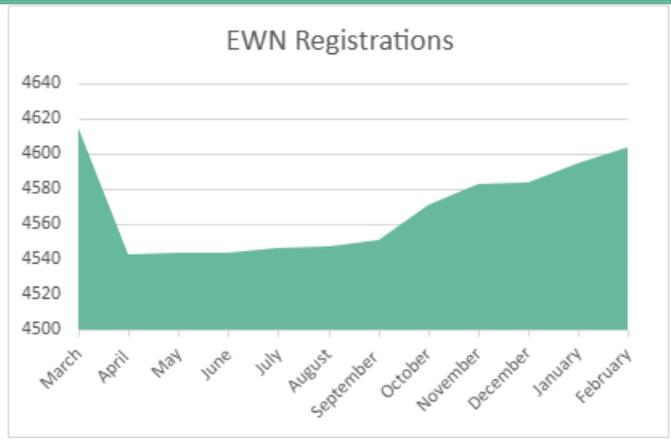

Early Warning Network During February, a total of 21,990 SMS messages were sent to Lockyer Valley subscribers from the Early Warning Network.

Membership is steady at 4604 registrations.
A total of nine new members joined during the month.

Residents can register for this free service at EWN or through the [Disaster Dashboard](#).

DISASTER MANAGEMENT CONTINUED...

COMMUNITY DEVELOPMENT & ENGAGEMENT

Strategic Priority 1 – Engage with the community to ensure the community's views, values and aspirations inform Council decision-making.

7 projects received **engagement support** in February which may include planning for future consultations, or analysing and applying results of recent or previous consultations:

- Lower Tenthill Road Safety Consultation
- Laidley CBD Future Works
- Lockyer Valley Aquatic Snapshot
- Laidley Flood Mitigation Scheme
- Bitumen Reseal Program 2025-26
- Facility Hirer Feedback Survey
- Growth Management Strategy

Councillors and Council Officers attended a **Council Pop-Up** stand at Walter Brunner Park, Preston on 7 February. The pop-up resulted in good engagement from the community and meaningful conversations regarding topics such as disaster management, environmental management, infrastructure and roads. The next Council Pop-Up is scheduled for Saturday, 7 March at Hatton Vale IGA.

Members of the Engagement Team undertake a **liaison role** between other business units and community groups such as progress associations, hall committees and sporting groups to maximise mutually beneficial outcomes.

Council conducted a **youth survey** from late January to 20 February, targeting young people aged 12–17 years and their parents and caregivers. A total of 245 responses were received. Data analysis and collation are now underway and will be presented to Council at a future Workshop.

Strategic Priority 2 – Support community groups to increase their capacity, resilience, and sustainability.

The **inflatable soccer field** was hired by Hatton Vale Apostolic Church for a community games day on 21 February, supporting community-led engagement.

Council's **Sport & Recreation Development Officer** has been seconded to the Facilities Team from late February for six months, in the role of Sports & Recreation Project Officer. As a result, the Engagement Team's level of activities in the sport and recreation space are expected to decrease during that time.

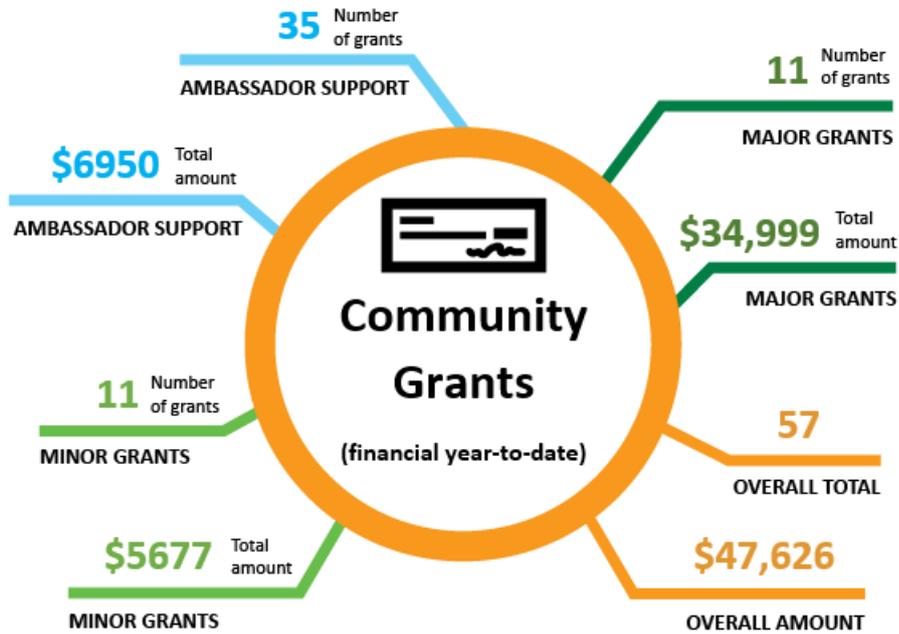

Round 2 of Council's **2025/2026 Major Community Grants** program opened for applications on 15 February. The grant round closes on 15 March with applications being assessed and presented to Council in the weeks following.

A Community Engagement Officer met with representatives from Kambu Health, the Laidley Community Centre and Anglicare to progress the development of a **coordinated Youth Week program**.

A Community Engagement Officer had preliminary discussions with representatives from the Australian Bureau of Statistics in relation to the **2026 Australian Census**, to support early planning for engagement with vulnerable sectors of our community.

A Community Engagement Officer collaborated with Blue Card Services for delivery of their **Blue Card Roadshow Workshop** in Gatton on 18 February. The workshop was well attended by members of local clubs and organisations.

Strategic Priority 3 – Develop and deliver programs, in consultation and collaboration with stakeholders, to promote community wellbeing and resilience, including recovery from adverse events.

Community Recovery and Resilience Officer (CRRO) Program Update

Council’s Community Recovery and Resilience Officer (CRRO) continues to engage with community partners to build relationships, explore collaborative opportunities, and understand emerging community needs. Project concepts are being progressed in partnership with Council’s Disaster Management team. A summary of February’s engagements is outlined below.

COMMUNITY DEVELOPMENT & ENGAGEMENT CONTINUED...

Engagements	Total No.	Details
Interagency Meetings Attended 	3	<ul style="list-style-type: none"> • Lockyer Valley Service Provider Interagency • Lockyer Valley Older Persons Network • Lockyer Youth Agency Network

GROUP MANAGER MONTHLY REPORT
FEBRUARY 2026

NOTE

Data presented in this report is comparative of the same month each year, unless stated otherwise.

Trending indicates between 2026 and 2025 data.

People and Customer Experience Branch

ORGANISATIONAL DEVELOPMENT AND PAYROLL HIGHLIGHTS

The first Joint Consultative Committee meeting for the year was held on 5 February. Preliminary discussions for enterprise bargaining negotiations have commenced with the first meeting set for 10 March.

There was recruitment of 26 positions throughout February, notably the 6 funded trainee positions and the Chief Executive Officer, which was managed in-house.

CUSTOMER EXPERIENCE HIGHLIGHTS

Rates notes were issue on 11 February.

The team is working with internal departments to review and improve our Knowledge Base content which will benefit service delivery.

Team members virtually attended te latest LGMA Customer Service Village Exchange.

SAFETY HIGHLIGHTS

The first Work Health and Safety Committee meeting of the year was held on 25 February, with a good attendance rate.

A detailed response and related evidence was provided to the WHS Regulator regarding a claim against Council, which was found to be unsubstantiated.

Quarterly hazard inspections were also undertaken across various sites.

INFORMATION MANAGEMENT HIGHLIGHTS

The team was inundated with archive boxes of records and files following the completion of the roof restoration project and return of staff based at the Gatton administration building. The team have initially evaluated the majority of these records to prioritise for auditing and disposal or ongoing storage.

UPCOMING

Safety – Audiometric testing booked for field staff attendance between 16-19 March at Gatton Depot.

Customer Experience – Rates are due 18th March. On-boarding staff member at Laidley office in Queensland Government Agent Program (QGAP).

OD and Payroll – First EB Negotiations Meeting on 10 March, currently awaiting submission of Log of Claims from each relevant union. Finalisation of recruitment for key vacancies. Hosting the LGAQ Learning and Training Community of Practice session on 12 March.

Information Communication Technology

HIGHLIGHTS

Cyber Security Strategy

A new email security platform has been implemented with the cutover from the old system occurring in late February. The new system provides improved functionality to accurately prevent unsafe emails from being delivered and assisting staff in filtering out spam.

Technology One Ci to CiA Property & Rating Customer Requests Migration Project

The Project Control Group met in February approving the project management plan. A cross team working group have commenced planning workshops with TechnologyOne consultants.

Gatton Administration Building Roof Project

The ICT Team were heavily involved in assisting staff return to the Gatton Admin Building at the start of the month, after the completion of the Roof Project. There was a high number of minor issues that the ICT team were able to rectify quickly, minimising disruption to staff.

STATISTICS

Waste Management

HIGHLIGHTS

This month the Waste Management team welcomed a new team member to the role of Business Support Officer. The team are delighted to have an additional person on board and look forward to the support they will provide to the team during the duration of the secondment.

The go-live date for full access for Lockyer Valley residents for the Recycle Mate app is planned for the 31 March.

WASTE EDUCATION

Council's Waste Education Officer attended Active Kids Laidley Kindergarten for the first of our Waste Warriors Waste Education Sessions. The session was well received and children engaged in songs and activities while learning about what to put in their bins.

What's Coming Up

Following our first waste education visit with Laidley Kindergarten, we received very positive feedback. Looking ahead, we have upcoming waste education sessions scheduled with Withcott Primary School on 12 March and Helidon Kindy on 24 April.

Community and Regional Prosperity

GROUP MANAGER MONTHLY REPORT
FEBRUARY 2026

Communities Branch

LIBRARIES AND GALLERIES HIGHLIGHTS

Library Lovers Day

We celebrated 'Library Lovers Day' on February 14. This day is promoted by the Australian Library and Information Association (ALIA). We celebrated by wrapping up Adult Fiction books from the collection and offering 'Blind Date with a Book' for library visitors. Borrowers had the joy of a surprise title in a genre of their choosing, an ALIA bookmark, and a chocolate to enjoy with their read. We also had a visit from the Laidley Community Centre playgroup to celebrate their local library.

Duplo: Read, Build, Play - Dear Zoo

We held Duplo sessions at both branches for children 2-5 years old. These sessions were 'Dear Zoo' themed, and children built zoos to hold the animals featured in the book to foster problem solving, creativity and fine motor skills. We had 23 children in attendance.

Regional Arts Development Fund Applications - Final Round

Our final round for the 2025/26 year will open Monday 16 March, and close on Friday 24 April at 10:00am. Individuals or community groups interested in arts and culture in the Lockyer Valley are invited to make an application for funding under the Lockyer Valley Regional council Regional Arts Development Fund (RADF). Previous grants include musics and/or dance performance, art workshops, professional development activities, film/digital storytelling, art activities for children and events/festivals. Applications can be made [here](#).

TOURISM AND EVENTS HIGHLIGHTS

Feel the Freedom campaign

The refreshed *Feel the Freedom* campaign was launched with Experience Somerset at the Moreton Bay Expo (13–15 February), featuring 20 Lockyer Valley businesses in a cross-regional itinerary aimed at increasing length of stay and visitor spend. Across three days, the team generated more than 700 competition entries, distributed over 600 visitor guides and recorded more than 1,000 engagements, exceeding comparable 2025 results despite wet weather. This activation marks phase one, with a targeted digital rollout and continued in-region promotion to drive bookings.

Tourism and Events Queensland Events Strategy

Officers attended the Tourism Events Qld briefing on 26 February in Toowoomba regarding the new Events Strategy, including discussions on challenges and opportunities to grow events sustainably.

Roundtable with Department of Environment, Tourism, Science and Innovation (DETSI)

Council was invited to an invaluable roundtable discussion on 26 February with Bridget Woods, Deputy Director-General, Tourism Division of DETSI to discuss challenges and opportunities for the Queensland Country Tourism region. Insightful conversations covered topics such as accommodation capacity constraints, attracting and growing regional events, the rise in adventure 4x4 travellers, and local government planning and approval requirements in the region.

2026 GALLERY EXHIBITIONS

Current - 22 March: *Oh MG* by *Chloe Wigg*

Oh MG is a celebration of community and storytelling while raising awareness for the rare disease Myasthenia Gravis which the artist was diagnosed with in 2021.

17 April - 21 June: *Light Horse Art* by *Ron and Jennifer Marshall*

These paintings were inspired by true stories from original sources of the Australian Light Horse. Although the setting is war, these paintings are about relationships.

26 June - 16 August: *Beyond the Brushstrokes* by *Susan Butler, Linda Senjov and Sharon Ross*

This exhibition will present the audience with a collaborative, original and coherent display of artworks produced by three local emerging artists.

What's Coming Up

- 19 April 2026: Queensland Transport Museum Open Day**
Free family-friendly day out with hourly tours, live themed entertainment, kids' activities and 2nd Lighthouse Troop. Collaborating with the Lockyer Valley Art Gallery (new exhibition) and Gatton & District Historical Society's heritage activities.

Planning, Policy and Community Wellbeing Branch

DEVELOPMENT ASSESSMENT HIGHLIGHTS

Pipeline of industrial development update

For the period October 2025 – February 2026, Council received development applications for **new warehouses** and **industrial uses** totalling approximately 9,500m² gross floor area distributed around the region, including in **Gatton** (4,000m²), **Helidon** (3,500m²) and **Laidley** (2,000m²).

Approved large scale residential development

Large scale **residential developments approved** in **Gatton** and **Plainland** since last reported in September 2025:

- APPROVED: **267 dwellings in a Relocatable home park** at Golf Links Drive, Gatton.
- APPROVED: **81 lot subdivision** at Golf Links Drive, Gatton.
- APPROVED: **109 lot subdivision** at Gehrke Road, Plainland.
- APPROVED: **137 lot subdivision** at Freemans Road, Gatton (change application).

Other notable lodgements

The demand for residential land remains strong, with numerous operational works and plan sealing applications lodged. This includes **operational works applications** for more than **440 lots** and **plan sealing applications** for more than **65 lots**.

Key statistics

- **Development applications** under assessment - **135**
- **Plan sealing applications** under assessment - **21**
- **Urban residential lots/dwellings** under assessment - approximately **400**

PLUMBING HIGHLIGHTS

Key statistics and activities

- Number of **Applications** for January and February - **86**
- Number of **Inspections** for January and February - **286**
- Average number of **CRMs per month** (over the last three months) - **31**

Plumbing Approvals for **Residential** uses for January and February:

- **37** Dwellings
- **5** Secondary Dwellings
- **15** Transportable Buildings
- **8** upgrades to onsite sewage facilities
- **2** Outbuildings/sheds

Current **School projects**:

- **Faith Lutheran School Plainland** - Stage 1 Primary School (Year 5-6 Building)
- **Hatton Vale State School** - Prep Building
- **Peace Lutheran Primary School** - New Prep, Year 1 and Amenities buildings
- **Sophia College** - Stage 3B

Other **Commercial**:

- **Childcare centre** - Biggs Road, Withcott
- **Café** - Shop D, 4424 Warrego Highway, Plainland

INFRASTRUCTURE CHARGES UPDATE

Infrastructure Charges are levied on developments to assist funding the provision of trunk infrastructure for Council's transport, stormwater, parks and community land networks.

For the period 1 January – 1 March 2026, Council has received **payment of \$63,072.03** in infrastructure charges. As at 1 March 2026, **\$222,778.73** in infrastructure charges has been identified as being **outstanding**. Officers have contacted all of these developers, and in some cases have entered into agreements for these charges to be paid in instalments. Where charges remain outstanding, these may be collected as outstanding rates on the land. Outstanding charges relate to Material Changes of Use developments only, as charges associated with subdivision must be paid prior to Council signing off a plan of subdivision.

As part of the Council's 2025-2026 Internal Audit Plan, OCM is carrying out a **review of Infrastructure Charging** to ensure Council's infrastructure charges processes operate effectively, in compliance with legislation, that the internal control framework governing infrastructure charges is adequate. When finalised, the results of the review will be presented to Council's Audit and Risk Management Committee.

GROUP MANAGER MONTHLY REPORT
FEBRUARY 2026

REGIONAL COUNCIL

Infrastructure Delivery Branch

PROJECTS UNDERWAY

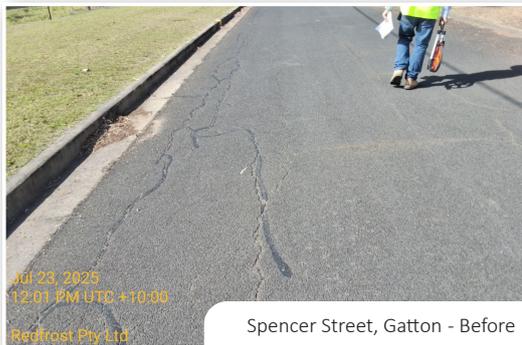

Bitumen Reseal & Asphalt Program

Council commenced the bitumen reseal and asphalt resurfacing program in November 2025. 73 roads consisting of 40.94km have reached intervention and will undergo works to improve rideability and safety for motorist and cyclists, and extend the road useful life.

The program is jointly funding by the Council and the Australian Federal Government through the Roads to Recovery Program.

Works comprised of reseal, mill and fill, AC overlay, surface correction, pothole repairs and kerb and channel replacement:

- Forest Hill
 - Gill Street
 - William Street
- Grantham
 - Armstrong Road
- Laidley
 - Coates Street
 - Drayton Street
 - John Street North
 - Moonlight Parade
- Gatton
 - Beaven Street
 - Byrne Street
 - Clarkes Lane
 - Cochrane Street
 - Crowley Lane
 - Dennis Minson Drive
 - Dionysius Street
 - Edwards Road
 - Falconer Street
 - Fitzgerald Street
 - Gassman Street
 - Logan Street
 - McKay Street
 - McNeil Street
 - Murry Street
 - Spencer Street
 - Tew Court
 - Wilson Lane
 - Wilson Street
 - Woodlands Road

Spencer Street, Gatton - Before

Cochrane Street Gatton - Before

Cochrane Street Gatton - During

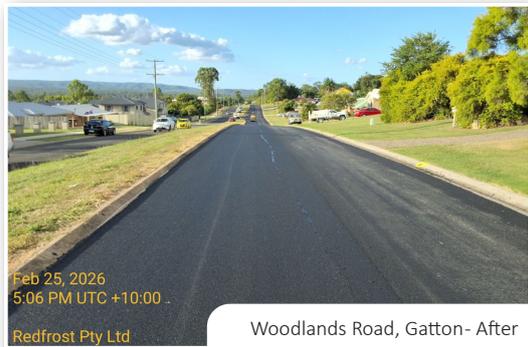

Cochrane Street Gatton - After

Cochrane Street Gatton - After

Woodlands Road, Gatton - Before

Woodlands Road, Gatton- After

Fairway Drive, Hatton Vale - Footpath Missing Link and Drainage Upgrades

Funded by the Active Transport Fund (ATF), this project is aimed at enhancing local infrastructure, promoting safe pedestrian access, and improving drainage systems in the area.

The scope of works include:

- Drainage and culvert upgrades (completed by Lockyer Valley Regional Council crews in December 2025)
- Installation of concrete footpaths with ramps
- Upgrades to street lights
- Service relocations
- Installation of kerb and channel
- Landscaping

Contractors will commence footpath construction works in March 2026.

UPCOMING PROJECTS FOR CONSTRUCTION

- Jones Road, Ballard - Footpath construction
- Capital Pavement Repairs – Caleys Court, Dusky Drive and Hawley Road
- Flagstone Creek Road - Culvert Upgrade

Design and Asset Management Branch

DESIGN HIGHLIGHTS

Designs Underway

- Tenthill Creek Road (Transport Infrastructure Development Scheme) - major road upgrade between Brooking Drive and Prince Road.
- Tenthill Creek Road (Blackspot)- improved signage and delineation along Tenthill Creek Road from Dwyers Road to Ingoldsby Road.
- Tenthill Creek, Steinhardts Road, Ropeley Rockside Road (Blackspot)- intersection safety improvements.
- Tenthill Creek, Winwill Connection Road, Old Ropeley Road (Blackspot)- intersection safety improvements.
- Bridge Renewals – Quinn Bridge, Glenore Grove.
- Ma Ma Creek culvert replacement.
- Road Rehabilitations.
- Laidley Township Accessibility.
- Gatton North Feasibility Stormwater Upgrade Project - Assess stormwater / road condition.

Designs Completed in February

- Hawleys Road, Lake Clarendon pavement rehabilitation.
- Hakea Court, Plainland drainage improvements.

ASSET MANAGEMENT HIGHLIGHTS

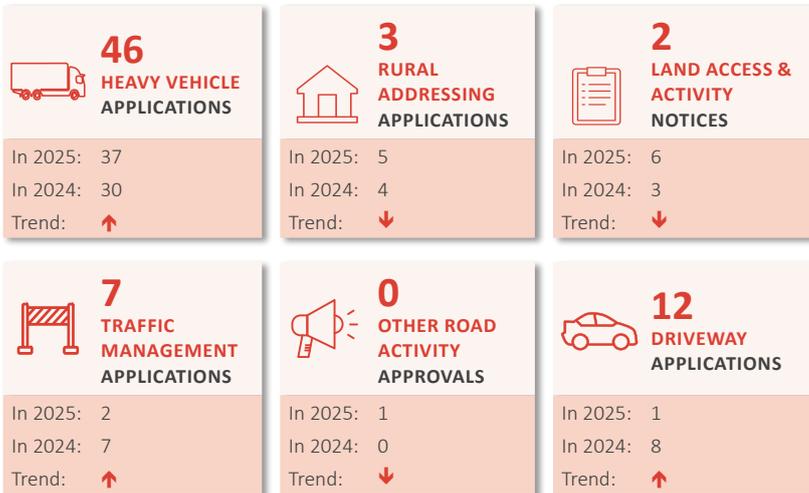

- Two grant applications were submitted under the Active Transport Grant Program on 27 February 2026.
 1. UQ Link Planning Study
 - * Project consists of undertaking a Cycling Options Analysis to determine the optimal route, width, cross-section and surface treatment for a 5.5km shared pathway between the shopping, recreation, professional and health service areas of Gatton CBD and the 2,000 students at the University of Queensland Gatton Campus.
 2. Spencer St Footpath Upgrade
 - * Construction of 300m x 2.5m-wide off-road shared path for pedestrians and cyclists along a busy B-Double route in central Gatton, including priority crossing points at driveways (one raised crossing), bicycle transition ramps, upgraded kerb ramps, new kerb and channel, and improved street lighting.
- The Terms of Reference for the Asset Management Steering Committee and Technical Sub-Committee have been distributed for stakeholder consultation and will be finalised in March 2026.
- Draft Asset Management Plans for Cemeteries and Parks have been produced
- Budget and supporting project briefs are being developed

UPCOMING PROJECTS FOR DESIGN

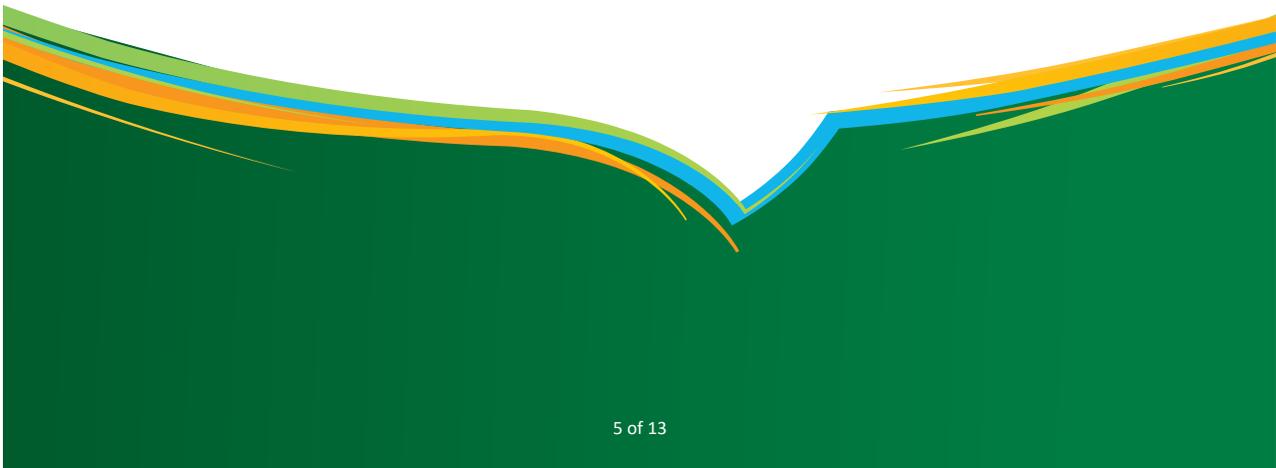

- Designs to be prepared for potential landslips (Summerholm Road, Dolleys Road, Rockmount Road and Blanchview Road).
- Preparing request for quotation documents for Schluter Road floodway, Sutcliffes Road Floodway, Redbank Creek Road floodway and Spa Water Road cross drainage.

Design and Asset Management Statistics

WORKS ON ROADS PERMITS & APPLICATIONS

OPERATIONAL DEFECTS OVERVIEW

Infrastructure Operations Branch

MAINTENANCE WORKS UPDATES

The Infrastructure Operations team is preparing to commence capital gravel resheeting works across the region. The following roads are scheduled to be delivered in the coming months:

- Schadwell Road, Blenheim
- Brassingtons Road East, Carpendale
- Mahons Road, Carpendale
- Crans Road, Flagstone Creek
- Roses Road, Veradilla
- Turner Road, Upper Flagstone
- Morgans Road, Grantham
- Risson Road, Grantham
- Cattos Road (north), Helidon
- Kellys Road, Helidon Spa

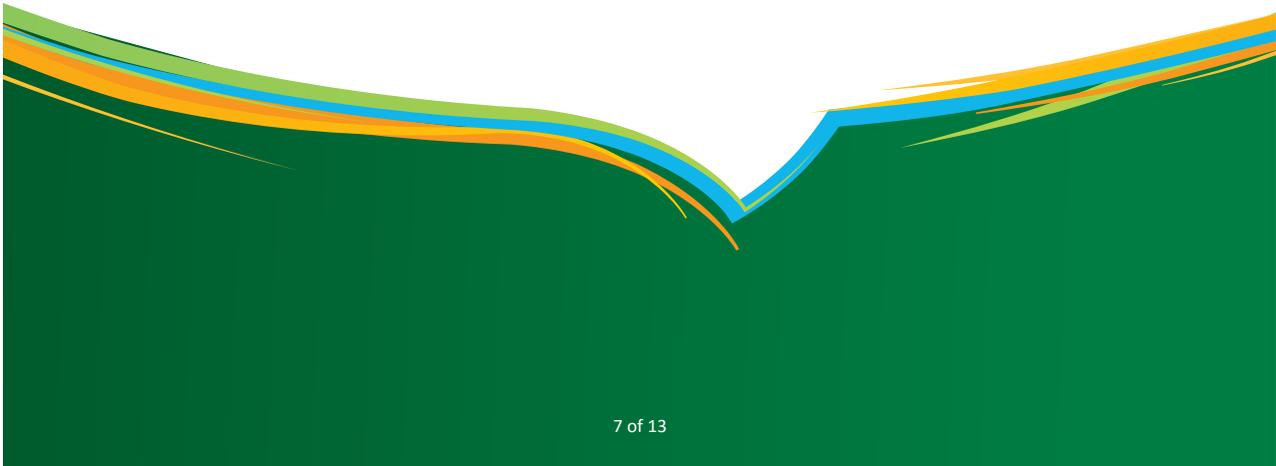

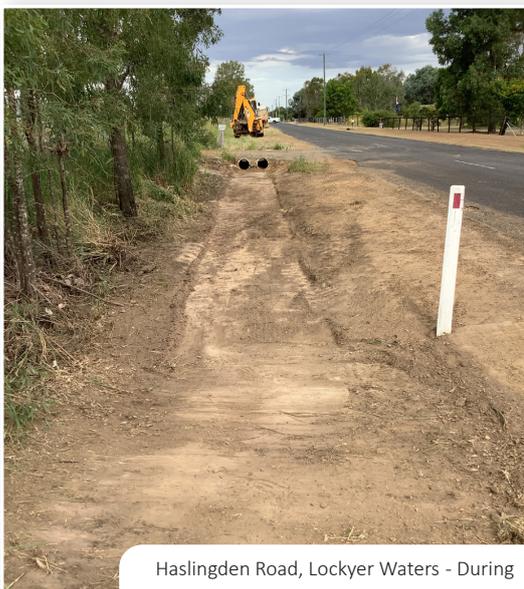

In addition to the capital resheeting, the Operations team is collaborating closely with the Design and Asset Management team and the Infrastructure Delivery team to deliver the capital pavement rehabilitation projects. This integrated strategy brings the rehabilitation program forward, reduces pressure on operational expenditure, and ensures the grader crew remains engaged at full capacity.

The selected projects are currently under investigation will be funded under the 24/25 Pavement Rehab (SEQCSP) and the allocated 25/26 Capital Pavement Repairs.

Infrastructure Operations Branch Statistics

ROAD MAINTENANCE ACTIVITIES BY DEFECT

Parks, Recreation and Cemeteries Branch

CAPITAL PROJECT UPDATES

Gatton Cemetery Shed Installation

A Contractor has been engaged. Due to availability, the shed won't be installed until mid-2026.

Jean Biggs Park, Withcott - Redevelopment

Contractor has been engaged. Currently waiting on contractor to provide a proposed schedule.

Lions Park, Laidley & Littleton Park, Gatton - Upgrades

Equipment has been ordered. The project is expected to be completed by May 2026.

Laidley Recreation Reserve Signage

A contractor has been engaged to manufacture and install four signs at the Laidley Recreation Reserve. The design has been approved by key stakeholders. The signs have been fabricated offsite with installation to occur in early March.

McNulty Park, Laidley - Upgrades

The rubber softfall around the playground has been replaced.

MAINTENANCE UPDATES

Mowing

Urban mowing complete weekly throughout town CBD's.

Roadside Slashing

Zones 6 and 7 – Ropeley, Mt Sylvia, Junction View and Mt Whitestone.

Zone 1 – Lake Clarendon and Lockyer Waters.

Landscape Maintenance

Removal of old vegetation from the CBD garden beds in preparation for new plants.

Furniture Maintenance

Repairs to timber bench seat Laidley CBD.

Repainting timber sun lounge at Laidley Library Greenspace.

Repainting of the Red Rose Foundation bench in Centenary Gardens, Gatton.

Tree/Vegetation Maintenance

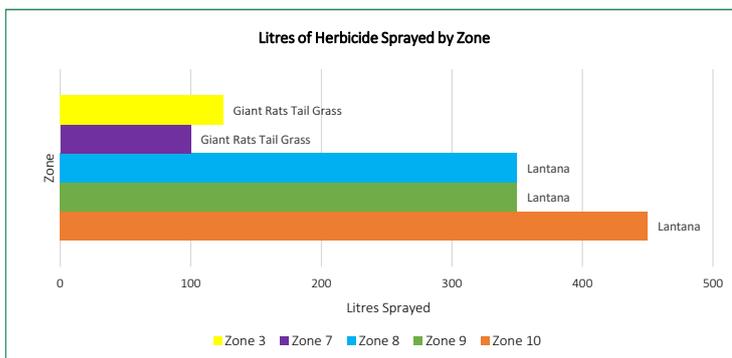

Clearing works at 8 locations across the region.

Cemetery Maintenance

Pre-digging graves at the Gatton Cemetery in section 10.

Facilities Branch

CAPITAL PROJECT UPDATES

Gatton Shire Hall - Stage Lift Installation

A concept design has been provided by the contractor which officers are reviewing.

Gatton Shire Hall - Door Replacement

Quotes have been obtained under the Trades Services Panel. Awaiting additional budget to complete the works.

Lockyer Indoor Equestrian Centre - Building Compliance

Scope of works being defined. Quotes are being obtained.

FACILITY MAINTENANCE UPDATES

Lake Apex Park - Pedestrian Bridge

The decking on the pedestrian bridge was replaced and stained.

Lake Apex Pedestrian Bridge - After

Gatton Shire Hall - Ladies Amenities Upgrade

Insurance works were completed in the ladies' amenities, including the replacement of vanities and the relocation of plumbing to outside the wall cavity. The vanities can now be independently isolated from the water supply if the tapware on a particular vanity is damaged, allowing the amenities to remain open.

15. CONFIDENTIAL ITEMS**15.1 Update on Internal Review of Administrative Action Complaint - 25/26-18-IR****Author:** Caitlan Natalier, Principal Governance and Property**Responsible Officer:** Dan McPherson, Group Manager People, Customer and Corporate Services

That the above item be considered in Closed Session to the exclusion of the press and public in accordance with Section 254J (3) (g) of the Local Government Regulation, 2012, as the matter involves negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government.

Purpose:

The purpose of this report is to update Council on the review of an administrative action complaint under Council's complaints management system and present a recommendation for finally resolving this matter.

15.2

Queensland Urban Utilities Board Appointments**Author:** Scott Greensill, Chief Executive Officer**Responsible Officer:** Scott Greensill, Chief Executive Officer

That the above item be considered in Closed Session to the exclusion of the press and public in accordance with Section 254J (3) (g) of the Local Government Regulation, 2012, as the matter involves negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government (Appointment of Board Members for Urban Utilities Board).

Purpose:

Correspondence has been received from the Chair of the Board of Queensland Urban Utilities requesting Council consideration of Board Appointments for anticipated vacancies on the Board from 1 July 2026.
